The words above the title of this book say, "WE'RE NOT ALONE - WE NEVER WERE."

Will they show themselves?
 What will they look like?

Hope: Why did you white out part of the front cover of this book?

Pastor Jan: It's a secret.

Charity: In this letter, are we going to get a tiny glimpse of the big picture?

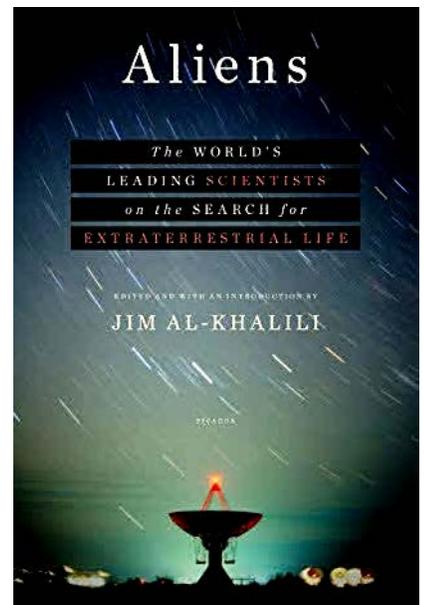

Pastor Jan: Here we go.

The front cover of this book says, "THE WORLD'S LEADING SCIENTISTS ON THE SEARCH FOR EXTRATERRESTRIAL LIFE."

Dear SDA friends around the world,

Live forever! Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: In the Bible verse, God says, "spare not" to do something. Then He says to "show my people" something. What could it be? Then Isa. 58 shows what the true fast is, and promises that if we quit stepping on His holy Sabbath, but call it a "delight," we will delight ourselves in Him, and He will make us "to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father: for the mouth of the LORD hath spoken it." Is this what the wise virgins and the 144,000 will do?

And what about UFOs? Who is inside of them? The scientists of SETI, and many people around the world are looking hard for them! Will they ever show themselves and talk with us? What do they have to do with the end of the world? How did it all start? How will it end? And how will it affect us?

Pastor Jan: Are you ready? Here we go -

“Little by little, Lucifer came to indulge a desire for self-exaltation... Coveting the honor which the infinite Father had bestowed upon His Son, this prince of angels aspired to power which it was the prerogative of Christ alone to wield. He gloried in his brightness and exaltation, and aspired to be equal with God...”

“God in His great mercy bore **long** with Lucifer. He was not immediately degraded from his exalted station when he first indulged the spirit of discontent, nor even when he began to present his false claims before the loyal angels.

Long was he retained in heaven. **Again and again** he was offered pardon on condition of repentance and submission.

[Our Father is so kind and good!!!] Such efforts as **only infinite love and wisdom** could devise were made to convince him of his error. The spirit of discontent had never before been known in heaven. Lucifer himself did not at first see whether he was drifting; he did not understand the real nature of his feelings. But as his dissatisfaction was proved to be without cause, Lucifer was convinced that he was in the wrong, that the divine claims were just, and that he ought to acknowledge them as such before all heaven. Had he done this, he might have saved himself and many angels. He had not at this time fully cast off his allegiance to God. Though he had forsaken his position as covering cherub, yet if he had been willing to return to God, acknowledging the Creator’s wisdom, and satisfied to fill the place appointed him in God’s great plan, he **would have been reinstated** in his office.

[Amazing! How wonderful God is! We love Thee dear Father, our Lord and our God!]

But pride forbade him to submit. He persistently defended his own course, maintained that he had no need of repentance, and fully committed himself, in the great controversy, against his Maker. All the powers of his master mind were now bent to the work of deception.” GC 493-496.

Pastor Jan: Many poor souls have been tricked by the devil into blaming our kind Father for the evils, suffering, and death in the world - like from hurricanes, floods, riots, fires, wars, horrors, calamities, etc. We wish those deceived souls knew what you and I know from reading what we just read.

Charity: Concerning the end of the world as we know it, the prophet said, “The agencies of evil are combining their forces and consolidating. They are strengthening for the last great crisis. Great changes are soon to take place in our world, and the final movements will be rapid ones.” 9T 11.

