

It's the Bugatti Chiron. It has 16 cylinders, 4 turbochargers, and 1,500 horsepower. It sucks up 60,000 liters of air per minute, and goes from zero to 100 km/hr in 2.5 seconds. And if you don't faint, it will blast you to 260.976 mph.

What does this have to do with people becoming stooges, and receiving the mark of the beast? You'll know in a minute.

**“Then shall the kingdom of heaven be likened**

**unto ten virgins, which took their lamps, and went forth to meet the bridegroom. And five of them were wise, and five were foolish. They that were foolish took their lamps, and took no oil with them: But the wise took oil in their vessels with their lamps. While the bridegroom tarried, they all slumbered and slept. And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him. Then all those virgins arose, and trimmed their lamps. And the foolish said unto the wise, Give us of your oil; for our lamps are gone out. But the wise answered, saying, Not so; lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves. And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But he answered and said, Verily I say unto you, I know you not. Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.”**

## **REAL ID THREATENS A FREE SOCIETY**

Soon, dear Jesus will come. But before that, the seven last plagues will fall on those who receive the mark of the beast. And before that, the Sunday law will be passed to give them that mark. And before that, things will happen to repudiate the Constitution, and to keep track of those who don't comply. The REAL ID bill already passed Congress. If you didn't know about it already, you will now.

Dear SDA friends around the world,

**Live forever!** Read all the boxes in this letter, then come back here and we'll talk about what's happening.

**Faith:** What will the ten virgins do when the mark of the beast is being pushed in the media? And what is the REAL ID for? What are the latest laws and trends that the devil is wiggling into place to lay the groundwork for Rome's dreaded mark? And how will it all affect us?

**Pastor Jan:** Are you ready? Here we go -

Like the Titanic, the Bugatti Chiron is the greatest street machine that was ever built! Its engineers made sure that it's better than Corvette, Ferrari, Porsche, Lotus, Lamborghini, and anything else on the planet. The company was founded in 1909 by Italian-born Ettore Bugatti. Now they've built the ultimate supercar - a god that pushes the boundaries of automotive luxury and engineering.

The supercar is tested in a wind tunnel to assure the least drag. The brake pads are roasted in an oven to assure the greatest stopping power. It takes a week just to assemble its 8 liter W16 engine by hand in a sanitized room so that not even a piece of dust lands on it. The specially designed clutch system has two transmissions which allows the Chiron to accelerate to its electronically limited top speed of over 420 kph. Limiting it to that speed helps protect anyone in the

area from being killed if the raging monster blows up. The engine is so heavy that it takes a team of engineers just to push it on tracks into place. The fiend produces so much heat that not even 10 radiators can cool it. It takes a water circulation system that can move up to 800 liters of water per minute through the blazing inferno.

The gorgeous idol is so great that it takes up to 9 months - like a human baby - to build one by hand. When all exhaustive tests are complete, the car is taken to a light room where every millimeter of it is scrupulously inspected. Only after it passes every one of the exhaustive tests is it released to its new, proud owner. He then drives away in his new contraption, maybe wondering what his wife will think since he has just given the Bugatti company three million dollars. "The carpenter stretcheth out his rule; he marketh it out with a line; he fitteth it with planes, and he marketh it out with the compass... yea, he maketh a god... he maketh it a graven image... He falleth down unto it... and saith, Deliver me; for thou art my god." Isa. 44:13-17.

**Hope:** Is the existence of many gods a sign of the soon coming of Jesus?

**Pastor Jan:** Here it is - "There will be gods many and lords many. Every wind of doctrine will be blowing... The mark of the beast will be urged upon us. Those who have step by step yielded to worldly demands and conformed to worldly customs will not find it a hard matter to yield to the powers that be, rather than subject themselves to derision, insult, threatened imprisonment, and death... In this time the gold will be separated from the dross in the church. True godliness will be clearly distinguished from the appearance and tinsel of it. Many a star [famous preachers and church leaders] that we have admired for its brilliancy will then go out in darkness. Chaff like a cloud will be borne away on the wind, even from places where we see only floors [in large churches] of rich wheat. All who assume the ornaments of the sanctuary, but are not clothed with Christ's righteousness, appear in the shame of their own nakedness. [Notice the word "ornaments." Many are already wearing some of them on their bodies, and they'll cave in to the Sunday law to keep their jobs and avoid persecution. But when the 7 last plagues start falling on them, they'll panic, and ask the wise virgins for some of their oil. But in caving to the devil's law to honor Rome's day of the sun, while trampling on God's holy Sabbath, they've received the mark of the beast, and to them, "the door was shut." Matt. 25:10.]

