It's called, "The Shotgun." A man is holding it and the woman is sucking on it. It puffs Marijuana smoke right into your lungs! Do you see the man taking the picture? Do you see the lady's thumb? The poison will help destroy the highest center of her brain where God speaks to man. But the masses love it, because, like alcohol, it dulls the frontal lobe, which dulls their guilty conscience, to be able to sidestep dear Jesus, forget their sins, and feel better about the great goal that they love.

Hope: What is the great goal that they love?
Pastor Jan: Here it is - "All they that hate me love death."
Prov. 8:36.

**should be
shortened,
there should
no flesh be
saved: but for
the elect's sake
those days shall
be shortened...**

**For as the
lightning
cometh out
of the
east, and
shineth
even unto
the west; so
shall also
the coming
of the Son**

**of man be... And
then shall appear the
sign of the Son of man in
heaven: and then shall
all the tribes of the
earth mourn, and they
shall see the Son of man
coming in the clouds of
heaven with power
and great glory...
Therefore be ye
also ready: for in
such an hour as ye
think not the Son
of man cometh."**

They're going hog wild. The poor fiends put on gas masks and suck Marijuana smoke into their souls. The masses will enjoy doing this the moment before they look up and see Jesus coming in the sky.

The devil has been helping agents of Rome to be more and more successful at putting pressure on lawmakers to legalize the poison, because "In her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:24.

Dear SDA friends around the world,
Live forever! Read all the boxes in this

letter, then come back here and we'll talk about what's happening.

Faith: The quote says, "In such an hour as ye think not, the Son of man cometh." In this letter, are you going to show us a little of what that means?

Pastor Jan: Are you ready? Here we go -

Time now is so short that the world will see more and more of the **hemp** poison in the marijuana plant mixed with breakfast cereals, candy, drinks, popsicles, and most everything you can think of. The song says, "I would not feel so all alone, yes, everybody ought to get stoned."

“My sister Betsy and I were in the Nazi concentration camp at Ravensbruck because we committed the crime of loving all people, including some Jews that we helped. Seven hundred of us from Holland, France, Russia, Poland and Belgium were herded into a room built for two hundred. As far as I knew, Betsy and I were the only two representatives of Heaven in that room.

“We may have been the Lord’s only representatives in that place of hatred, yet because of our presence there, things changed. Jesus said, ‘In the world you shall have tribulation; but be of good cheer, I have overcome the world.’

“Sometimes I get frightened as I read the Bible, and see the tribulation predicted there coming true. But I can now come to shouting ‘Hallelujah!’ for I have found where it is written that Jesus said, ‘He that overcometh shall inherit all things: and I will be His God, and he shall be My son.’ This is the future and hope of this world.

“Betsy and I, in the concentration camp, prayed that God would heal Betsy, who was so weak and sick. ‘Yes, the Lord will heal me,’ Betsy said with confidence. She died the next day and I could not understand it. They laid her thin body on the concrete floor along with all the other corpses of the women who died that day. [Pastor Jan: Betsy’s prayer was indeed answered because it will happen more wonderfully than she asked, when she said with confidence, “The Lord will heal me.”]

“It was hard for me to understand, to believe that God had a purpose for all that. Yet because of Betsy’s death, I am traveling all over the world telling people about Jesus.

“There are some among us teaching that there will be no tribulation, that the Christians will be able to escape all this. These are the false teachers that Jesus was warning us to expect in the latter days. Most of them have little knowledge of what is already going on around the world. I have

been in countries where the saints are already suffering terrible persecution. In China, the Christians were told, ‘Don’t worry, before the tribulation comes you will be raptured.’ Then came a terrible persecution. Millions of Christians were tortured to death. Later I heard a Bishop from China say, sadly, ‘We have failed. We should have made the people strong for persecution rather than telling them Jesus would come first. Tell the people how to be strong in times of persecution, how to stand when the tribulation comes - to stand and not faint.’

U.S. NEWS

“The island in the Pacific is providing its residents tips amid heightened U.S. - North Korea threats.”

One news article said that the North Korean leader is backing down somewhat. Even if the fiend shoots some missiles to scare the people, it’s comforting to know that - “I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.” Rev. 7:2,3. There’s no great holocaust in the U.S. before God’s people are sealed after they resist the Sunday law. That law will come because “...he spake as a dragon. And he exerciseth all the power of the first beast before him.” Rev. 13:11,12. Notice the word “all.”