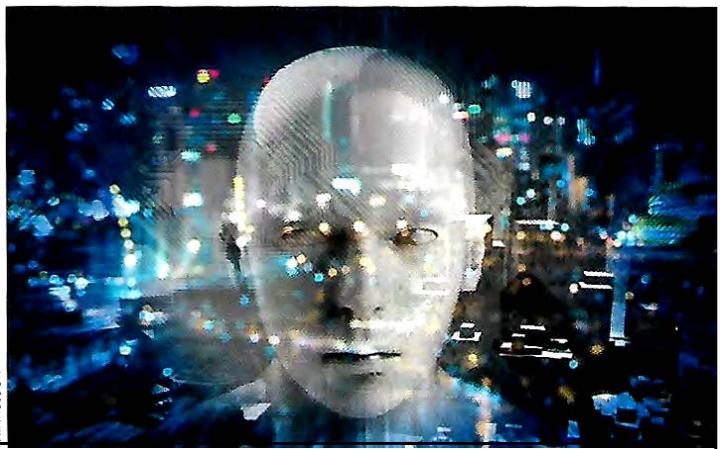

Faith: “Great changes.” What kind of changes? Would some of those changes {compared with the way people lived in the 1800s} be the way people eat, and the way people dress, and how they get married, and how they get divorced?

Pastor Jan: In 1890 the divorce rate was 5%. Now it’s about 50%.

Charity: What could be worse than the horrors of divorce?

Pastor Jan: In the special edition of *TIME* magazine dated 9/29/17, it says that in a marriage where little or no affection is shown, it is perhaps worse on a person’s mental and physical health than getting a divorce. In our church in the Florida conference, we had a visitor one day from a church in another part of the city. He asked if I [the associate pastor] would baptize him and his new bride, and take them into membership.

He said that he had two daughters by his first wife, but she never showed him any affection, kindness, love, or attention that a spouse craves. Everything was done right – like being in the Army. His wife didn’t know that love is a tender plant, and that sweetness, attention, smiles, and expressions of love, make it grow and flourish with joy and happiness - a taste of heaven; and that the lack of those heavenly things makes it die. He was starving for love and affection but every day, every week, every month, every year, he received none. He said that one morning he was at the kitchen table and he heard her say “Hi Sweetie!” His lonely heart leaped for joy! He thanked her and expressed his affection for her. She said, “Oh, I was just talking to the dog.” His suffering heart fell on the ground.

UN Wants Artificial Intelligence to Advance

The New American, Aug. 21, 2017

The United Nations is now openly plotting with Big Business and Big Government to exploit Artificial Intelligence (AI) to further its agenda, especially the totalitarian ideology it calls “sustainable development.” Multiple UN bureaucracies have convened summits this year for that purpose, bringing together leading experts in the field from around the world. The goal: To harness AI and Big Data for what the UN considers to be “the global good.”

[Pastor Jan: The prophet reveals that the mark of the beast will also be enforced at the Sunday law for the global good. Here it is -

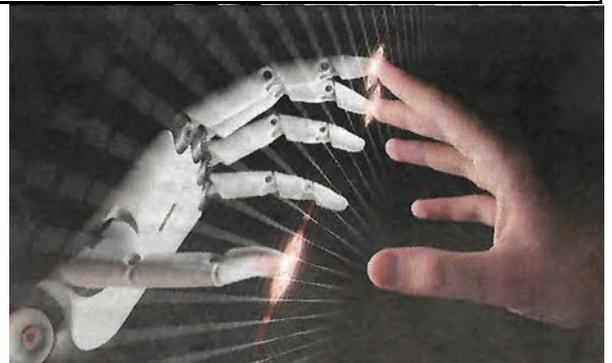

“If He who was pure, holy, and undefiled, who did good and only good in our world, was treated as a base criminal, and condemned to death without a vestige of evidence against Him, what can His disciples expect but similar treatment, however, faultless may be their life and blameless their character? Human enactments, laws manufactured by satanic agencies under a plea of goodness and restriction of evil, will be exalted, while God’s holy enactments are despised and trampled underfoot. And all who prove their loyalty by obedience to the law of Jehovah must be prepared to be arrested, to be brought before councils that have not for their standard the high and holy law of God, but have made stringent laws inspired by him whose attributes were manifested at the trial of Christ. ‘We have a law,’ these men said, ‘and by our law He ought to die’ John 19:7.” 19 MR 163.]

