Can you guess why their mouths are hanging open? “The crisis is stealing gradually upon us. The sun shines in the heavens, passing over its usual round... Men are still eating and drinking, jostling one against another, and contending for the highest place. Pleasure lovers are still crowding to theaters, horse races, gambling hells. The highest excitement prevails, yet probation's hour is fast closing, and every case is about to be eternally decided.” *Maranatha*, p. 35.

Why would Rome want to have the Jesuits secretly train and rule ISIS, while having it funded by the U.S. to murder as many godly non-Catholic Christians as they can? Does Rev. 18:24 have anything to do with it?

Dear SDA friends around the world,  
Read all the boxes in this letter, then come back here and we'll talk about what's happening.

**Faith:** The prophet said, “Men possessed by demons are taking the lives of men, women, and little children. All these things testify that the Lord's coming is near.” *Maranatha*, p. 175. Will mad fiends of the last days attack more churches so that after the Sunday law, God's dear people will “have to flee before infuriated mobs”? {EW 56}. In the papal inquisition of the dark ages, church leaders enticed their worshipers to attack Protestant churches. Since the Vatican II Council ended, has Rome started another inquisition by having ISIS chop their heads off? Will they be more successful than Adolf Hitler? What's going to happen next? Is God's hand holding back the devil's fury until His people are “sealed” with the seal of God? How long will that take? And what will happen to us?

**Pastor Jan:** Are you ready? Here we go -

“Against an elder receive not an accusation, but before two or three witnesses. Them that sin rebuke before all, that others also may fear.” 1 Tim. 5:19,20.

**Hope: Does Whistleblower magazine have two witnesses?**

**Pastor Jan:** As the days get fewer and fewer until dear Jesus appears in the sky, our kind Father allows both men and demons to accomplish many things before they receive their final reward. For this reason - “The Spirit of God is being withdrawn from the earth. Plagues and judgments are already falling upon the despisers of the grace of God.” 9T 11.

## BEN CARSON TAKES LEAD IN NEW POLL

*Survey finds ex-neurosurgeon with surging numbers*

World Net Daily

by CHERYL CHUMLEY

This World Net Daily article shows that Dr. Ben Carson, in the poll from Monmouth University

(concerning RNC candidates) is ahead of **everyone!**  
<http://www.wnd.com/2015/06/ben-carson-takes-lead-in-latest-poll/#76E42cPeEeeqzrWf.99>

**Hope:** Amazing! Since you are a minister of the gospel who has nothing to do with politics or any political party, why do you show this article?