Here’s TransAsia Airways Flight 235. An engine flame-out causes it to topple and crash into the Keelung River. As the people look at the pretty river out the window, they don’t know that before they can count to 10, they’ll be dead. “In such an hour as ye think not, the son of man cometh.”

Here’s Joe Kelly with his two sons at a Yankees ball game Sept 10. They don’t know that when he goes to work in the Twin Towers the next morning he’ll be dead. “In such an hour as ye think not, the son of man cometh.”

“I feel I have a divine mandate to go and tell the people of this world that it is possible to be strong in the Lord Jesus Christ. We are in training for the tribulation, but more than sixty percent of the Body of Christ across the world are already having tribulation. There is no way to escape it.

“When I was in the concentration camp, a camp where only twenty percent of the women came out alive, we tried to cheer each other up by saying, ‘Nothing could be any worse than today.’ But we would find that the next day was worse. During this time a Bible verse that I had committed to memory gave me great hope and joy. ‘If ye be reproached for the name of Christ, happy are ye; for the spirit of glory and of God resteth upon you; on their part he is evil is spoken of, but on your part He is glorified.’ (I Peter 4:14). I found myself saying, ‘Hallelujah! Because I am suffering, Jesus is glorified!’

“In America, the churches sing, ‘Let thy congregation escape tribulation,’ but in China and Africa the tribulation has already arrived. This last year alone more than two hundred thousand Christians were martyred in Africa. Now things like that never get into the newspapers because they cause bad political relations. But I know. I have been there. We need to think about that when we sit down in our nice houses with our nice clothes to eat our big dinners. Many, many members of the Body of Christ are being tortured to death at this very moment, yet we continue right on as though we are all going to escape tribulation.

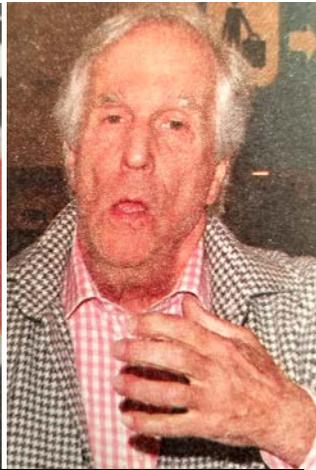

“Several years ago I was in Africa in a nation where a new government had come into power. The first night I was there some of the Christians were commanded to come to the police station to register. When they arrived they were arrested, and that same night they were executed. The next day the same thing happened with other Christians. The third day it was the same. All the Christians in the district were being systematically murdered.

[Not many know that papal Rome has anything to do with it. Most of you have already learned that through masonry, Vatican agents secretly control the leaders of nations {who are high masons} - no matter what religion they are. Without being a high mason, or a Mormon, {which Rome also controls}, no one gets very far in the wicked world. Prof. Walter Veith revealed that the astronauts who have gone into space were either masons or Mormons. Since the pope is the head mason of the world - who wears the ephod - he can secretly control all the leaders of nations who are under him in masonry. Things would be much worse except the angels are "holding the winds" until God's servants are sealed. Rome is secretly controlling the leaders of N. Korea, Iran, and nearly any nation you can think of. In the U.S. however, there is a divine power protecting us. Praise God! Why? Because to God's people in the U.S., has been committed the blessed, joyful work of getting God's mighty 3 angels' messages to the world! He has also given this same work to His people in every nation, but only in the U.S. is there the wherewithal for us Seventh-day Adventists to get it done on a grand scale.

I've heard a number of secular commentators on the radio state that they know that it was the divine power of God which put a certain man in the top position - {who is unknowingly resisting the goals of

What good is "fame and fortune?" "All flesh is grass... The grass withereth, the flower fadeth: but the word of our God shall stand for ever." Isa. 40:6-8.

Rome.} Also remember that God put the wicked Pharaoh of Egypt in his position - to bring honor to His name before the entire world. God uses both good and evil men. Those three goals are stated in GC 565, 566 thus - "The Roman Church is far-reaching in her plans and modes of operation. She is employing every device [notice the word "every"] to extend her influence and increase her power in preparation for a fierce and determined conflict to 1) **regain control of the world, to 2) re-establish persecution, and to 3) undo all that Protestantism has done.** Catholicism is gaining ground upon every side." GC 565,566.

