The giant Concorde, heading from Paris to New York City, runs over debris which flies up and punctures its fuel tank. It then crashes into a hotel. The people are enjoying the view out the window or watching T.V. in the hotel when all of a sudden they see Jesus in the sky. Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we'll talk about what's happening.

**Faith:** In the Bible dear Jesus said, “Behold, I come quickly.” Since His words were written 2,000 years ago, why did He use the word, “quickly?” How can 2,000 years be “quickly?”

**Pastor Jan:** He said it because it's the truth. How can it be true? It's true for the people who read it 2,000 years ago, and it's true for us now, and it's true for everyone in between.

Abel died 6,000 years ago. He's not in heaven, hell, or purgatory. He's just “sleeping,” John 11:11, knowing “not anything.” Eccl. 9:5. But the very moment that the deadly blow from Cain fell upon him, it seems to Abel that he goes from looking at Cain, to looking at Jesus - instantly. To him, 6,000 years goes by “quickly.” That's why Jesus called death a “sleep” {Luke 8:51 & John 11:11.} A deep sleep. You've been in a deep sleep. You go from looking at the dark wall to instantly looking at the light room. When I was 6, they took my tonsils out. They told me that I was going to go to sleep, and while I was wondering when they were going to come and get me out of bed to do the operation, they told me that it was all over! I was amazed! That's what Jesus meant by “quickly,” and that's what He meant when He said, “In such an hour as ye think not, the Son of man cometh.”

As time gets shorter and shorter, our kind Father gives the world more and more signs of Christ's soon coming, because once probation ends, that's it - forever!

**Hope:** What other signs are screaming at the masses that we're in the end of the world?

**Pastor Jan:** Are you ready? Here we go -

Paul Walker and Roger Rodas get into the Porsche Carrera GT. They enjoy going 100 mph when they hit a tree and burn to a crisp. “In such an hour as ye think not, the son of man cometh.”

“And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon... And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.” Rev. 13:11,15.

### Secret Human Experimentation

<http://www.healthnewsnet.com/humanexperiments.html>

1931 Dr. Cornelius Rhoads, under the auspices of the Rockefeller Institute for Medical Investigations, infects human subjects with cancer cells. He later goes on to establish the U.S. Army Biological Warfare facilities in Maryland, Utah, and Panama, and is named to the U.S. Atomic Energy Commission. While there, he begins a series of radiation exposure experiments on American soldiers and civilian hospital patients.

1940 Four hundred prisoners in Chicago are infected with Malaria in order to study the effects of new and experimental drugs to combat the disease. Nazi doctors later on trial at Nuremberg cite this American study to defend their own actions during the Holocaust.

1942 Chemical Warfare Services begins mustard gas experiments on approximately 4,000 servicemen. The experiments made use of Seventh Day Adventists who chose to become human guinea pigs rather than serve on active duty.

**Pastor Jan:** After I was drafted into the army {just 5 years before I met Sweet Vennita} they told us Seventh-day Adventists that we could join the “White Coats.” They told us that if we join them, instead of going overseas and being put in harm’s way with bullets and bombs, we could just roost in Washington D.C. and take some medicine once in a while - so they could see how it went - and then we could go back to our nice apartments, and take it easy the rest of the week. How does that sound? We had no idea of what deadly poisons we might receive, and fortunately, I didn’t join them.

1943 In response to Japan's full-scale germ warfare program, the U.S. begins research on biological weapons at Fort Detrick, MD.

Here’s TransAsia Airways Flight 235. An engine flame-out causes it to topple and crash into the Keelung River. As the people look at the pretty river out the window, they don’t know that before they can count to 10, they’ll be dead. “In such an hour as ye think not, the son of man cometh.”

1950 Department of Defense begins plans to detonate nuclear weapons in desert areas and monitor downwind residents for medical problems and mortality rates.

1950 In an experiment to determine how susceptible an American city would be to biological attack, the U.S. Navy sprays a cloud of bacteria from ships over San Francisco. [The chem trails today from large jets accomplish much more today than they could in 1950.] Monitoring devices are situated throughout the city in order to test the extent of infection. Many residents become ill with pneumonia-like symptoms. [Pastor Jan: Concerning things like this, the prophet said that Satan “will bring disease and disaster, until populous cities are reduced to ruin and desolation. Even now he is at work. In accidents and calamities by sea and by land, in great conflagrations, in fierce tornadoes and terrific hailstorms, in tempests, floods, cyclones, tidal waves, and earthquakes, in every place and in a thousand forms, Satan is exercising his power. He sweeps away the ripening harvest, and famine and distress follow. **He imparts to the air a deadly taint**, and thousands perish by the pestilence. These visitations are to become more and more frequent and disastrous. Destruction will be upon both man and beast. ‘The earth mourneth and fadeth away,’ ‘the haughty people... do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant.’ Isa. 24:4,5.]