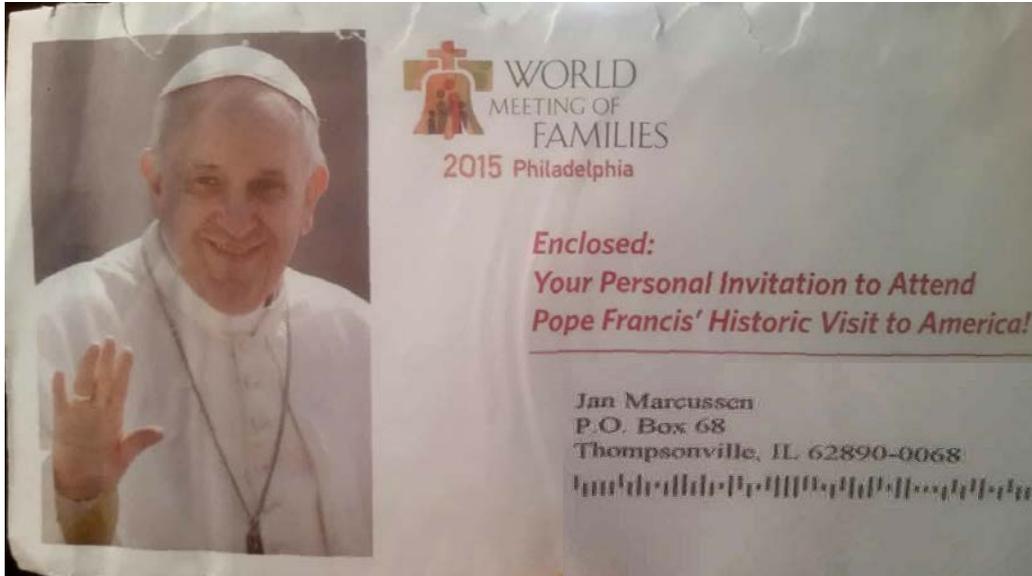

**Pastor Jan:** The article takes our minds to events leading to the coming of Jesus in the sky. In the early 1930s, the people of Germany were yearning for a "strong man" who could "turn the nation around." So they found a man who gave them more jobs, and helped the German economy. Now again, many in our nation are looking for a good, strong man who can also "turn the nation around." Many of them want someone like General U.S. Grant who helped save the nation - to win the Civil War. When Grant was visiting the Lincoln home for dinner, Mary Lincoln was asked if she minded his cigar smoke swirling around. She said, "Not much."

President Lincoln was not for alcohol, but he was so anxious to win the war, that when someone complained to him about Grant's whiskey, the President said, "He fights!" He jokingly told the person to find out what kind of whiskey Grant drank so he could send barrels of it to all his generals. But what about God's people? Were they to fight in the Civil War to "save the nation" like Grant did? The prophet revealed that God's people - in order to keep from breaking God's holy Sabbath - could not fight in such a "singular" war. The prophet revealed that most of the generals were following the suggestions of demons {that's in 1T 364} - masquerading as Revolutionary War generals - which caused great losses and deaths to the Northern armies. You already learned that in our day, Jesuit Georgetown University Bill Clinton revealed on the radio that his wife follows instructions from dead Elinor Roosevelt - who, unbeknown to themselves, is not Mrs. Roosevelt at all {Eccl. 9:5}, but is a demon like the ones who instructed the Civil War generals.

**Charity:** Since God's holy Sabbath is the "seal of God," would I {Charity} be able to run for president, and still keep God's Sabbath day holy, when, ahead of me - on God's Sabbath days - would be 1) political speeches & rallies; 2) association with worldly, joking politicians; 3) restaurants; and 4) political, hoopla parties - where dear Jesus would not be welcomed, and where the type of angels there have ghoulish smiles on their faces? Are political campaigns a Sabbath-breaking trap?

**Faith:** Do church members know how to keep God's Sabbath day holy? Do you think that pastors have taught them? Do pastors themselves know how to keep God's Sabbath holy? Does the Bible reveal it?

**Pastor Jan:** Do you really want to know? **Get ready for a shock** - "If thou turn away thy foot from the sabbath [from stepping on it], from doing thy pleasure on my holy day; and call the sabbath a delight, the holy of the LORD,

I received this letter inviting me to attend the pope's visit. Maybe their computers think that I'm a Roman Catholic. I won't be going to see him, but this visit tells us that they're seeking to unite pastors and religious leaders from around the world to help the Vatican reach her three great goals as revealed thus -

"The Roman Church is far-reaching in her plans and modes of operation. She is employing every device [notice the word, "every"] to extend her influence and increase her power in preparation for a fierce and determined conflict to regain control of the world, to re-establish persecution, and to undo all that Protestantism has done." GC 565,566. His visit to us, to the Congress, to the United Nations, to the President, etc. will help accomplish these goals. And unbeknown to the masses, it will help hasten the persecution, the enforcement of the mark of the beast, and the coming of dear Jesus in the sky. The faithful work of the Jesuits - before he comes - to try to foment race riots; labor union trouble; horrors; chaos; is so that when he comes, he will be seen as just the one whom America needs to raise us from the ashes - to bring peace and safety. After the shocking mass murder in the church last month, the radio commentator said, "At least South Carolina supports the death penalty." People don't suspect that this is what the leaders of Babylon are secretly working for, to be given as a gift to God's Sabbath-keeping people, as revealed in Rev. 13:15-18. They also don't know that the International Tribunal in Brussels has issued a warrant for the arrest of the white pope, the black pope, and the arch-bishop of Canterbury, for molestation and rape of children, their murder, and drinking their blood, as part of the Ninth Circle Jesuit Cult ritual. But their arrest by them will never happen. Why not? Here it is - "And all the world wondered after the beast. And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?... And it was given unto him to make war with the saints, and to overcome them... And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. If any man have an ear, let him hear." Rev. 13:7-9.