But those news commentators don't understand why that certain man is being attacked in the papal controlled media, and by every other papal controlled facet of society, every second of every minute, of every hour, of every day, of every week, of every month, of every year. For us who know Bible prophecy, we know very well who is behind the attacks against, not only the President, but against God's Protestant Christians around the world. And we know that the great harlot of

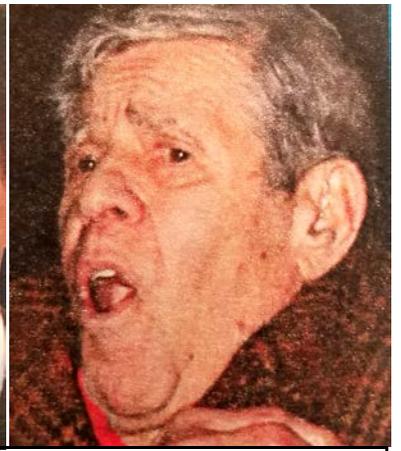

Rev. 17:5 doesn't mind murdering some of her own people to get at the Protestants. "And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:24. Notice the word "all." Why does our kind Father allow the devil's girlfriend in Rome to persecute them? It's to drive the people close to dear Jesus and keep them close - to save them. No amount of other blessings can replace it. It's why He said, "We must through much

tribulation enter into the kingdom of God." Just knowing this will give you great comfort and peace for the future because you know that our kind Father is in **total control**, and that nothing can touch you without our Lord's permission! Here it is - "He who is imbued with the Spirit of Christ abides in Christ. The blow that is aimed at him falls upon the Saviour, who surrounds him with His presence. Whatever comes to him **comes from Christ.** He has **no need** to resist evil, for **Christ** is his defense. [Praise God!] **Nothing** can touch him except by our

Lord's permission, and 'all things' that are permitted 'work together for good to them that love God.' Rom. 8:28." MB 71. Wonderful Jesus! Her testimony continues -]

"The fourth day I was to speak in a little church. The people came, but they were filled with fear and tension. All during the service they were looking at each other, their eyes asking, 'Will this one I am sitting beside be the next one killed? Will I be the next one?' I told them a story out of my childhood.

"When I was a little girl,' I said, 'I went to my father and said, 'Daddy, I am afraid that I will never be strong enough to be a martyr for Jesus.' 'Tell me,' said Father, 'When you take a train trip to Amsterdam, when do I give you the money for the ticket?'

What good are the "latest fashions?" "The voice said, Cry. And he said, What shall I cry? All flesh is grass... The grass withereth, the flower fadeth: but the word of our God shall stand for ever." Isa. 40:6-8.

Dear Sir,
I couldn't put this book down! I'm so glad that someone sent "National Sunday Law" to me. Now I want more to give to others! Thanks so much, Sarah

Dear Sir,
Your book "National Sunday Law" was left on the steps of my church. I wish to thank you for the clear explanation to a lot of questions I've had for years. I must say - this book is "Dynamite!" I can see that the issue in this book is going to be the deciding factor for the two classes of people in the entire world! I feel that it needs to be read far and wide to show people the evil that's been in our midst, and we didn't even see it for what it really is. I can see that Rome's working is disguised - as Satan always is. I'm ordering more of these books to give to others. There are many who need to be reached with this message! May God bless you! Don

Three weeks before?’ ‘No, Daddy, you give me the money for the ticket just before we get on the train.’ ‘That is right,’ my father said, ‘and so it is with God’s strength. Our Father in Heaven knows when you will need the strength to be a martyr for Jesus Christ. He will supply all you need – just in time.’

“My African friends were nodding and smiling. Suddenly a spirit of joy descended upon that church and the people began singing, ‘In the sweet bye and bye, we shall meet on that beautiful shore.’ Later that week half the congregation were executed. Soon, the other half were killed.

“But I must tell you something. I was so happy that the Lord used me to encourage these people, for unlike many of their leaders, I had the word of God. I had been to the Bible and discovered that Jesus said He had not only overcome the world, but to all those who remained faithful to the end, He would give a crown of life.