“And then the great deceiver will persuade men that those who serve God are causing these evils. The class that have provoked the displeasure of Heaven will charge all their troubles upon those whose obedience to God’s commandments is a perpetual reproof to transgressors. It will be declared that men are offending God by the violation of the Sunday sabbath; that this sin has brought calamities which will not cease until Sunday observance shall be strictly enforced.” GC 589,590.

1951 Department of Defense begins open air tests using disease-producing bacteria and viruses. There is concern that people in the surrounding areas have been exposed.

Here’s Joe Kelly with his two sons at a Yankees ball game Sept 10. They don’t know that when he goes to work in the Twin Towers the next morning he’ll be dead. “In such an hour as ye think not, the son of man cometh.”

1944 U.S. Navy uses human subjects to test gas masks and clothing. Individuals were locked in a gas chamber and exposed to mustard gas and lewisite.

1945 Project Paperclip is initiated. The U.S. State Department, Army intelligence, and the CIA recruit Nazi scientists and offer them immunity and secret identities in exchange for work on top secret government projects in the United States.

1946 Patients in VA hospitals are used as guinea pigs for medical experiments.

1947 Colonel E.E. Kirkpatrick of the U.S. Atomic Energy Commission issues a secret document (Document 07075001, January 8, 1947) stating that the agency will begin administering intravenous doses of radioactive substances to human subjects.

1947 The CIA begins its study of LSD as a potential weapon for use by American intelligence. Human subjects (both civilian and military) are used with and without their knowledge.

Here’s the famous actor James Dean from the movie, “Rebel Without a Cause.” As he gets into his new Porsche and blasts out of there on his way to a race, he doesn’t know that he will quickly crash and be dead. “In such an hour as ye think not, the son of man cometh.”

1953 U.S. military releases clouds of zinc cadmium sulfide gas over Winnipeg, St. Louis, Minneapolis, Fort Wayne, the Monocacy River Valley in Maryland, and Leesburg, Virginia. Their intent is to determine how efficiently they could disperse chemical agents.

1953 CIA initiates Project MKULTRA. This is a research program designed to produce and test drugs and biological agents that would be used for mind control and behavior modification. They test mind-altering chemical agents on unwitting human beings. [Pastor Jan: You've already learned that Cathy O'Brian, along with many other children who had been molested at home, was taken into this program and made a human robot through constant drugs, hypnosis, and methods that Jesuits and their father conjured up in the basements of Roman Catholic Churches, and at NASA - where she was taken. You learned that she was used as a sex slave, and used to deliver classified messages and drugs at the White House to presidents, congressmen, etc. You learned that she delivered messages and drugs to Jesuit Georgetown University Bill Clinton, but Cathy said that he did not molest her in the White House because his lesbian wife Hillary sexually molested her. You already learned in my Mid May letter that they made the White House a "Little House of Horrors." Does it seem to you that Jesus is coming soon?]

**Charity:** Will the rainbow colored White House ever again be made a "Little House of Horrors" before a national Sunday law is signed?

**Pastor Jan:** It's a secret. You learned how an army contractor named Mark Phillips kidnaped Cathy O'Brian and helped her get her mind back. You learned that our kind Father blessed his efforts to help her, and that they were later married in a happy home. You learned that they both went around the country exposing "MKULTRA" as a human robotic sex slave program for the benefit of top officials who are very distinguished and well respected sex fiends.

1955 The CIA, in an experiment to test its ability to infect human populations with biological agents, releases a vast amount of bacteria over Tampa Bay, FL.

Dear Pastor Jan,

I have had my head in the sand. I've been loving fun more than reality. One day as I went to get the newspaper I found the book, "National Sunday Law." I thought that unity in the Sunday law is just what the world needs. I thought that I would be the one in charge of petitioning everyone in my area to be in favor of the Sunday law. So I took the book home and read it. Just hours later I was a Sabbath-keeper! I was converted to Jesus and to God's holy Sabbath! Praise God! Soon, my husband and daughter followed my lead. What a lot of lives this one little book has changed! We must get many more of these NSL books into the people's hands! Starting this Sabbath, my friends and I will be getting together after church each Sabbath to cover doorsteps with these little preachers. Please pray for us as we pray for you. In Christ, P.N.

our people to locate miles away from the large cities. This was written 110 years ago, so what condition is San Francisco, and other dens of hell in now!!! Soon, God is going to allow the devil to destroy them.