honourable; and shalt honour him, not doing thine own ways, nor finding thine own pleasure, nor speaking thine own words: Then shalt thou delight thyself in the LORD; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father: for the mouth of the LORD hath spoken it." Isa. 58:13,14.

Would you like to "ride upon the high places of the earth?" You will if you uphold God's wonderful Sabbath! It's like a joyful date with two lovers. You are one of the lovers. Dear Jesus is the other.

The prophet said, "All who regard the Sabbath as a sign between them and God, will represent the principles of His government. **Every day they will have the companionship of Christ...** [Praise God!]

"While preparation for the Sabbath is to be made all through the week, Friday is to be the special preparation day. [In Bible times, they had no clocks. Therefore, God's Sabbath begins Friday at sunset, and ends Saturday at sunset. "From even unto even, shall ye celebrate your sabbath." Lev. 23:32.]

"On Friday, see that all the clothing is in readiness and that all the cooking is done. Let the boots be blacked and the baths be taken. [Taking a shower on Sabbath seems like such a little thing, like the little piece of fruit Eve took from the serpent.] The Sabbath is not to be given to the repairing of garments, to the cooking of food, to pleasure seeking, or to any other worldly employment. [Faith: What about political rallies on Sabbath for Charity to run for president?]

**Pastor Jan:** “It was a fundamental principle of the order that the end justifies the means. By this code, lying, theft, perjury, assassination, were not only pardonable but commendable, when they served the interests of the church.” GC 235.

**Hope:** Does our kind Father approve of that Jesuit “principle?” Should Sister Charity break God’s Sabbath in order to save the nation?

**Pastor Jan:** The testimony of dear Jesus gives us a hint - “Before the setting of the sun let all secular work be laid aside and all secular papers be put out of sight. Parents, explain your work and its purpose to your children, and let them share in your preparation to keep the Sabbath according to the commandment.

“We should jealously guard the edges of the Sabbath. [Do you know anyone who does that?] Remember that every moment is consecrated, holy time. Whenever it is possible, employers should give their workers the hours from Friday noon until the beginning of the Sabbath. Give them time for preparation, that they may welcome the Lord’s day with quietness of mind. By such a course you will suffer **no loss** even in temporal things. [Our kind Father will pour out “all your need” of money to you.]

“It means eternal salvation to keep the Sabbath holy unto the Lord. God says: **‘Them that honor Me I will honor.’ 1 Sam. 2:30.**

“Before the setting of the sun let the members of the family assemble to read God’s word, to sing and pray. There is need of reform here, for many have been remiss. We should begin anew to make special arrangements that every member of the family may be prepared to honor the day which God has blessed and sanctified...

“In pleasant weather let parents walk with their children in the fields and groves. Amid the beautiful things of nature tell them the reason for the institution of the Sabbath. Describe to them God’s great work of creation. Tell them that when the earth came from His hand, it was holy and beautiful.

“Tell them of the way of salvation; how ‘God so loved the world, that He gave His only-begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.’ John 3:16. Let the sweet story of Bethlehem be repeated. Present before the children Jesus, as a child obedient to His parents, as a youth faithful and industrious, helping to support the family. Thus you can teach them that the Saviour knows the trials, perplexities, and temptations, and that He can give them sympathy and help.