Tenniti's Corner: "He has, in His love, opened a fountain of pleasure and joy for the soul that trusts in Him." MAT 161

Dear Pastor Jan and family,

I've been keeping up with your work, and with the "National Sunday Law" books. I've sent thousands of them to Zambia, Kenya, and Ghana. This week a pastor in Zambia by the name of L. Chibela, wrote and asked for as many books as I can send him. He is on fire with great ambition to save souls for the Lord. God used him to win three entire churches to His Seventh-day Adventist Bible truth - one was Pentecostal, one was Jehovah's Witness, and half the students in a Catholic boys high school along with their priest was converted after they read it! That was 500 boys. What a thrill it was to receive his message with their photo. Enclosed, please find part of the letter which he wrote to me. He said, God is using the "National Sunday Law" books to do miracles of salvation here in Ghana. We are Seventh-day Adventists." I'm praying daily for you [and your fellow workers]. By God's grace, keep up the work of the Lord to win souls. Sincerely, C. Smith

“How can we get ready for the persecution? First we need to feed on the word of God, digest it, make it a part of our being. This will mean disciplined Bible study each day as we memorize passages of scripture, and put the principles to work in our lives.

“We need to develop a personal relationship with Jesus Christ. Not just the Jesus of history, but the life-changing Jesus of today who is alive and sitting at the right hand of God.

“We must be filled with the Holy Spirit, the baptism of the Holy Spirit. This is absolutely necessary. [Ask God for it.] We will never be able to stand in the tribulation without it.

“In the coming persecution we must be ready to help each other and encourage each other. Many are fearful of the coming tribulation, and they want to run. I think that after all my eighty years, including the horrible Nazi concentration camp, I might have to go through the tribulation also. But then I read the Bible and I am glad. [She is now resting in Jesus in the grave. The lovely

Jesus is very kind. If you are quite old, weak, or sick, and are not strong enough to go through the time of trouble, you will not go through it! It's guaranteed. Like most everyone else who have ever been born, you will simply go to sleep. You will go to sleep in Jesus. Don't worry about that because it will be similar to what happened to you last night. You were lying there thinking of something, and all of a sudden it was morning. In the light, you opened your eyes and you felt much better. When you see the lovely Jesus in the sky and when you walk through the shining gate into the city of God, you will feel **much better**. If you are serious about not dying, but living until Jesus comes, put God's health laws into practice very carefully.]

“‘When I am weak, then I am strong,’ the Bible says. Betsy and I were prisoners for the Lord. We were so weak, but we got power because the Holy Spirit was on us. That mighty inner strengthening of the Holy Spirit helped us through. No, you will not be strong in yourself when the tribulation comes. Rather, you will be strong in the power of Him who will not forsake you. For seventy-six years I have known the Lord Jesus and not once has He ever left me or let me down. Though He slay me, yet will I trust Him, for I know that to all who overcome, He shall give the crown of life. Hallelujah!” Corrie Ten Boom.

Pastor Jan: Praise God! To those of you who live until Jesus comes, you will see not only the power of the devil and his girlfriend, but you will see the mighty power of dear Jesus to lift slaves of Satan off of his slave ship, and make them joyful workers for God on their way to heaven! Here's a little taste of it -

proper clothes,” Delsie said. Kester returned the next week, and Delsie offered another excuse. She said, “OK, I'll go if I'm not sick.” That Friday, she was hospitalized with a serious blot clot.

Two weeks after the hospital stay, Brother Kester stopped by her store with the book, *National Sunday Law*.

Delsie read the book by Adventist pastor A. Jan Marcussen that afternoon, marking the pages as she went along. Then she read the book again that evening, making new marks, and read it a third time the next day. She thought to herself, “I went to Adventist church school and academy and I know these things. Why haven't I

She Left the Church but Later Became a Powerhouse for God

“The elderly man [Brother Kester] stopped in Delsie Knicely's family-owned store in rural West Virginia with a request.

“I'd like to see you in church this Sabbath,” he said.

Delsie didn't want to go. She had been raised in the Seventh-day Adventist Church and had attended Adventist schools. But she had left the church as an adult, gotten married, and opened a store selling farm produce, groceries, and chainsaws.