"But there are men who will receive the truth, and these will take the places made vacant by those who become offended and leave the truth." *Maranatha*, p. 200.

In Matt. 25 it reveals that the ten virgins are sleeping. But they will be jolted awake, and God will use His wise "virgins" [along with the angels] to reach the world with His 3 angels' messages! The armies of hell cannot stop it! I praise our kind Father that you and I can have a part in God's last, mighty work! Papal controlled fiends don't know that the Lord is allowing them to do evil things to His dear people - to drive them closer to His side. This is why God said, "I make peace **and create evil**: I the LORD do all these things." Isa. 45:7. "Rejoice in the Lord always, and again I say rejoice." Phil. 4:4.

**Charity:** What about the "Real ID" bill that already passed Congress? Could it be used to keep track of everyone, and be a means of telling the authorities whether they go along with the coming Sunday law, or whether they don't?

**Pastor Jan:** The May 22 issue of The New American says, **1)** "The REAL ID bill passed in May, 2005." **2)** "Few Americans knew what was happening, and it passed with little debate and no hearings." **3)** "REAL ID is the government's effort to create a 'backdoor' national ID card." **4)** "Technically, the REAL ID Act does not force the states to comply. But by requiring REAL ID compliant IDs to board commercial aircraft [to go where people need to go] state legislators and governors have come under pressure from citizens to capitulate to the federal law." **5)** "Despite assurances that the U.S. would not create a national ID card, which would allow government to track Americans, it came [through the back door] in the form of "REAL ID." **6)** Because of opposition, the bill has not yet been widely enforced, but now the TSA has been putting up signs like the one below saying that starting January 22, if you want to get on an airplane, you must have a REAL ID compliant ID. **7)** "The information that could easily be added to the REAL ID database includes gun ownership, health records, purchasing habits, religious beliefs, and virtually anything you could dream up." **8)** The REAL ID would be able to track people's visits to doctor's offices, highway tolls, subways, gas stations, hotels or motels, etc. **9)** At present, the plan is to utilize REAL ID by incorporating it into peoples' driver's licenses. A document of nearly 300 pages was sent to the states, instructing them how to do that. You've already seen a family of poor stooges who got a chip implanted under their skin. The arguments in favor of REAL ID are, **A)** to fight crime, and **B)** to fight drugs. **10)** On the REAL ID database, there could be recorded the biometric measurements of your body. The article quotes a lady in OK who refused get a new, REAL ID drivers' license. After getting a ticket for not having one, she said, "In truth, we are being enrolled into a global system of identification and control that links our bodies to our ability to buy, sell, and travel. And it is being done through deception, coercion, and stealth."

Did you notice the words, "our ability" to buy and sell? REAL ID is seen [by the "man of sin"] as a nice way to track people, and help enforce Rome's "mark" at the coming Sunday law in which "no man might **buy or sell**, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six." Rev. 13:16-18. You know who that "man" is. And verse 15 will be fulfilled a little after that.

**Faith:** What does verse 15 say?

**No ID, no entrance:** This sign at the federal courthouse in Tacoma, WA, illustrates one of the methods the feds are using to push recalcitrant states into compliance with REAL ID, which is a de facto national ID card.

**Pastor Jan:** “And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.”

**Hope:** Just this morning a famous talk show host gave amazing evidence that our kind Father overruled and put our new President into place by dumfounding and befuddling the fiends who were puppets of Rome to ruin the nation. So how is the great Harlot trying to get revenge? Do you think that her agents are trying to trick our dear President into doing things that sound good, but which will unite church and state, and help lead to the enforcement of Rome’s mark of the beast?

**Pastor Jan:** Watch closely -

## Americans United for Separation of Church & State

June 15, 2017

“Dear Jan,

“For more than six decades, a provision of the tax code known as the “**Johnson Amendment**” has protected the integrity of tax-exempt organizations, including houses of worship, by ensuring that they do not endorse or oppose candidates.

“President Donald Trump has vowed to ‘get rid of, and totally destroy the Johnson Amendment,’ and some members of Congress have introduced legislation to do just that.”

