Peekaboo! Who are you?

Dear SDA friends around the world,
Greetings in Jesus' holy name.

Faith: The verse says, “And in the days of these kings shall the God of heaven set up a kingdom.” Where will it be? Who will it be? How will it be? What will it be like in this wicked world? And what does this cute mouse have to do with us, and with the end of the world, and the coming of dear Jesus?

Pastor Jan: Are you ready? Here we go -

Our kind Father knows that the end of the world as we know it is getting closer and closer. The wickedness is so great that He has been allowing the devil to hurl "destruction upon men" in fire and flood. Dear Jesus has also been working to save the dear people from eternal death, and so He has been pushing the little NSL preachers out to the world so fast, that in August, we temporarily ran out of them. Our dear friends who bulk mail them to the nation, got 850,000 of the one million we had printed, and I tried to prevent us from running out at our office by ordering another 150,000 to be printed when we still had about 30,000 left. But we ran out anyway.

So now, by God's grace, I'm ordering, on a regular basis, hundreds of thousands of the little preachers to be printed in plenty of time so that we hope to never run out until probation closes. Then, our work for souls will be finished - forever! And then, with dear Jesus, heaven starts. And once heaven starts, it will never end! Praise God!

The Lord has blessed so that this latest printing will make 43.7 million of the little preachers in print in 71 languages. God gets all the praise! We're just little children seeking to work with Jesus to help save people from eternal death. Here at the office, we have English preachers, Spanish preachers, Chinese preachers, and in a few months - French and Italian preachers.

How long does it take to print a box of 100 preachers? On part 3 of the CCA video series, you saw that

Wino Weed: "Drink 'Mega DEATH sauce with liquid fury!' Drink it all you want! Soak it in your hair! Pour it in your car! Pour it on your food so we can all burn up in hell!"

The prophet of God cries out - "Our food should be prepared free from spices... [They] create a feverish condition and inflame the animal passions. We should teach our children to practice habits of self denial, that the great battle of life is with self, to restrain the passions." ApM 19,20.

"I was seated at the table with several children under twelve. Meat was plentifully served, and then a delicate, nervous girl called for pickles. A bottle of chow-chow, fiery with mustard and pungent with spices, was handed her, from which she helped herself freely. The child was proverbial for her nervousness and irritability, and these fiery condiments were well calculated to produce such a condition." TSDf 128.

What will it be like just before Jesus comes? Do you see the two men watching her float?

"Satan has power to bring before men the appearance of their departed friends. The counterfeit is perfect; the familiar look, the words, the tone, are reproduced with marvelous distinctness... Many will be confronted by the spirits of devils personating beloved relatives or friends and declaring the most dangerous heresies. These visitants will appeal to our tenderest sympathies and will work miracles to sustain their pretensions." GC 552,560. "Believe them not." Jer. 12:6.

the presses are so great that when the man pushes the button to start, **1)** it jerks the end of the giant roll of paper through the giant slot at about 20 mph; **2)** prints all the pages of 100 preachers on both sides as they whiz by; **3)** cuts them all to shape as they whiz by; **4)** organizes all the pages and puts them all together as they whiz by like machine gun bullets; **5)** slaps the covers onto the books as they whiz by; **6)** cuts and trims the 100 preachers as they whiz by - ready to go into the box on their way to the truck - all in **90 seconds**. God gets all the praise!

Hope: God told us to get the 3rd angel's message out to the world as well as the first two; and it seems that most church members don't know what the 3rd angel's message is. [They can read it in Rev. 14:9,10.] So in view of the shortness of time, and in view of the testimony letters revealing that thousands of people have accepted God's saving SDA Bible message from reading the NSL preachers, do you think that church leaders will be so inspired by these things that they will encourage the pastors to encourage the church members by the millions to get the NSL preachers to reach the people in the time we have left? Would Laodicean virgins rather sleep on?

Pastor Jan: Dear Jesus gives us a hint in Rev. 3:14-17 compared with *Last Day Events*, p. 180. And God's prophet tells us what else will happen. Here's a little of it - "When divine power is combined with human effort, the work will spread like fire in the stubble. God will employ agencies whose origin man will be unable to discern. **Angels** will do a work which men might have had the blessing of accomplishing had they not neglected to answer the claims of God.