“The happiest people in the world are those who trust in Jesus and gladly do His bidding. He is the light of life. From the lives of those who follow Him, unrest and discontent are banished. With a full heart they echo the words of the wise man, Wisdom's 'ways are ways of pleasantness, and all her paths are peace' (Prov. 3:17). Though they meet with trials, their lives are full of joy; for Christ walks beside them, and His presence makes the pathway **bright**.” HP 262. Praise God!

been in church all this time? I couldn't think of a good reason," Delsie told Adventist Mission. "So, I went to church and haven't missed a Sabbath since then."

Delsie became a Sabbath School teacher and later a Sabbath School superintendent. When the ShareHim evangelism group offered training seminars in West Virginia, she signed up and preached her first PowerPoint evangelistic series — even though she had never used a computer in her life. One person was baptized after her first series of meetings, and eight were baptized after her second. Since then, she has led many more meetings, including one that received funding from a 2015 Thirteenth Sabbath Offering. Delsie is a powerhouse for God."

Pastor Jan: If you draw close to Jesus as she did, God's free grace will make you - wherever you are, and whatever you do in life - a powerhouse for God too! Then how will you feel? Then, with joy you'll read the verse - "In such an hour as ye think not, the Son of man cometh." And with John, you'll say, "Come, Lord Jesus!"

Faith: As we approach the world's final conflict, what will happen?

Pastor Jan: Here it is - "As the members of the body of Christ approach the period of their last conflict, 'the time of Jacob's trouble,' they will grow up into Christ, and will partake largely of His spirit. As the third message swells to a loud cry, and as great power and glory attends the closing work, the faithful people of God will partake of that glory. It is the latter rain which revives and strengthens them to pass through the time of trouble. Their faces will shine with the glory of that light which attends the third angel.

Dear Pastor Marcussen,

Greetings from Namibia. I praise God to be able to write to you! Your book [God's book] "National Sunday Law" has been doing miracles in changing people's lives here. I've been giving out hundreds of them, and many Sunday keepers have become Seventh-day Adventists from it! People are amazed that they have had the Bible for years, and yet have not seen God's last day Bible Sabbath truth, and the love of God that the NSL book shows them in their own Bibles! From reading it, they understand the reasons for the horrors going on in the world now. May God bless you to reach many more souls for Him. Yours faithfully, Munuma P.

wicked hear, but understand not the words of the voice of God. They fear and tremble, while the saints rejoice. Satan and his angels, and wicked men, who had been exulting that the people of God were in their power, that they might destroy them from off the earth, witness the glory conferred upon those who have honored the holy law of God. They behold the faces of the righteous lighted up, and reflecting the image of Jesus. Those who were so eager to destroy the saints, could not endure the glory resting upon the delivered ones, and they fell like dead men to the earth. Satan and evil angels fled from the presence of the saints glorified. Their power to annoy them was **gone forever.**" 1T 353,354.

Dear Pastor Marcussen,

Greetings from a new creature in Christ. Your book "National Sunday Law" is awesome! My eyes have been anointed to see the truth, and I have accepted it! It's such a blessing to help spread this truth to as many as I can. I wish I could get millions of "National Sunday Law" books out to the people! I can't thank you enough for all that I have learned. The way will be open for you to disentangle yourself from embarrassment and difficulty. The weaker and more helpless you know yourself to be, the stronger will you become in His strength. Dear A. Jan Marcussen,

I feel that it's a miracle that I have the book "National Sunday Law." I found it in a rest area after I had been praying for more truth. I've read it four times, and I know that it is true! I have looked up all the Scriptures on God's Sabbath, and from now on, I will be observing His Sabbath. Since I'm an ordained minister, I also know that I have a great responsibility to share this truth with others! I have found in this little book a great treasure! I marvel at God's ways. Sincerely, M.J.

Dear A. Jan Marcussen,
I found the book “National Sunday Law” in the Laundromat. Since I read it my life has changed completely! I have been a very fervent Catholic, hearing the mass every day. Since I read your book, I’ve stopped that practice. I threw all my statues and pictures of the saints into the dumpster, and I left the Catholic church. Today I told God that I am going to be His worker. With God’s help, I’m going to be reaching many people with God’s message! Cordially, R. Rodriguez