The UN “Artificial Intelligence” confab held June 7-9 in Geneva, dubbed the “AI for Good Global Summit,” offered a great deal of insight into the twin dangers facing humanity from the dictators club and AI. Consider, for one, that the summit was hosted by the UN International Telecommunications Union (ITU), which is at the forefront of UN efforts to censor and tax the Internet.

“Artificial Intelligence innovation will also be central to the achievement of the United Nations’ Sustainable Development Goals (SDGs) and will help solve humanity’s grand challenges. The Summit aimed to accelerate the development of Artificial Intelligence solutions that can address global challenges related to poverty, hunger, health, education, the environment, and others.” [That’s just what the Vatican is pretending to do.]

Some 500 delegates attended the summit. Speakers included policymakers, top UN bureaucrats, and communist operatives, as well as employees of increasingly anti-liberty technology mega-companies such as Google, Facebook, Microsoft, and more.

The alternative [to a free society] is a totalitarian global system of technocracy run by the UN and its globalist, Islamist, socialist, communist, and corrupt member regimes, with unfathomably dangerous technology at its disposal. [The article doesn’t reveal that papal agents are controlling it. The soon coming of dear Jesus is our only hope.]

Vatican looks at ethics of artificial intelligence

This August 5 article in *Our Sunday Visitor* predicts that, 1 - robots will play poker well enough to win the World Series of poker; 2 - robots will fold laundry better than the average clothing store employee; 3 - robots will translate spoken languages; 4 - robots will write a high school essay; 5 - robots will drive cars and trucks; 6 - robots will generate a top 40 pop song; 7 - robots will beat the fastest runner in the world in a race; 8 - robots will write a *New York Times* best-selling novel; 9 - robots will perform surgery; 10 - robots will outperform humans in all jobs.

It brought to my mind that dear Jesus also fell on the ground. It was the heart-breaking horror of separation from God that killed our Saviour on the cross of Calvary! "My God, my God, why hast Thou forsaken Me?" The wrath of God fell like an avenging mountain upon the tortured heart of Jesus. He suffered the "hell" of being forsaken by God, by "Love" - to pay the penalty for our sins - to save you and me in the paradise of God! And in this horrible suffering, **the heart of our kind Father** also paid the penalty of our sins. "God suffered with His Son." DA 693. "The Father was with His Son. Yet His presence was not revealed. Had His glory flashed forth from the cloud, every human beholder would have been destroyed." DA 753. The prophet said that His mental agony was so great that His physical pain from the nails, the thorns, and the cross "was hardly felt." DA 753. Wonderful Jesus! He died for you!

Faith: Then what happened?

Pastor Jan: He got divorced and married a lady who gave him affection, and sweetness, and love, and good meals, and clean clothes - and the attention of a lover and a wife.

Hope: Then was he happy?

Pastor Jan: Yes. Very happy - except for one thing.

Hope: What was it?

Pastor Jan: His daughters kept reminding him that he was living in adultery, and the thought came to him that he was going to burn up in the fire of hell until he turned to ashes.

Charity: Then what happened?

Pastor Jan: This guilt gave him such pain that he divorced his second wife, and re-married his first wife.

Faith: Then what happened? Was he back in the dog house?

Pastor Jan: He was so miserable that the devil told him that he would be happier burning to ashes in hell. So when he came to me, he said that he had **divorced his first wife for the second time, and married his second wife for the second time**, and they both wanted me to baptize them and take them into membership in our church.

Faith: So what did you do?

Pastor Jan: I won't tell anyone what I did, but I'll say that I did what the Bible and the Spirit of Prophecy teach. From this one case, you can see the great importance of walking with the lovely Jesus so that we can continually give our dear spouse and children - "love at home."

"There is beauty all around when there's love at home. There is joy in every sound, when there's love at home. Peace and love at home! Love at home! There is One Who smiles on high, when there's love at home." Praise God!

Hope: What other great changes are there?