"The angel who unites in the proclamation of the third angel's message is to lighten the whole earth with his glory. [Praise God! The devil can't stop it!] A work of world-wide extent and unwonted power is here foretold... Servants of God, with their faces lighted up and shining with holy consecration, will hasten from place to place to proclaim the message from heaven. [You can be one of them! We will expect no praise

from the wicked world, and we need none.] By thousands of voices all over the earth, the warning will be given... The whole earth will be lighted with the glory of God... [Praise God!]

"During the loud cry, the church... [after dear Jesus has made it pure when Rev. 3:16,17 and LDE 180 are fulfilled] will diffuse the knowledge of salvation so abundantly that light will be communicated to every city and town... [Wonderful!] Yes! Our Saviour will make His people pure - to work with holy angels - to help save all who will!

"We must now by the Holy Spirit's power proclaim the great truths for these last days. It will not be long before everyone will have heard the warning and made his decision. Then shall the end come." *Last Day Events*, pp. 207,208.

Charity: What else will happen just before Jesus comes?

Pastor Jan: Watch closely - “An angel is seen by the scoffing multitude descending from Heaven, clothed with brightness like the lightning. He closes that massive outer door, and then takes his course upward to Heaven again. For seven days were the family of Noah in the ark before the rain began to descend upon the earth. In this time they were arranging for their long stay. [Like in our day, they were in “the tarrying time.”] And these were days of blasphemous merriment by the unbelieving multitude [as it is now]. They thought because the prophecy of Noah was not fulfilled immediately after he entered the ark, that he was deceived.” 1SP 72,73.

Like Sodom in the days of Lot, the people mocking at Noah were sex fiends. They practiced polygamy, masturbation, and sodomy with most anyone - “For even their women did change

the natural use into that which is against nature.” Rom. 1:26.

“But if there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast which defaced the image of God, and caused confusion everywhere.” 1 SP 68. “As it was in the days of Noah” - it’s happening again **now**. Do you believe that?

Mice with human brain cells

<https://mail.google.com/mail/u/0/#inbox/16531153f3da9669>

By Pastor Hal Mayer Aug 10, 2018

“They are just mice. But inside their tiny furred heads, their brains are significantly human — and it shows. These human-mouse chimeras are smarter than their ‘pure’ mouse counterparts, and excel on all the standard tests of brain function... These chimeric creatures are challenging both stem cell medicine and research ethics.

“Professor [Steve] Goldman and his colleagues are studying diseases of the brain and central nervous system, at the Centre for Translational Neuromedicine at the University of Copenhagen and the University of Rochester. They’re interested in a class of cells called glia, which are found in the brain and central nervous system.

“Glia are essential to the healthy functioning of the nervous system, and are at the centre of diseases such as **Multiple Sclerosis** and **Parkinson’s disease**. There’s also the suggestion that glia could be important in diseases such as Schizophrenia and even Autism. [Take note of these diseases that are mentioned above, because in a minute, they might make your mouth fall open.]

“Studying the underlying physiology of these diseases in humans can be difficult, because researchers can’t biopsy a living human brain to see how the cells are behaving and changing. This is where the chimeras come in.

“Professor Goldman’s lab takes skin cells from healthy children and children with schizophrenia, then they “tweak” those cells using stem cell technology so they become glial progenitor cells — cells that can turn into any form of glial cell — then they implant those cells into the brains of mice.

“Over time, the human glial progenitor cells take over the mouse brain. As the mouse’s own glial-derived cells reach the end of their life cycle, they are replaced by the ones produced by the human glial progenitor cells. Eventually, the mice reach the point where the majority of their glial cells are human.

“The healthy chimeric mice learned more rapidly than normal mice on every test of performance. And, most importantly for the purposes of understanding disease, the mice that received the progenitor cells from the humans with schizophrenia also displayed abnormal behavior patterns that... were a fairly consistent deviation from ‘normal’ mouse behavior...

“I think this blurring between species is always something that makes people uncomfortable,” said Dr. Munsie, who is also head of Education, Ethics, Law & Community Awareness at Stem Cells Australia.”