**Pastor Jan:** This is the work, behind the scenes, of the 34 Roman Catholic men that the magazine, **Inside the Vatican** spoke about. They are in positions near the President, and are seeking to “guide” him in the “right” way - to do **seemingly good** things which repudiate the Protestant principle of separation of church and state in the Constitution. If they can trick him into it, will this make it possible for the church to get into politics? The “**Johnson Amendment**” prevents them from promoting their own stooges for political office, and thus helps to prevent religious laws - like the Sunday law - which Rome has been planning for hundreds of years.

**Charity:** The article above said that “members of Congress have introduced legislation to” get rid of the “**Johnson Amendment.**” Please show us some of that.

**Pastor Jan:** Here it is -

## “THE FREE SPEECH FAIRNESS ACT” - S. 264 / H.R. 781

“In January 2017, Senator James Lankford (R-OK) introduced this bill on the Senate side and Representatives Steve Scalise (R-LA) and Jody Hice (R-GA) introduced it on the House side. These bills are identical to a bill introduced last Congress in conjunction with “Pulpit Freedom Sunday,” an annual event during which certain groups try to persuade religious leaders to break federal law and endorse candidates for public office.

“Under this bill, an organization could endorse one or more candidates in all of its activities. For example, the president of a university could endorse a candidate in its weekly alumni email. A pastor could include an endorsement of a candidate in his sermon every Sunday, in the lesson taught at each Bible study, and in every bulletin or newsletter his church issues. This would allow partisan campaign politics to pervade every aspect of the organization, fundamentally changing its purpose and character.

## AU'S CONGRESSIONAL TESTIMONY OPPOSING H.R. 172

Dear A. Jan Marcussen,

I don't know who sent me your book “National Sunday Law.” I have read many books while searching for truth but they made me more confused. I felt like I was unworthy and worthless. Then your book came in the mail. I don't know who sent it but I wish to thank him from the bottom of my heart! It is truly “Amazing Truth!” I couldn't put it down! It is now 5 a.m. I've been reading it over and over all night. I feel such joy! My heart goes out in love for Jesus and for the un-named person who sent me this book. R.S.

“This bill, introduced by Representative Walter Jones (R-NC) would completely repeal the law [The Johnson Amendment] that prohibits tax-exempt organizations from endorsing or opposing candidates. Both religious and secular tax-exempt organizations could “participate in, or intervene in any political campaign” supporting or opposing a political candidate for public office.”

Is this a bush person out in the bushes?

No, it's Sweet Vennita!

Hi Sweetheart! You're so nice!

She's having a good time clearing out branches to let more sunshine in. Remember the song? - - “So let the sunshine in, face it with a grin. Smilers never lose, and frowners never win; so let the sunshine in! Face it with a grin. Open up your heart and let the SON shine in.”

Dear Pastor Jan & Sweet Vennita,  
I just now looked at the clock and it's midnight. I think your letters are well worth contemplating so I copy them and hand them around. My sister, who is not even a Christian, read your letter that had the black pope's picture in it, and it so interested her that she wants me to mail her each of your letters when they come! May she find our Jesus in your letters! You make Him sound so appealing! How precious! God bless & encourage both of you. Shirley W.

DEAR PASTOR MARCUSSEN,

JUST A NOTE TO LET YOU KNOW HOW YOUR BOOK HAS CHANGED A LIFE. OUR FAMILY IS SO HAPPY. MY BROTHER-IN-LAW (MARK) ACCEPTED JESUS BECAUSE HE READ YOUR BOOK.

I GAVE THE BOOK TO MY SISTER, HOPING SHE WOULD READ IT. HER HUSBAND, MARK, SAW THE BOOK AND PICKED IT UP HE STARTED THUMBING THROUGH IT HE BECAME INTERESTED AND READ IT COVER TO COVER

SINCE THAT TIME HE HAS BEGUN GOING TO CHURCH, KEEPING THE SABBATH, AND PAYING TITHE. HE IS CURRENTLY ATTENDING BAPTISM CLASSES, AND HE PLANS TO BE BAPTIZED.

THANK-YOU SO MUCH FOR WRITING THAT BOOK. I KNOW CHRIST IS COMING SOON, AND I AM TRYING TO DO MY PART. PLEASE PRAY FOR ME AND MY FAMILY.

GOD BLESS YOU.

yet to transpire. Trumpet after trumpet is to be sounded; vial after vial poured out one after another upon the inhabitants of the earth. [Please pray!] Scenes of stupendous interest are right upon us...