Pastor Jan: There are great changes in the entertainment world, in the international world, in the business world, and in the religious world. A dear pastor friend of mine revealed that his conference no longer has a retirement fund for the pastors. They told the pastors that when they put some of their own money in the stock market, the conference will put the same amount of tithe money in the stock market for them, so that what's going up and down like the waves of the sea in the stock market is what they have to live on after they retire. If you wish, you may ask your pastor if they do that in your area.

Charity: Since the stock market is a gambling gamble, will it ever go down when calamities come? What happened to his retirement fund when the stock market lost about 1/2 of its value? Did about 1/2 of his retirement fund get wiped out?

Pastor Jan: Yes.

Faith: The Bible and Spirit of Prophecy teach that God's tithe money is for the priests, Levites, pastors, evangelists, Bible workers - who work full time in God's service. You wrote a book on it, telling what God says about it, to make it as plain as day. Since the stock market is a gamble, does the Bible and Spirit of Prophecy teach church leaders to put God's tithe money in the stock market? Does it teach them to use tithe money to hire lawyers like the Roman Catholic lawyer named Ramik, who sued little churches and took them to court {they call it "litigation"} to make them discombobulated? Was Rome behind that whole thing?

Pastor Jan: It's a secret. I was at one of those court trials. I saw and heard the Roman Catholic judge. I saw Roman Catholic Ramik. He and his friends were on one side of the courtroom, and the dear church members were on the other. The courtroom was packed with God's SDA people from many states because the outcome would shed light on whether time now is so short that religious persecution from a Roman Catholic judge and a Roman Catholic lawyer is possible - to help pave the way for the devil's Sunday law. I saw and heard the lawyer's wonderful attack on God's SDA people. I saw them kneeling on the floor during the break when the judge walked past. I knelt and prayed with them. **Some of you were there and saw what I saw.** The Roman Catholic judge ruled against them, and I read the writing of the court that the church people must not use the name that God gave to His people, and that - {like in the Papal Inquisition of the dark ages} - they must get rid of Spirit of Prophecy books out of their homes - and anything else in their homes that has the name of God's remnant people on it. The Holy Spirit of God was in the courtroom. The angels of God were there. They recorded every act and every word. It will all appear in the judgment of God.

Dear Sirs,

Drugs and alcohol blinded me. I blamed everything on God. I cursed God. Little did I know that God had a great plan for me. I have now read the book "National Sunday Law" and it was such a revelation that I almost fell flat on my back! I'm still recovering from the enormity of it all. I believe everything written in this book as it is 100% backed by scripture, and I am convinced in my heart. I have a great desire to help people know this astounding truth, and to share it with many others. Please send me more "National Sunday Law" so I can continue what God has instilled upon my life. I don't want to receive the mark of the beast. I choose to keep God's Sabbath day holy. Your brother in Jesus Christ, I.B.

Dear Jan Marcussen,

After reading your book "National Sunday Law," I'm shocked at how easily Sunday is accepted. I trust God and I know that Sunday is not of the Bible. Now I know that Rome changed the day. We are so easily deceived by the great deceiver! This burden has been on my heart for some time and our family no longer recognizes Sunday and the other days of traditional festivities. We left our Sunday church for a lack of life. Thank you for making a noise loud enough to be heard. Charlene M.

Dear Jan Marcussen,

I'm writing to let you know that I read the book "National Sunday Law" and I believe every word of it! I understand more of God's word through your book! May God pour out His blessings upon you and your family so that you can keep reaching people like me who are confused. Please send me more of the "National Sunday Law" books. Thank you. E.S.

Dear Jan Marcussen,

I have just finished reading your book "National Sunday Law" and I was totally shocked! I couldn't put the book down! Enclosed is a donation for more of them. Please send them as soon as possible so I can give them to my family and friends. I was brought up as a Catholic, but I left the Catholic church. I knew it was wrong to pray to the statues. Now I adhere to the truth of the Bible. May God bless you always, and keep you in His care. Lynne

If you don't know about the many attacks of Rome against God's Seventh-day Adventist church - which I'm standing in loyal defense of - you can learn about much of it on my 16 part DVD series entitled, "Catholic, Charismatic Attack (On God's SDA Church.)" You'll learn on page 6 how you can get that whole 16 part series free. It gives you about 30 hours of documentation. But it's just the tip of the iceberg.