1968 The CIA experiments with drinking water by injecting chemicals into the water supply in Washington, D.C. You can understand such behavior only when you know that the CIA is controlled by the Jesuits of Rome. The prophet of God exposes this powerful order thus - "The first triumphs of the Reformation past, Rome summoned new forces, hoping to accomplish its destruction. At this time the order of the Jesuits was created, the most cruel, unscrupulous, and powerful of all the champions of popery. Cut off from earthly ties and human interests, dead to the claims of natural affection, reason and conscience wholly silenced, they knew no rule, no tie, but that of their order, and no duty but to extend its power... There was no crime **too great** for them to commit, no deception **too base** for them to practice, no disguise **too difficult** for them to assume. Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be devoted to the overthrow of Protestantism, and the re-establishment of the papal supremacy. When appearing as members of their order, they wore a garb of sanctity, visiting prisons and hospitals, ministering to the sick and the poor, professing to have renounced the world, and bearing the sacred name of Jesus, who went about doing good. But under this blameless exterior the most criminal and deadly purposes were often concealed. It was a fundamental principle of the order that the end justifies the means. By this code, lying, theft, perjury, assassination, were not only pardonable but commendable, when they served the interests of the church. Under various disguises the Jesuits worked their way into offices of state, climbing up to be the counselors of kings, and **shaping the policy of nations**. They became servants to act as spies upon their masters. They established colleges for the sons of princes and nobles, and schools for the common people... The Jesuits rapidly spread themselves over Europe, and wherever they went, there followed a revival of popery." GC 234,235.

1969 Dr. Robert MacMahan of the Department of Defense requests from Congress \$10 million to develop, within 5 to 10 years, a synthetic biological agent to which no natural immunity exists.

Here's Prince Adrian - 10, Prince Anthony - 4; and who is pushing them? It's Sweet Vennita! Hi Sweetheart!

1955 Army Chemical Corps continues LSD research, studying its potential use as a chemical incapacitating agent. More than 1,000 Americans participate in the tests.

1956 U.S. military releases mosquitoes infected with Yellow Fever over Savannah, GA and Avon Park, FL. Army agents posing as public health officials test victims for effects.

1960 The Army Assistant Chief-of-Staff for Intelligence (ACSI) authorizes field testing of LSD in Europe and the Far East. Testing in Europe is code named Project THIRD CHANCE.

1965 The CIA and Department of Defense begin Project MKSEARCH, a program to develop a capability to manipulate human behavior through mind-altering drugs. It's in 1965 that the Vatican II Council in Rome was ended, and Jesuits were sent out to infiltrate governments, churches, and society to cause chaos, assassinations, crime, mind control, poisoning of the population, and war - for one end - that Rome should rule. {GC 565,566.}

1966 U.S. Army dispenses "harmless" Bacillus Subtilis throughout the New York City subway system. More than a million civilians are exposed when army scientists drop light bulbs filled with the bacteria onto tracks and ventilation grates.

**Pastor Jan:** You can see why the prophet of God said, "Out of the cities, is my message at this time. Be assured that the call is for

Dear Pastor Jan,

A friend of mine got a call from her sister saying that everyone in her town received the book, "National Sunday Law." Her Sunday pastor made a desperate attempt to get his church and the community to dump the book in the trash. "Don't read that book!" he urged his congregation. [Praise God!] The sister was quite amazed at his false accusations against God's holy Sabbath and against Seventh-day Adventists. The pastor put an article in the newspaper with headlines that read, "Dump This Book!" In the article, he sounded desperate! The article was 24 inches long - that is 2 feet long! His assertions were erroneous and false. While he told the people to read their Bibles, he did not offer one Bible text to support his claims. What his newspaper article did was to greatly advertise the "National Sunday Law" book so that now, many more people are reading it and searching into its Bible message! [God is stronger than the devil!] Praise the Lord! Your fellow servant in Christ, R.A.

1970 Funding for the synthetic biological agent is obtained under H.R. 15090. The project, under the supervision of the CIA, is carried out by the Special Operations Division at Fort Detrick, MD, the top secret biological weapons facility.