"Deceptions, delusions, impostures will increase... The Protestant world is becoming very tender and affectionate toward the man of sin (2 Thess. 2:3)... [Notice the word, "impostures." What kind of impostures? The ex-Jesuit priest, Alberto Rivera, said that the reason for that is because Rome's agents have been sent by their Catholic superiors to join the Protestant churches and become members of them - to help "guide them in the right way." On my 16 part CCA DVD series, you heard me ask him if the Jesuits have ever heard of Andrews University, and you heard his answer. He said, "They're doing a lot of work there." If they could, they would ruin the Protestant churches by getting control of the minds of their leaders to trick them into doing strange things - like ordaining to the ministry sodomites, homosexuals, lesbians, queers, transvestites, sex fiends, "dogs, sorcerers, whoremongers, murderers, idolaters, and whosoever loveth and maketh a lie." Rev. 22:15.] Mystic Babylon has not been sparing in the blood of the saints.

"Before giving us the baptism of the Holy Spirit, our heavenly Father will try us, to see if we can live without dishonoring Him.

"When our earthly labors are ended, Christ shall come for His faithful children. But before that time shall come, everything that is imperfect in us will have been seen and put away. All envy and jealousy and evil surmising and every selfish plan will have been banished from the life." 3SM 426, 427. Praise God! Help us dear Father.

"Fearful is the issue to which the world is to be brought. The powers of earth, uniting to war against the commandments of God, will decree that 'all, both small and great, rich and poor, free and bond' (Rev 13:16), shall conform to the customs of the church by the observance of the false sabbath. All who refuse compliance will be visited with civil penalties, and it will finally be declared that they are deserving of death. [That's in Rev. 13:15.] On the other hand, the law of God enjoining the Creator's rest day demands obedience and threatens wrath against all who transgress its precepts.

**Dear Pastor Jan, I had studied the Bible and I didn't want to accept the Sabbath. The book "National Sunday Law" was the most convincing factor that led me back to the Bible for more study and eventually my conversion to be a Seventh-day Adventist. Praise God!**

"With the issue thus clearly brought before him, whoever shall trample upon God's law to obey a human enactment receives the mark of the beast... 'If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of His indignation.' Rev 14:9,10.

"But not one is made to suffer the wrath of God until the truth has been brought home to his mind and conscience, and has been rejected. There are

**Faith:** Are all of these news agencies lying about this? Or is it true? Will our kind Father hold it back at this time? Or will He permit it? We rejoice at the good things the President is doing and trying to do - notwithstanding the fact that the majority of the Congress, the Senate, and the Supreme Court, are Roman Catholics. Would the Catholic controlled Congress and Senate like to do away with the Johnson Amendment to help hasten the enforcement of Rome's mark of the beast? Or would they put it off at this time? Some great church leaders have said that a Sunday law will never come now because it was only for Sister White's day. Is that true? Will they do away with the prophecies of God?

**Pastor Jan:** Dear Jesus gives us a hint - "The battle of Armageddon will be fought. And that day must find none of us sleeping.

Wide awake we must be as **wise virgins...** Solemn events before us are

Dear Sir,

While at a store, my husband picked up a small book from the information counter. It was called "National Sunday Law." When I discovered it at home, I read it and did not stop until I had finished reading it all! Everything seemed as clear as day! This book brought me over the line! The documentation is such a blessing to me! I immediately resolved to keep God's Sabbath day holy. It was a joy. I wondered how my Roman Catholic husband would respond. He is a logic and philosophy professor. He read "National Sunday Law" carefully and agreed with me that with knowledge comes responsibility. So he left the Roman Catholic church immediately to keep all of the commandments of God. [Praise the Lord!] We want to return the inexpressibly great favor that someone gave us by leaving that free book for us to find. We will now give them to others! Thank you, and may the Lord richly reward your work! N.S.

many who have never had an opportunity to hear the special truths for this time. The obligation of the fourth commandment has never been set before them in its true light. [That's why the *National Sunday Law* book was written - to get that truth "as it is in Jesus" to them so simply that a child can see it. God gets all the praise! I just had the privilege of ordering another one million of the little preachers to be printed. With an average of 3 in each home, they can touch the lives of about three million souls. Again I say that God gets all the praise. We're just little children. Those who get 1,000 of them this month for soul-winning will receive an extra 100 free. These preachers don't get hot, cold, tired, or sleepy. Nothing can scare them. They're not afraid of anything. They just lie there, and when someone picks them up, the Holy Spirit of God and His holy angels do their heavenly work to save them from sin and death. The devil can't stop it! Let the fiend leap up and down.] He who reads every heart and tries every motive will leave none who desire a knowledge of the truth, to be deceived as to the issues of the controversy. The decree is not to be urged upon the people blindly. Everyone is to have sufficient light to make his decision intelligently...