To see what our kind Father has done with His remnant church around the world - to the saving of many souls - makes me proud to be a Seventh-day Adventist. The head of the trademark office in D.C. told me that you can trademark products to be bought or sold, like Pepsi Cola, but that you cannot trademark the name of a church.

Hope: Then how did Roman Catholic lawyer Ramik trick the trademark office, and trick the dear General Conference men into trademarking the name of a church? And how were the poor souls tricked into hiring Ramik and other lawyers, to take little churches to court {"litigation"} so that the **state** could enforce the will of **church** avatars, like in the dark ages, to have them discombobulated, while using God's tithe money to do it?

Pastor Jan: It's a secret.

Dear Brother [redacted],

Thank you for your recent letters concerning trademarks. Elder Wilson's office asked me to respond.

First, enclosed is a copy of the questions and answers we have released on the question. Perhaps you already have seen it in the January 12 issue of the Adventist Review.

Second, you inquired whether tithe is used to pay church litigation. The treasury informs me that all litigation is paid from the annual appropriation made at the Annual Council, and that appropriation comes from tithe.

If you have additional questions, please write.

Sincerely,

Associate General Counsel

The prophet of God cries out - "The church is God's fortress. It is His city of refuge, which He holds in a revolted world. Any betrayal of the church is treachery to Him who has bought mankind with the blood of His only-begotten Son. From the beginning, faithful souls have constituted the church on earth." *Acts of the Apostles*, p. 11.

Notice the words, "From the beginning." Catholic clergy boast that the Roman church is the oldest Christian church, and that all others are offshoots from the "MOTHER OF HARLOTS." Rev. 17:5. But in that quote in AA 11, how old did God's prophet say that God's SDA church is?

Hope: "From the beginning." It's 6000 years old!!! It's far older than the Roman church, and it is world-wide.

Pastor Jan: That's right. And whom does the quote say are the ones who constitute God's church "from the beginning?"

Charity: "Faithful souls."

Pastor Jan: That's right. For the past 6000 years, from Adam to the apostles, the holy people of God were all virtually Seventh-day Adventists {with Jesus at the head of it} because they were "faithful souls" who believed just like we do concerning God's Sabbath, and the soon advent of dear Jesus.

Dear Pastor Marcussen,

I watched most of your CCA series this past weekend. WOW. Those things that I thought might happen in California - but not in Tennessee, are here - everywhere. We have the most careful church in the Collegedale area, and those Roman Catholic things still slip in. Now I can see your intent. Your intent was to help us actually see where things were coming from and to be aware [and draw close to God.] I have been too lax, too indulgent with my children, and am praying and studying how to redeem the time. Please send me the first three videos in this CCA series, as they are missing. I feel I need them for a foundation of understanding. Thank you so much. C.P.

And it's very comforting to know that when Rev. 13:11-18 is fulfilled, and the papal controlled government takes over our church buildings, hospital buildings, college and school buildings, conference buildings, and we cannot buy or sell {Rev. 13:15,16}, and we "flee from infuriated mobs," {EW 56}, live in the woods, "dwelling in the most desolate and solitary places," {GC 626}, are sentenced to death, {Rev. 13:15}, and have nothing but dear Jesus, God's 6000 year old SDA church "written in heaven," {Heb. 12:23} will be taken to the paradise of God! Praise the Lord! Knowing these things is one good reason we can - "Rejoice in the Lord **always**, and again I say rejoice!"

I really like Sweet Vennita's corner. It says, "Educate our hearts and lips to speak God's praise." Praising God always will encourage and strengthen us for this -

"As the storm approaches, a large class who have professed faith in the third angel's message, but have not been sanctified through obedience to the truth, abandon their position and join the ranks of the opposition." GC 608. "The majority forsake us." *Last Day Events*, p. 180. Under pressure of law, most church members will give up God's holy Sabbath and honor Rome's day of the sun - the "mark of the beast." When that happens, and God's dear SDA people have fled to the woods, "before infuriated mobs," {EW 56} the quote below will be a great comfort to them. Here it is - "God has a church... it is the

"Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you**... Eternal joy—a life of undimmed happiness—awaits the one who surrenders all to Christ." HP 262.