1975 The virus section of Fort Detrick's Center for Biological Warfare Research isolates a virus to which no immunity exists. It is named HTLV (Human T-cell Leukemia Virus). [Who would dream that the wicked scientists are guided by demon possessed agents of Rome? "For in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:24.]

1977 Senate hearings on Health and Scientific Research confirm that 239 populated areas had been contaminated with biological agents between 1949 and 1969. These areas included San Francisco, Washington, D.C., Minneapolis, St. Louis, etc.

1978 Experimental Hepatitis B vaccine trials conducted by the CDC, begin in New York, Los Angeles and San Francisco. Ads for research subjects ask for promiscuous homosexual men.

1981 The first cases of AIDS are confirmed in homosexual men in New York, Los Angeles and San Francisco.

1986 A report to Congress reveals that the U.S. Government's current generation of biological agents includes: modified viruses, naturally occurring toxins, and agents that are altered through genetic engineering to change the immunological character and prevent treatment by all existing vaccines.

1987 Department of Defense admits that, despite a treaty banning research and development of biological agents, it continues to operate research facilities at 127 facilities and universities around the nation. Notice - "universities."

1990 More than 1500 six-month old babies in Los Angeles are given an 'experimental' measles vaccine that had never been licensed for use in the United States. CDC later admits that parents were never informed that the vaccine being injected in their children was experimental.

1994 With a technique called 'gene tracking,' Dr. Garth Nicolson at the Anderson Cancer Center discovers that many returning Desert Storm veterans are infected with an altered strain of Mycoplasma Incognitus, a microbe used in biological weapons.

1994 Senator John D. Rockefeller issues a report revealing that for at least 50 years the Department of Defense has used hundreds of thousands of military personnel in human experiments and for intentional exposure to dangerous substances. Materials included mustard and nerve gas, ionizing radiation, psychochemicals, hallucinogens, and drugs used during the Gulf War.

1995 U.S. Government admits that it had offered Japanese war criminals and scientists who had performed human medical experiments, immunity from prosecution, plus a salary, in exchange for data on biological warfare research.

1997 Eighty-eight members of Congress sign a letter demanding an investigation into bioweapons use & Gulf War Syndrome.

And things that are happening behind the scenes now are bringing us even closer to the coming of Jesus than the horrors committed before 1997.

**Charity:** Is there a parallel to our day that can help us understand the spiritual battle ahead of us?

**Pastor Jan:** God's prophet said - "The shrieks and wails of the mourners filled the air. King and courtiers, with blanched faces and trembling limbs, stood aghast at the overmastering horror. Pharaoh remembered how he had once exclaimed, 'Who is Jehovah, that I should obey His voice to let Israel go? I know not Jehovah, neither will I let Israel go.' Now, **his heaven-daring pride humbled in the dust**, he 'called for Moses and Aaron by night, and said, Rise up, and get you forth from among my people, both ye and the children of Israel; and go, serve the Lord, as ye have said... And be gone; and bless me also...'

"Before the morning broke, they were on their way... And the Lord went before them by day in a pillar of cloud, to lead them the way; and by night in a pillar of fire, to give them light..."

"In Egypt the report was spread that the children of Israel, instead of tarrying to worship in the desert, were pressing on toward the Red Sea. Pharaoh's counselors declared to the king that their bondmen had fled, never to return. The people deplored their folly in attributing the death of the first-born to the power of God. Their great men, recovering from their fears, accounted for the plagues as the result of natural causes. 'Why have we done this, that we have let Israel go from serving us?' was the bitter cry. Pharaoh collected his forces, 'six hundred chosen chariots, and all the chariots of Egypt.' The king was resolved to intimidate the Israelites by a grand display of his power.

"The Hebrews were encamped beside the sea, whose waters presented a seemingly impassable barrier before them, while on the south a rugged mountain obstructed their further progress. Suddenly they beheld in the distance the flashing armor and moving chariots betokening the advance guard of a great army. As the force drew nearer, the hosts of Egypt were seen in full pursuit. Terror filled the hearts of Israel. Some cried unto the Lord, but far the greater part hastened to Moses with their complaints: 'Because there were no graves in Egypt, hast thou taken us away to die in the wilderness?'