Pastor Jan: Like in the days of Noah, a number of scientists think that mixing man and beast is great! It’s so wonderful that “Robert Sparrow, bioethicist at Monash University in Melbourne” [said that experimenting with Chimeras] ‘is a huge contribution to knowledge, and to me that’s a justification for why we should grow brains in a dish.’” Ibid.

Faith: The article reveals that the condition of the glial cells in the brain and spinal cord have a direct connection to the brain and nervous system diseases of **Multiple Sclerosis**, and **Parkinson’s disease**, {among others.} Did sex fiends in Sodom and before the flood, contract such nervous system diseases from practicing sodomy, masturbation, etc? Does the Spirit of Prophecy harmonize with what the scientists learned concerning damaged glial cells in relation to nervous system diseases? Does the prophet name such diseases as a consequence of masturbation and sodomy - as it was in the days of Lot, Noah, and here in the end of the world?

What does he know?

Dear Jan Marcussen,
Good evening! I was arrested for something I did not do and I'm now sitting in jail. But because of this, for the first time in my life, I really turned to Jesus our Lord. Your book "National Sunday Law" was a slap in the face wake-up call! It shook my little world. Now I praise God! Thank you so much! J. A.

Dear Jan Marcussen,
Wow! Wow! Wow! I just finished reading "National Sunday Law" and it really hit home! It makes a lot of sense why the world is the way it is. We have been fooled and lied to again and again by the devil! I can't wait to help spread this vital information by getting your book to many people! I have also read your newsletter, and what a shocker! I would like to receive these letters! Please sign me up to get them so I can start ordering these books for others. I am hungry for the truth! Thank you, and God bless! F.H. California

Dear Jan Marcussen,
I read your book "National Sunday Law." You explained the prophecies of the last days better than any book I've ever read! Please send me your follow-up book. I want to learn why sin and suffering were permitted, and who the angels are. I really like your book! I will tell my friends to read it. With love in Christ, Cindy

Pastor Jan: Watch closely - "The practice of secret habits [masturbation, etc.] surely destroys the vital forces of the system." CG 444.

In the article above, we learned that "the vital forces of the system" reside to a large degree in the glial cells, as revealed in the words, "Glia are essential to the healthy functioning of the nervous system, and are at the centre of diseases such as **Multiple Sclerosis** and **Parkinson's disease.**"

"If the practice [masturbation] is continued from the ages of fifteen and upward, nature will protest against the abuse she continues to suffer, and will make them pay the penalty for the transgression of her laws by numerous pains in the system and various diseases, such as **affection of the liver and lungs** [lung cancer], **neuralgia** [chronic pain in the face from damage to the trigeminal nerve], **rheumatism** [a disease marked by inflammation and pain in joints, muscles, and tissues], **affection of the spine** [such as **arthritis** or progressive paralysis from 1) **Multiple Sclerosis**, 2) **Lateral Sclerosis**, 3) **Amyotrophic Lateral Sclerosis**], **diseased kidneys**, and **cancerous tumors** [in various places, like in the brain.] Some of nature's fine machinery gives way, leaving a heavier task for the remaining to perform, which disorders nature's fine arrangement; and there is often a sudden breaking down of the constitution, and **death** is the result." *Child Guidance*, p. 444. Don't judge anyone because these

Vemita's Corner: "In ourselves we are incapable of doing any good thing; but that which we cannot do will be wrought by the power of God in every submissive and believing soul." DA 98

Dear Jan Marcussen,

I just finished reading your book "National Sunday Law," and I cannot find the words to express my feelings! You have shined the light of God's word on many devious lies that I have been told. I thank you for enlightening me! My life will never be the same! May God bless you! Gerald B.

diseases also have other causes. The prophet continues -

"Females possess less vital force than the other sex. The results of self-abuse [masturbation] in them is seen in various diseases such as **catarrh** [inflammation and discharge of the mucus membranes in the nose and throat], **dropsy** [painful swellings]. **Headache, loss of memory and sight, great weakness in the back and loins, affections of the spine**, the **head often decays inwardly** [At this point, so many of their glial cells and nerve cells have died that their brain **rots** from the inside. Pity the poor prostitutes who creep around in the various stages of brain rot, spinal destruction, venereal disease, AIDS, and death.] **Cancerous tumor**, which would lie dormant in the system their lifetime, is inflamed and commences its eating, destructive work. The **mind** is often utterly ruined, and **insanity** takes place." TSB 123.