"When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned**." SD 222. **Praise God friend! Praise God!**

Dear Pastor Jan Marcussen,
I was swallowed up by worldly things, and the devil slipped into my life. Your book, "National Sunday Law" has changed my life! And it has changed the lives of many others as well, as I have passed the book from person to person. The poor thing looks nearly worn out, but it's still doing a great work around here! Please send me your newsletters as I've read some of them that someone had, and they do so much for me in my walk with God! I'm trying to reach others, and all the information I can get is of great service. Thank you, and I thank God for you. Sincerely, David

people who love God and keep His commandments. 'Where two or three are gathered together in my name, there am I in the midst of them' (Matt. 18:20). Where Christ is even among the humble few, this is Christ's church, for the presence of the High and Holy One who inhabiteth eternity can **alone** constitute a church." *Upward Look*, p. 315. When God's people are in the woods with nothing but dear Jesus, they will appreciate that quote.

Therefore, before "the storm approaches," may our kind Father give us His tender love for souls, to reach them with His last message of love and warning - before the dear people are dead.

The prophet said, "Are we to wait until the fulfillment of the prophecies of the end before we say anything concerning them? Of what value will our words be then? Shall we wait until God's judgments fall upon the transgressor before we tell him how to avoid them? Where is our faith in the word of God? Must we see things foretold come to pass before we will believe what He has said? In clear, distinct rays light has come to us, showing us that the great day of the Lord is near at hand, 'even at the doors.'" 9T 19.

"Fearful sights of a supernatural character will soon be revealed in the heavens, in token of the power of miracle-working demons." GC 624. [There they are - the UFOs! Yes, the scientists at SETI, and people around the world will finally see and hear what they've long been

waiting for! The devils! The fiends will appear to many, and talk with them because "The spirits of devils will go forth to the kings of the earth and to the whole world, to fasten them in deception, and urge them on to unite with Satan in his last struggle against the government of heaven. By these agencies, rulers and subjects will be alike deceived... [The Vatican hierarchy will welcome the lovely demons because these "devils" will help the mother church to strictly enforce the devil's Sunday law.]

Then suddenly - "When Christ ceases His intercession in the sanctuary, the unmingled wrath threatened against those who worship the beast and his image and receive his mark (Rev 14:9,10), will be poured out. The plagues upon Egypt when God was about to deliver Israel were similar in character to those more terrible and extensive judgments which are to fall upon the world just before the final deliverance of God's people. Says the revelator, in describing those terrific scourges: 'There fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshiped his image.' The sea 'became as the blood of a dead man: and every living soul died in the sea.' And 'the rivers and fountains of waters ... became blood.'

Terrible as these inflictions are, God's justice stands fully vindicated. The angel of God declares: 'Thou art righteous, O Lord, ... because Thou hast judged thus. For they have shed the blood of saints and prophets, and Thou hast given them blood to drink; for they are worthy.' Rev 16:2-6. By condemning the people of God to death, they have as truly incurred the guilt of their blood as if it had been shed by their hands...

"I saw the saints leaving the cities and villages, and associating together in companies, and living in the most solitary places. [We're on our way to heaven!] Angels provided them food and water, while the wicked were suffering from hunger and thirst..."

"There seemed to be great confusion and the conflict of armies. A messenger from the Lord stood before me, and said, 'Call your household. I will lead you; follow me.' He led me down a dark passage, through a forest, then through the clefts of mountains, and said, 'Here you are safe.' There were others who had been led to this retreat. The heavenly messenger said. 'The time of trouble has come as a thief in the night, as the Lord warned you it would come.'