"Moses was greatly troubled that his people should manifest so little faith in God, notwithstanding they had repeatedly witnessed the manifestation of His power in their behalf... His calm and assuring reply to the people was, '**Fear ye not, stand still, and see the salvation of the Lord**, which He will show to you today: for the Egyptians whom ye have seen today, ye shall see them again no more forever. **The Lord shall fight for you, and ye shall hold your peace.**'

"It was not an easy thing to hold the hosts of Israel in waiting before the Lord. They expected speedily to fall into the hands of their oppressors, and their wailings were loud and

Dear A. Jan Marcussen,

Having grown up as a Roman Catholic, I was shocked when learning the truth from your book, "National Sunday Law." I had been praying to the heavenly Father to help me understand Revelation. Now I understand! And I give my life today to God and to our Lord Jesus Christ. God is filling my heart with love, joy, and hope. This past Saturday, I felt overjoyed to honor God's holy Sabbath on Saturday for the first time! I can see that I was worshiping the beast, and he thinks that he is God! I wish that all people could see what I now see. It wasn't an accident that I received your book. I must get God's truth out to the people! They are blind. Oh how many are dying without the truth! Thank you again, and may God bless you. Y.C.

Dear A. Jan Marcussen,

I received your book "National Sunday Law" in the mail. It was shocking, yet it made sense to me! Since reading "National Sunday Law," I have renewed my relationship with Christ. I'm also sharing this book with others in hopes that their eyes will be opened. Thank you for writing such an incredible book! It's just what the people need! A.S.

Dear A. Jan Marcussen,

This book "National Sunday Law" is so amazing and shocking that I could not believe what I was reading! I tried to forget what I had read, but I couldn't. Now, I believe it, and am reading it again along with my Bible. I'm going to give these books out to people! I use to go to church on Sunday. No more! All this truth took a while to sink in, but it has! I want everyone else to believe it too! God is good, and Jesus is a good Lord and Saviour! Thank you so much for this book! G. Davis

deep. [That's the panic many will have when the devil's Sunday law is passed.] The wonderful pillar of cloud had been followed as the signal of God to go forward; but now they questioned among themselves if it might not foreshadow some great calamity; for had it not led them on the wrong side of the mountain, into an impassable way? Thus the angel of God appeared to their deluded minds as the harbinger of disaster. [Hope: I can imagine Pharaoh saying, "The God of Moses is a poor general. He leaves them no retreat."]

"But now, as the Egyptian host approached them, expecting to make them an easy prey, the cloudy column rose majestically into the heavens, [there's Jesus in there!] passed over the Israelites, and descended between them and the armies of Egypt. A wall of darkness interposed between the pursued and their pursuers. The Egyptians could no longer discern the camp of the Hebrews, and were forced to halt. But as the darkness of night deepened, the wall of cloud became a great light to the Hebrews, flooding the entire encampment with the radiance of day.

"Then hope returned to the hearts of Israel. [Praise God!] 'And the Lord said unto Moses... speak unto the children of Israel, that they go forward. But lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea...'

"As Moses stretched out his rod the waters parted, and Israel went into the midst of the sea, upon dry ground, while the waters stood like a wall upon each side. The light from God's pillar of fire shone upon the foam-capped billows, and lighted the road that was cut like a **mighty furrow** through the waters of the sea, and was lost in the obscurity of the farther shore.

"The Egyptians pursued, and went in after them to the midst of the sea, even all Pharaoh's horses, his chariots, and his horsemen. And it came to pass, that in the morning watch the Lord looked unto the host of the Egyptians through the pillar of fire and of the cloud, and troubled the host of the Egyptians. The thunders pealed and the lightnings flashed. 'The clouds poured out water; the skies sent out a sound:

Dear A. Jan Marcussen,

I would just like to thank you for writing such an amazing book as "National Sunday Law." It's one godly piece of work. I was amazed by it. I had fallen off the track of truth but now I've recovered my footsteps on the path of righteousness with Jesus. May God bless you! Sincerely, Jessie

Dear Sir,

I found a book on my doorstep entitled "National Sunday Law." I don't know who left it. I read it with amazement. Then I started much researching the Bible. Then I read the "National Sunday Law" book again. I closed the book and said to God - "I believe this about the 'mark of the beast' and the Sabbath to be the truth." It's all making sense now. I told God that I didn't want the "mark of the beast" but I want His seal. As I was reading, I felt like God was speaking to me! How awesome! Praise the Lord! Amen! A.D.

"The Egyptians were seized with confusion and dismay. Amid the wrath of the elements, in which they heard the voice of an angry God, they endeavored to retrace their steps and flee to the shore they had quitted. But Moses stretched out his rod, and the piled-up waters, hissing, roaring, and eager for their prey, rushed together and swallowed the Egyptian army in their black depths.