“When starting on a journey we should make every possible effort to plan so as to avoid reaching our destination on the Sabbath. We should keep our minds stayed upon God [on that day] and commune with Him. Whenever there is opportunity we should speak to others in regard to the truth. We should always be ready to relieve suffering and to help those in need. But we should not talk about matters

Happy days! If you look closely, you’ll see that the Pope is holding his wrist = the masonic handshake. Since the man on the left is a Prince Hall mason, and since the man on the right is head of all masonry of the world - wearing the ephod - the man on the right is the superior of the one on the left. His organization helped to put him in the position where he is, and the man on the left must obey him - or suffer the consequences. When the man on the right comes to the U.S. soon, he will give all necessary commands to his masonic servants in the U.S. Congress, in the United Nations, and in the White House. No one goes far in national affairs without being approved by the man on the right, and by his superior - the Supreme Jesuit General - also known as the Black Pope. They will have a part to play in the fulfillment of this statement from the prophet of God -

“The man of sin, who thought to change times and laws, and who has always oppressed the people of God, will cause laws to be made enforcing the observance of the first day of the week.” 7BC 975. Notice the word “cause.”

“Here the great crisis is coming upon the world. The Scriptures teach that popery is to regain its lost supremacy, and that the fires of persecution will be rekindled through the timeserving concessions of the so-called Protestant world.” 2SM 367.

“The whole world is to be stirred with enmity against Seventh-day Adventists, because they will not yield homage to the papacy by honoring Sunday, the institution of this antichristian power. It is the purpose of Satan to cause them to be blotted from the earth, in order that his supremacy of the world may not be disputed.” *Maranatha*, p. 217.

**Prince Anthony likes to help his Mama. Helping Mama makes little ones happy.**

of business or engage in any common, worldly conversation. At all times and in all places God requires us to prove our loyalty to Him by honoring the Sabbath... [“Nor speaking thine own words.” Isa. 58:13. I know a person who on Sabbath, avoids those who talk about worldly things. Do you know anyone who talks about worldly things on God’s holy Sabbath? Do you know anyone who doesn’t?]”

“All heaven is keeping the Sabbath, but not in a listless, do-nothing way. On this day every energy of the soul should be awake, for are we not to meet with God and with Christ our Saviour? He is longing to refresh and bless every soul.

“**No sooner** does the child of God approach the mercy seat than he [instantly!] becomes the client of the **great Advocate**. [Praise God!] At his **first utterance** of penitence and appeal for pardon **Christ espouses his case** and makes it His own, presenting the supplication before the Father as His own request. [Because of that - all your sins are pardoned! They’re gone!!! Praise God! Our kind Father and dear Jesus are smiling at you! What more could anyone want?]

“As Christ intercedes in our behalf, the Father lays open **all the treasures** of His grace for our appropriation, to be enjoyed and communicated to others. [Praise God!] ‘Ask in My name,’ Christ says, ‘ask, and ye shall receive, that **your joy** may be full.’ John 16:24.” 6T 354-364. This is what God’s holy Sabbath is all about - eternal joy with Him - **peace - rest - no worries - forever!**

At the end of the WND article, it gave the responses of a number of people responding to the surging numbers of Dr. Ben Carson. In response, one poor soul said, “Isn’t Ben a Sabbath keeper? If so, this won’t last long when people find out that he’s part of a ‘cult,’ lol.” What does “lol” mean? It means, “laugh out loud.”