Dear Jan Marcussen,
I am Roman Catholic, and I just finished reading your book "National Sunday Law." Thank you for opening my eyes to the facts! My church has hidden these things from us! I was shocked that the Catholic Catechism does not align with scripture!!! For years I believed the lies about Sunday. After I finished your book, I had the blinders taken off my eyes! Thanks to you, I now know the truth. And you are right, I am held accountable by the Almighty! Sincerely, Daniel

Dear A. Jan Marcussen,
I'm stunned! "National Sunday Law" was mailed to me, and in just one day you have given me an extraordinary challenge. I am Roman Catholic and I attend mass on Sunday, yet, your book resonates in the deeper part of my heart. I'm ordering more copies to send to my family, friends, and fellow parishioners at the Catholic church. We will carefully study what you have written. I believe that **only God** could have revealed the information in your book. It certainly cannot be taken lightly. Thank you for having the love of God in your heart to search for the truth, and for having the courage to share it. Sincerely, Aundra

“Satan with all the hosts of evil cannot destroy the weakest of God’s saints. Angels that excel in strength will protect them, and in their behalf **Jehovah** will reveal Himself as a ‘God of gods.’” EW 270, 271.

“There are homes for the pilgrims of earth. There are robes for the righteous, with crowns of glory and palms of victory. All that has perplexed us in the providences of God will in the world to come be made plain... As we realize the tender care of Him who makes all things work together for our good, we shall rejoice with joy unspeakable and full of glory.

“Pain cannot exist in the atmosphere of heaven. In the home of the redeemed there will be no tears... One rich tide of happiness will flow and deepen as eternity rolls on.” 9T 286.

“All the treasures of the universe will be open to the study of God’s redeemed. Unfettered by mortality, they wing their tireless flight to worlds afar [You have wings. Look at them!] worlds that thrilled with sorrow at the spectacle of human woe and rang with songs of gladness at the tidings of a ransomed soul. With unutterable delight the children of earth enter into the joy and the wisdom of unfallen beings. With undimmed vision they gaze upon the glory of creation—suns and stars and systems, all in their appointed order circling the throne of Deity...

“And the years of eternity, as they roll, will bring richer and still more glorious revelations of God and of Christ... The more men learn of God, the greater will be their admiration of His character. As Jesus opens before them the riches of redemption and the amazing achievements in the great controversy with Satan, the hearts of the ransomed thrill with more fervent devotion, and with more rapturous joy they sweep the harps of gold; [Praise God!] and ten thousand times ten thousand and thousands of thousands of voices unite to swell the mighty chorus of praise.

“And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, **Blessing, and honor, and glory, and**

unto the **Lamb** for ever and ever.’ Rev. 5:13.

“The great controversy is ended. Sin and sinners are no more.

The entire universe is **clean**. One pulse of **harmony** and

gladness beats through the vast creation. From **Him**

who created all, flow **life** and **light** and **gladness,**

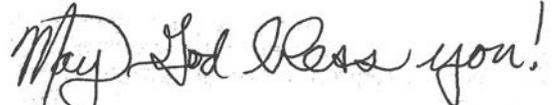

throughout the realms of **illimitable space**. From

1) You may make copies of this letter for others. **Color** copies are the best. If you do, someone will be in heaven who would have been lost.

2) We now have over 10% of what we need to reach another one million {1,000,000} souls in the rural routes surrounding Washington D.C. in the great Hundred Million Man March. If our kind Father impresses you to help us reach a million of these dear people, mark it below.

3) I will still give all 16 CCA DVDs free to all who get **1000 NSL preachers** to help save souls for a donation of 49¢ each with free shipping in the U.S. God’s people are having us to bulk mail them, and are putting them on doorsteps, sidewalks, benches, parking lots, laundromats, restrooms, and any place people sit, walk, wait, or go. God gets all the praise.

4) “Come join our happy crew, we’re bound for Canaan’s shore. The Captain says there’s room for you! - and room for millions more.”

Dear Amazing Truth;

The book “National Sunday Law” was found under my car in the driveway. I didn’t read it at first but it kept drawing me like a “divine pull.” The world has a pull, but this was the drawing of the Holy Spirit. Finally I picked it up and read it. WOW! “National Sunday Law” is just super! And this man’s newsletters! I know by reading this book and his letters that he is walking a narrow path with Jesus, and God is in him. He has revealed Daniel and Revelation so simply for these last days! This book is just amazing! T.S.

Mark the things you want **free** because you are getting NSL preachers for soul-winning.