"The only hope for those who practice vile habits is to forever leave them if they place any value upon health here, and salvation hereafter. It requires a **determined effort** to resist temptation, and refuse the corrupt indulgence." ApM 27.

"Mr. — had practiced these habits so long that all his powers of body and mind were brought into subjection by Satan! He would go into the woods and spend days and nights in fasting and prayer that he might overcome this great sin, and then would return to his old habits. God did not hear his prayers. He asked God to do for him what had been **in his power to do for himself**. He had vowed to God, time and again, and had as often broken his vows, and **given himself up** to his own corrupt lust, until God had left him to work his own ruin. He has since died. He was a self-murderer. The purity of heaven will never be marred with his society. Those who destroy themselves by their own acts will never have eternal life." ApM 27,28.

"All are free moral agents. And as such they must bring their **thoughts to run in the right channel**. [Many church members don't realize this.] Their meditations should make Jesus and heaven the subjects of their thoughts. Here is a wide field in which the mind can safely range. If Satan seeks [on T.V?] to divert the mind to low and sensual things **bring it back** again, and place it on eternal things; and when the Lord sees the **determined** effort made to retain only pure thoughts, He will attract the mind, **like the magnet**, and **purify the thoughts**, [Praise God!] and will enable them to cleanse themselves from every secret sin. 'Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ.' The first work for those who would reform, is to **purify the imagination.**" ApM 29.

"All have power to control their actions, if they will. If they are weak in virtue and purity... **they can** obtain help from **the Friend of the helpless**. [Wonderful Jesus!] Jesus is acquainted with all the weaknesses of human nature, and if entreated, **will give strength to overcome the most powerful** temptations. [Praise

God!] All can obtain this strength if they seek for it in humility. Jesus gives all a blessed invitation to come to Him, **the sinner's Friend**. 'Come unto me, all ye that labor, and are heavy laden, and I will give you rest.'" SA 78.

Hope: It's also called "secret vice" & "self abuse." But isn't it true that not many people are corrupt enough to practice it?

Pastor Jan: Here it is - "Secret vice is laying waste the constitution of **VERY many**, and preparing them for **diseases of almost every description.**" SA p. 53. So now what will happen?

Dear Jan Marcussen,

I have been searching for the truth, and because of reading your book "National Sunday Law," I left the Sunday church I was attending. None of those churches are guiding their people to live by the teachings of Jesus and the holy Bible. Thank you for the truth of God! Sincerely, V.L.

Dear Pastor Jan,

We greet you from Zambia in the name of our Lord Jesus. Your book "National Sunday Law" is bringing a lot of souls to Jesus Christ. It really contains the accurate truth of the Bible. Many have been listening to different denominations and they have never heard anyone describe the end days as you have. I've shared your book with many people. I want you to know that your book has changed so many lives, and it continues to do so tremendously! We have reached the exciting time when we will all participate in the grand finale of the controversy between good and evil. The time has come for us to get our priorities right. The time has come for us to fearlessly defend the Commandments of God and lovingly point out the apostasy of Sunday-keeping "Babylon the Great" — regardless of consequences. "None but those who have fortified their minds with the truths of the Bible will stand through the last great conflict." May God bless you!

Sincerely, Elder Chabala Alfred

“But few of the youth are free from corruption. Impure habits are practiced to an alarming extent, and have done more than **any other** evil to cause the **degeneration of the race.**” CTBH 132.

Charity: Do you think that when the overworked prostate gland swells and blocks the flow from the

bladder, or develops into a deadly cancer in men who practice “secret vice,” do you think that the poor men can see the cause of it?