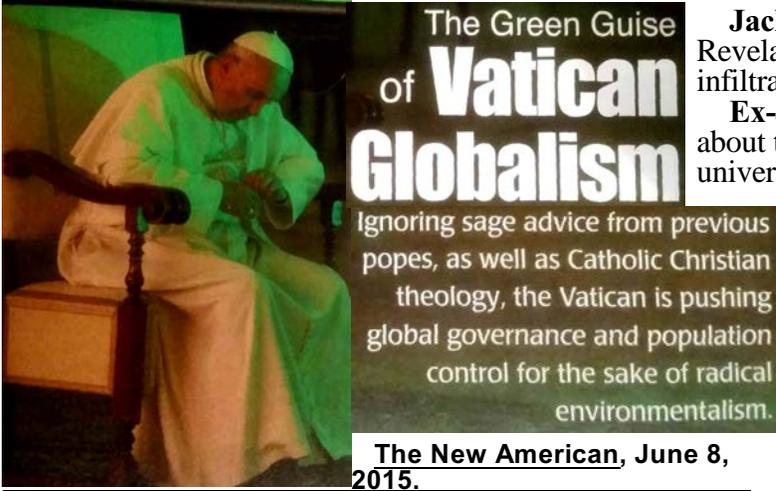

**Pastor Jan:** The prophet of God said -

“We shall be attacked on **every point**; we shall be tried to the utmost... The powers of darkness will **open their batteries** upon us; and all who are indifferent and careless, who have set their affections on their earthly treasure, and who have not cared to understand God’s dealings with His people, will be ready victims.” *Maranatha*, p. 217.

The following conversation is from a taped interview with Jack Chick of “Chick Publications;” the ex-Jesuit priest {Alberto Rivera}; and SDA ministers and church members in the room.

**Ex-Jesuit Priest:** In order to maintain their disguise, and to uphold the Roman Catholic institution as a Christian church, a Jesuit can go so far as to say that the pope is an antichrist, and still be in favor. After the Vatican II Council, they can debate anything. They’ve been granted license for it.

Many of the things that were planned in the Vatican II Council are coming to pass now. And as the days go by, I’m in a better position to deal with this ugly, horrifying matter of infiltration and penetration, because they are ugly, they are horrifying, and they are scary. What the Jesuit wants to see is a complete unbalanced situation of any Christian denomination. Wherever the pure principles of Christianity are being defended, the Jesuits will have something to do.

The shocking article says, "Pope Francis invited dozens of U.N. top brass to an April global-warming conference in Rome... The outcome was a joint statement [by the Vatican & the U.N.] to help build a global movement across all religions. The U.N. Secretary-General, Ban Ki-moon, delivered the opening address... In Laymen's terms, the 'joint' statement says that greedy capitalist pigs and unsterilized masses are destroying Mother Earth, and the only way to avoid catastrophe is immediate submission to the statist, pro-abortion [abortions for Protestants - not for Catholics] population control agenda of the godless United Nations... [Rome hates free Capitalism - which helped to make America great - and loves Fascism - with one man like Hitler at the head - whom the Vatican can secretly control] The Vatican recommends 'reaching a level and sustainable population.'"

One billion people has been set as that level. That means that the many papal connected organizations are set for the extermination of billions of people. Will they wait for the predicted death decree from the Sunday law {Rev. 13:15} to aid in that? Concerning the giant push behind the scenes to repudiate the U.S. Constitution - {leading to that law}, Rush Limbaugh - just today - said, "Just seven years ago, this country was nowhere near the psychological sewer that it's in today. Global government, the elimination of the U.S. Constitution, the end of individual liberty and private property, [the farce of] "climate change" - has every mechanism to eliminate everything that liberals oppose. That's why they're getting the Pope to join with them - giving the liberal movement automatic authority."

These things are part of the "every device to extend her influence and increase her power in preparation for a fierce and determined conflict to regain control of the world, to re-establish persecution, and to undo all that Protestantism has done. The Roman Church is far-reaching in her plans and modes of operation. The Protestant churches are in great darkness, or they would discern the signs of the times." GC 565,566. If you want this amazing article, just send anything to help cover the shipping. Anything above that will be used to help us reach as many as fast as we can before the devil and his faithful slaves can murder far more of the dear people.

258. What we've seen the devil and dear Jesus do in the past, has a bearing on what will happen in the future. Please give us an illustration of that.

**Pastor Jan:** Watch closely - "With their loins girt, with sandaled feet, and staff in hand, the people of Israel had stood, hushed, awed, yet expectant, awaiting the royal mandate that should bid them go forth." PP 281. That's the way God's dear people will stand on the day that the Son of God appears in the sky with billions of angels. Can you picture that?!