"As the time comes for it to be given with greatest power, the Lord will work through humble instruments... The laborers will be qualified rather by the unction of His Spirit than by the training of literary institutions. Men of faith and prayer will be constrained to go forth with holy zeal, declaring the words which God gives them. The sins of Babylon will be laid open. The fearful results of enforcing the observances of the church by civil authority, the inroads of spiritualism, the stealthy but rapid progress of the papal power—all will be unmasked. By these solemn warnings the people will be stirred. Thousands upon

**"Hope thou in God, for on Calvary's cross a complete sacrifice was offered for you... Eternal joy—a life of undimmed happiness—awaits the one who surrenders all to Christ." HP 262.**

**"When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are pardoned." SD 222. Praise God friend! Praise God!**

thousands will listen who have never heard words like these. In amazement they hear the testimony that Babylon is the [Sunday] church, fallen because of her errors and sins, because of her rejection of the truth sent to her from heaven. As the people go to their former teachers with the eager inquiry, Are these things so? the ministers present fables, prophesy smooth things, to soothe their fears and quiet the awakened conscience. But since many refuse to be satisfied with the mere authority of men and demand a plain 'Thus saith the Lord,' the popular ministry, like the Pharisees of old, filled with anger as their authority is questioned, will denounce the message as of Satan and stir up the sin-loving multitudes to revile and persecute those who proclaim it.

"As the controversy extends into new fields and the minds of the people are called to God's downtrodden law, Satan is astir. The power attending the message will only madden those who oppose it. The clergy will put forth almost superhuman efforts to shut away the light lest it should shine upon their flocks. [They're doing it already!] By every means at their command they will

endeavor to suppress the discussion of these vital questions. The church appeals to the strong arm of civil power, and, in this work, papists and Protestants unite. As the movement for Sunday enforcement becomes more bold and decided, the law will be invoked against commandment keepers. They will be threatened with fines and imprisonment, and some will be offered positions of influence, and other rewards and advantages, as inducements to renounce their faith. But their steadfast answer is: **'Show us from the word of God our error.'** Those who are arraigned before the courts make a strong vindication of the truth, and some who hear them are led to take their stand to keep all the commandments of God. [Praise the Lord!]

"As the storm approaches, a **large** class [the foolish virgins] who have professed faith in the third angel's message, but have not been sanctified through obedience to the truth, abandon their position and join the ranks of the opposition. They become the most bitter enemies of their former brethren. When Sabbathkeepers are brought before the courts to answer for their faith, these apostates are the most efficient agents of Satan to misrepresent and accuse them, and by false reports and insinuations to stir up the rulers against them...

"The Lord gives a special truth for the people in an emergency. Who dare refuse to publish it? He commands His servants to present the last invitation of mercy to the world. They **cannot** remain silent, except at the peril of their souls. Christ's ambassadors have nothing to do with consequences. They must perform their duty and leave results with God.

"The contest grows closer and sharper, but their faith and courage **rise** with the emergency. Their testimony is: **'We dare not tamper with God's word, dividing His holy law; calling one portion essential and another nonessential, to gain the favor of the world. The Lord whom we serve is able to deliver us. Christ has conquered the powers of earth; and shall we be afraid of a world already conquered?'**

"The opposition of the enemies of truth will be restrained that the third angel's message may do its work. [Praise God!]

[Those who are putting the little preachers on doorsteps, benches, restrooms, parking lots, laundromats, and any place people walk, sit, wait, or go, have holy angels beside them. Like the waves of the sea, nothing can stop them! God gets all the praise.] When the final warning shall be given, it will arrest the attention of these leading men through whom the Lord is now working, and some of them will accept it, and will stand with the people of God through the time of trouble. [Praise God!]

Dear Pastor Jan,

**Thank you so much for the NSL preachers. God is using them in miraculous ways. In 3 hours I was able to put 150 of them into the hands of some very open people. I told them about my 22 years of slavery to drugs, and of the Lord's intervention with this NSL book. One person who took one was a Muslim lady. Two others were Jehovah's Witnesses who don't usually take anything from anyone. And three of the people who took the NSL preachers from me were police officers. Another was a security guard for the Chase bank, and about 50 other people who were on a Greyhound bus going all over the U.S. Praise God! Your faithful sister in Christ, Lili**