From the most terrible peril, one night had brought complete deliverance. And they sing the song of Moses the servant of God, and the song of the Lamb.' Rev 15:2,3. [Praise God!]

Dear A. Jan Marcussen,

I was given the book "National Sunday Law" by a friend who had read it. After I read it, I gave it to another friend of mine. He is a strong Catholic. After he read it, he gave it to other members of his Catholic church family. I have given these books to other people as well. Surely you are helping to preach to my area here in Kenya, East Africa. I'm in a densely populated area, and through this book, I can spread the three angels' messages to many homes! May God be with you. Yours in Christ, Zacchaeus Kinuthia

“Not unto us, O Lord, not unto us, but unto Thy name give glory, for Thy mercy, and for Thy truth’s sake.’ Ps. 115:1. Such was the spirit that pervaded Israel’s song of deliverance, and it is the spirit that should dwell in the hearts of all who love and fear God. In freeing our souls from the bondage of sin, God has wrought for us a deliverance **greater** than that of the Hebrews at the Red Sea. Like the Hebrew host, we should praise the Lord with heart and voice for His ‘wonderful works to the children of men.’ The daily blessings that we receive from the hand of God, and above all else the death of Jesus to bring happiness and heaven within our reach, should be a theme for constant gratitude. What compassion, what matchless love, has God shown to us, lost sinners, in connecting us with Himself! What a sacrifice has been made by our Redeemer, that we may be called children of God! We should praise God for the blessed hope held out before us in the great plan of redemption, we should praise Him for the heavenly inheritance and for His rich promises; praise Him that Jesus lives to intercede for us. Let us learn the song of the angels now, that we may sing it when we join their shining ranks.

“God brought the Hebrews into the mountain fastnesses before the sea, that He might manifest His power in their deliverance and signally humble the pride of their oppressors. He might have saved them in any other way, but He chose this method in order to test their faith and strengthen their trust in Him. The people were weary and terrified, yet if they had held back when Moses bade them advance, God would never have opened the path for them. In marching down to the very water, they showed that they believed the word of God as spoken by Moses. They did all that was in their power to do, and then the Mighty One of Israel divided the sea to make a path for their feet.

“The great lesson here taught is for all time. Often the Christian life is beset by dangers, and duty seems hard to perform. The imagination pictures impending ruin before and bondage or death behind. Yet the voice of God speaks clearly, ‘Go forward.’ We should obey this command, even though our eyes cannot penetrate the darkness, and we feel the cold waves about our feet. The obstacles that hinder our progress will never disappear before a halting, doubting spirit. Unbelief whispers, ‘Let us wait till the obstructions are removed, and we can see our way clearly;’ but **faith** courageously urges an advance, **hoping all things, believing** all things. The cloud that was a wall of darkness to the Egyptians was to the Hebrews a great **flood of light, illuminating the whole camp, and shedding brightness**

upon the **path** before them. So the **dealings of Providence** bring to the unbelieving, darkness and despair, while to the **trusting soul** they are full of **light and peace.**

The **path** where **God leads** the way may lie through the **desert** or the **sea,** but it is a **safe path.”** PP 279-290. **Praise God friend! Praise God!**

### Announcements

1) Those of you who know the prophecy of Daniel 8, know that this October 22, it will be 172 years since Jesus moved into the Most Holy Place in the sanctuary in heaven to begin the judgement of people on earth, starting with Adam and Eve. Soon, He will get to the books of the living - including you and me. When He lays that book of record down, the destiny of that person is fixed for heaven or hell. To help people make the right choice for God’s truth, and for Jesus, I’m giving a **free box of 100 National Sunday Law books** to all who get 1000 this month for a donation of 49¢ each with free shipping in the U.S. You may mark it below, and please pray that someone from this effort will escape Satan’s kingdom of death, and live forever in heaven.

2) You may make copies of this letter for others. If you do, someone will be in heaven who would have been lost.

3) We now have **over 25%** of what we need to reach another million souls in **Albuquerque** in the great 100 million man march. If our kind Father impresses you to help us reach this goal, mark it below.

4) “Come join our happy crew, we’re bound for Canaan’s shore. The Captain says there’s room for you! - and room for millions more.”

Dear author,

But something about this book took hold of me! So I read it that night. Boy were my eyes OPENED!!! I never knew that Saturday was God’s holy day of rest. I want to learn more, more! Thank you for your book “National Sunday Law.” May God bless you all! Carolyn Bakersfield, CA