"In Egypt the report was spread that the children of Israel, instead of tarrying to worship in the desert, were pressing on toward the Red Sea. [Praise God!] Pharaoh's counselors declared to the king that their bondmen had fled, never to return. The people deplored their folly in attributing the death of the first-born to the power of God. Their great men, recovering from their fears, accounted for the plagues as the result of natural causes. 'Why have we done this, that we have let Israel go from serving us? was the bitter cry... Pharaoh collected his forces, 'six hundred chosen chariots, and all the chariots of Egypt.' The king himself, attended by the great men of his realm, headed the attacking army..."

"The Hebrews were encamped beside the sea... Suddenly they beheld in the distance the flashing armor and moving chariots betokening the advance guard of a great army. As the force drew nearer, the hosts of Egypt were seen in full pursuit. Terror filled the hearts of Israel... But now, as the Egyptian host approached them,

**Jack Chick:** Unless the pastor exposes the Whore of Revelation for what she is, they'll never be able to get rid of the infiltrators who have moved in.

**Ex-Jesuit Priest:** That is the truth. Let me tell you a little about the Gregorian University in Rome. Of course, it's a Jesuit university. It is located on the second Vatican hill. That happens to be the hill dedicated to the destruction of **the United States of America!**

**Jack Chick:** Every major nation has a college - to train the Jesuits to destroy them.

**Ex-Jesuit Priest:** Yes. The particular American college is built on the second hill of the seven hills. The roots of the take-over of America have been demonstrated as never before.

[The Vatican secretly controls Communist countries just as she controls the Islamic countries and the Catholic countries. But her main target is the United States. In the U.S., her main target is the Protestants. And among them, her main target is Seventh-day Adventists.]

**Jack Chick:** In the Bible belt, Catholics are moving in from Mexico and other Catholic countries, and marrying every Protestant girl they can get their hands on to help fulfill the papal goal of making America Catholic. Rome is really on the offensive. Dr. Rivera shared with me what he learned in the Vatican concerning their plans for the U.S. Dr. Rivera revealed what took place on the last night of the Vatican II Council when they told the world that we are all brothers and sisters in Christ. Instead of calling Protestants "heretics," they now would call us "separated brethren." They put on a whole new face. But in another section of the Vatican there was a whole different picture. Dr. Rivera happened to be in that meeting. The Supreme Jesuit General [the Black Pope] was present. And all the Jesuits under extreme oath and induction were there. [The present pope is one of those Jesuits.] How many were there? Over 200?

**Ex-Jesuit Priest:** Yes, over that.

**Jack Chick:** These were hit men - professional killers for the Vatican. The head of the inquisition was present [that's the office that Pope Benedict XVI had before becoming pope.] And Jesuit generals from around the world had been flown in for this special meeting. This was one of the most important meetings ever held in the Vatican.

**Ex-Jesuit Priest:** Rome's efforts to regain control of the world were seen in the two world wars, but the Vatican's planned massacre will be greater than those wars. This will be the last act of the Roman Catholic institution.

**Pastor Jan:** "Planned massacre?" Let the fiends plan all they want. They don't know what our kind Father has planned! I have so much more of the amazing conversation of these people that I have to give it to you in my next letter. Don't miss it! And you may make copies of these letters for others.

**Faith:** The prophet said, "History is repeating." DA

Dear Pastor Jan,

Greetings to you! I grew up as a Roman Catholic. I am an inmate in prison and have been distributing your book "National Sunday Law" for well over a year to the inmates and the guards. Not long ago, one of my coworkers told me that I am a demon for abandoning the pope and the Catholic faith, and that I should be treated as a heretic! The first thing that came to my mind was the dark ages. History will repeat itself. I thank God and Jesus for giving me His Spirit to pass the truth to others, and to be a soldier in the army of Jesus Christ. May God bless you for the good work you are doing. Amen. Sincerely your Brother in Jesus Christ, L.S.