Pastor Jan: Only heaven knows. The prophet continues -

Watch this - “Jesus was again at Jerusalem. Walking alone, in apparent meditation and prayer, He came to the pool. He saw the wretched sufferers watching for that which they supposed to be their only chance of cure. He longed to exercise His healing power, and make every sufferer whole. But it was the Sabbath day. Multitudes were going to the temple for worship, and He knew that such an act of healing would so excite the prejudice of the Jews as to cut short His work.

“But the Saviour saw one case of supreme wretchedness. It was that of a man who had been a helpless cripple for thirty-eight years. His disease was in a great degree the result of his own sin, and was looked upon as a judgment from God. Alone and friendless, feeling that he was shut out from God’s mercy, the sufferer had passed long years of misery. At the time when it was expected that the waters would be troubled, those who pitied his helplessness would bear him to the porches. But at the favored moment he had no one to help him in. He had seen the rippling of the water, but had never been able to get farther than the edge of the pool. Others stronger than he would plunge in before him. He could not contend successfully with the selfish, scrambling crowd. His persistent efforts toward the one object, and his anxiety and continual disappointment, were fast wearing away the remnant of his strength.

“The sick man was lying on his mat, and occasionally lifting his head to gaze at the pool, when a tender, compassionate face bent over him, and the words, ‘Wilt thou be made whole?’ arrested his attention. [Now he looks into the face of God!] Hope came to his heart. He felt that in some way he was to have help. But the glow of encouragement soon faded. He remembered how often he had tried to reach the pool, and now he had little prospect of living till it should again be troubled. He turned away wearily, saying, ‘Sir, I have no man, when the water is troubled, to put me into the pool: but while I

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered **for you...** Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear Pastor Jan,

Praise God because the day of our salvation is near! I was baptized into a celebration church when I was unconverted, but later, Jesus helped me to make a total surrender to Him. He opened my eyes so that after seeing the dancing, clapping, drum playing with hip-hop singers, I walked out of that church building. Now I will go to a godly SDA church. I found a box of “National Sunday Law” books in the church. I woke up about 4 a.m. to pray, and the presence of the Lord was in my room. I could feel the peace in that room. A voice came to me saying “These books need to be spread in places where people can learn the first, second, and third angels’ messages at once.” So about 6:30 a.m. I got ready and put the books on the doorsteps of every single church in my area as Martin Luther did with the 95 theses. May God bless you! Keep up the good work. By God’s grace, I will meet you soon, whether on this planet, or in heaven. J.A.

Dear Pastor Jan,

am coming, another steppeth down before me.'

"Jesus does not ask this sufferer to exercise faith in Him. He simply says, 'Rise, take up thy bed, and walk.' But the man's faith **takes hold** upon that word. **[Praise God!]** Every nerve and muscle thrills with new life. Without question he sets his will to obey the command of Christ, and all his muscles respond to his will. Springing to his feet, he finds himself an active man.

"Jesus had given him no assurance of divine help. The man might have stopped to doubt, and lost his one chance of healing. But he believed Christ's word, and in acting upon it he received strength.

"Through the same faith we may receive spiritual healing. By sin we have been severed from the life of God. Our souls are palsied. Of ourselves we are no more capable of living a holy life than was the impotent man capable of walking. There are many who realize their helplessness, and who long for that spiritual life which will bring them into harmony with God; they are vainly striving to obtain it. In despair they cry, 'O wretched man that I am! who shall deliver me from this body of death?' Rom. 7:24. Let these desponding, struggling ones look up. The Saviour is bending over the

purchase of His blood, saying with inexpressible

tenderness and pity,

'Wilt thou be made whole?' He bids you arise in health and peace. **[Praise God!]** Do not wait to feel that you are made whole. **Believe His word,** and it will be fulfilled. **Put your will on the side of Christ.** Will to serve Him, and in acting upon His word you will receive strength. Whatever may be the evil practice, the master passion which through long indulgence binds both soul and body, Christ is able and longs to deliver. He will impart life to the soul that is 'dead in trespasses.' Eph. 2:1. He will set free the captive that is held by weakness and misfortune and the chains of sin.

"The restored paralytic stooped to take up his bed... and as he straightened himself again with a sense of delight, he looked around for his Deliverer; but Jesus was lost in the crowd...