expecting to make them an easy prey, the cloudy column rose majestically into the heavens, passed over the Israelites, and descended between them and the armies of Egypt. [Dear Jesus was in there! Praise God!] A wall of darkness interposed between the pursued and their pursuers. The Egyptians could no longer discern the camp of the Hebrews, and were forced to halt. But as the darkness of night deepened, the wall of cloud became a great light to the Hebrews, flooding the entire encampment with the radiance of day. [Wonderful Jesus!] Then hope returned to the hearts of Israel... ‘And the Lord said unto Moses... lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea.’ The Psalmist sang, ‘Thy way was in the sea, and Thy paths in the great waters, and Thy footsteps were not known.’ Ps 77:19,20. As Moses

“Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you**... Eternal joy—a life of undimmed happiness—awaits the one who surrenders all to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear Jan Marcussen,

When I first received the book “National Sunday Law,” I didn’t read it for a while. But one morning, I decided to read it, so I picked it up. On the first page it said, “The Two Horned Beast.” I could not stop reading it! In “National Sunday Law” I learned things that I’d never learned in any book I’d ever read! Light came into my mind. Thank you very much! How grateful I am to have received it. Alvin Cross VA

stretched out his rod the waters parted, and Israel went into the midst of the sea, upon dry ground, while the waters stood like a wall upon each side. The light from God’s pillar of fire shone upon the foam-capped billows, and lighted the road that was cut like a mighty furrow [Praise God!] through the waters of the sea, and was lost in the obscurity of the farther shore.

“The Egyptians pursued and went in after them to the midst of the sea, even all Pharaoh’s horses, his chariots, and his horsemen.

And it came to pass, that in the morning watch the Lord looked unto the host of the Egyptians through the pillar of fire and of the cloud, and troubled the host of the

Egyptians.’ The mysterious cloud changed to **a pillar of fire** before their astonished eyes. The thunders pealed and the lightnings flashed. ‘The clouds poured out water; the skies sent out a sound: Thine arrows also went abroad. The voice of Thy thunder was in the whirlwind; the lightning lightened the world: the earth trembled and shook.’ Ps 77:17,18.

“The Egyptians were seized with confusion and dismay. Amid the

wrath of the elements, in which they heard the voice of an angry God, they endeavored to retrace their steps and flee to the shore they had quitted. But Moses stretched out his rod, and the piled-up waters, hissing, roaring, and eager for their prey, rushed together and swallowed the Egyptian army in their black depths.

“As morning broke it revealed to the multitudes of Israel all that remained of their mighty foes—the mail-clad bodies cast upon the shore. [It was like when they will try to kill God’s obedient people, and dear Jesus will save us - when there appears to

be no hope!] From the most terrible peril, one night had brought complete deliverance. [Praise God!] That vast, helpless throng—bondmen unused to battle, women, children, and cattle, with the sea before them, and the mighty armies of Egypt pressing behind—had seen their path opened through the waters and their enemies overwhelmed in the moment of expected triumph. Jehovah alone had brought them deliverance, and to Him their hearts were turned in gratitude and faith. Their emotion found utterance in songs of praise. The Spirit of God rested upon Moses, and he led the people in a triumphant anthem of thanksgiving, the earliest and one of the most sublime that are known to man.

“I will sing unto Jehovah, for He hath triumphed gloriously; The horse and his rider hath He thrown into the

Dear Pastor Jan,

Having prayed for wisdom to understand things relating to Bible prophecy, I was amazed when I found a copy of the book *National Sunday Law* in my mail box (and wondered who had put it there). God is bringing His remnant together and equipping them for the final chapter of His plan! It is wonderful to have found in the SDA church such great knowledge of Scripture as is in *National Sunday Law*. May God bless you as you continue your very important ministry. I would be grateful if you could put me on your mailing list for your newsletter.

Sincerely, J. Langley Canada

Dear Pastor Jan,

Your newsletters are packed with so much truth and knowledge that I desire to become a Seventh-day Adventist! God has been speaking to my heart every time I read your letters. I’ve been blinded by the temptations of the devil, but now I desire to go all the way with God. Through your letters, God has been putting it in my heart that Seventh-day Adventists have the real Bible truth. Your letters are so powerful that I want to start attending Seventh-day Adventist services. I’m thankful that God has allowed this to happen in my life. Sincerely, Daniel F.

Dear Pastor Marcussen,

The “National Sunday Law” book I received helped me to come out of the Baptist Church and become a Seventh-day Adventist. I pass them out wherever I go. I’m thankful to know the truth. Sincerely, H.F.

Dear Jan Marcussen,

I read your book “National Sunday Law.” You explained the prophecies of the last days better than any book I’ve ever read. Please send me “Great Controversy.” I want to learn why sin and suffering were permitted, and who are the angels. I really like your book. I will tell my friends to read it. With love in Christ, Cindy

sea. The Lord is my strength and my song, And He is become my salvation: This is my God, and **I will praise Him**; My father's God, and I will exalt Him. The Lord is a man of war: Jehovah is His name.' Far over desert and sea rang the joyous refrain, and the mountains re-echoed

the words of their praise — 'Sing ye to **Jehovah**, for He hath triumphed gloriously...'

**"Like the voice of the great deep, rose from the vast hosts of Israel that sublime ascription...**

"That song does not belong to the Jewish people alone. It points forward to the destruction of all the foes of righteousness and the **final victory** of the Israel of God. [Praise the Lord!] The prophet of Patmos beholds the white-robed multitude that have 'gotten the victory,' standing on the 'sea of glass mingled with fire,' [There you are!!] having 'the harps of God. And they sing the song of Moses the servant of God, and the song of the Lamb.' Rev 15:2,3.

"Not unto us, O Lord, not unto us, but unto Thy name give glory, for Thy mercy, and for Thy truth's sake.' Ps 115:1. Such was the spirit that pervaded Israel's song of deliverance, and it is the spirit that should dwell in the hearts of all who love and fear God. In freeing our souls from the bondage of sin, God has

wrought for us a deliverance **greater** than that of the Hebrews at the Red Sea. Like the Hebrew host, we should **praise the Lord** with heart and soul and voice for His 'wonderful works to the children of men.'

"The cloud that was a wall of darkness to the Egyptians was to the Hebrews a great **flood of light**, illuminating the whole camp, and **shedding brightness** upon the path before them. So the dealings of

**Providence** bring to the unbelieving, darkness and despair, while **to the trusting soul** they are full of **light and**

**peace.** The path where **God** leads the way may lie **through the desert** or the

sea, but it is **a safe path."** PP 281- 290. **Praise God friend! Praise God!**

**Announcements**

1) You have my permission to make copies of this letter for others. If you do, someone will be in heaven who would have been lost.

2) I praise our kind Father that we have over 90% of what we need to reach another million souls in selected cities in all 50 states in the great 100 Million Man March. If our kind Father impresses you to help us reach this goal, mark it below.

3) I will still give all 16 CCA DVDs free to all who get 1000 NSL preachers to help save souls for a donation of 49¢ each with free shipping in the U.S. God's people are having us to bulk mail them, and they're also putting them on doorsteps, sidewalks, benches, parking lots, laundromats, restrooms, and any place people sit, walk, wait, or go. God gets all the praise.

4) "Come join our happy crew, we're bound for Canaan's shore. The Captain says there's room for you! - and room for millions more."

Dear A. Jan Marcussen,  
A great cloud has been blown away from me by the great truths in your book! I want to say "Thank you" from the bottom of my heart! After reading "National Sunday Law," I feel tremendously enlightened. I can't remember when I was so spiritually stimulated and affected by any literary work. I have a thirst for truth. As a result of "National Sunday Law," I have met with 5 of my friends, and have shared with them the facts of God's true seventh-day Sabbath. Now I have a tremendous, peaceful, contented feeling. I have this peace and joy ever since your book came into my life. Reading it has changed my whole life, which only our Lord Jesus Christ can do. It is my intention to let others know about your wonderful book! God bless you and thank you! Your brother in Christ, Richard
