In the end of the world science is making things better and better. What is this? Is it a sodomite? Is it a bird? Is it superwoman? You'll know in a minute.

“In the last scenes of this earth's history war will rage. There will be pestilence, plague and famine. The waters of the deep will overflow their boundaries. Property and life will be destroyed by fire and flood. We should be preparing for the mansions that Christ has gone to prepare for them that love Him.” LDE 24.

What will be happening? And how will it affect us?
Pastor Jan: Are you ready? Here we go -

Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.”

Dear SDA friends around the world,
Greetings in Jesus' holy name. Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The Bible quote says, “The devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.” Rev. 12:12. How short?

WHAT WOULD THE PERFECT HUMAN LOOK LIKE? BAT EARS, CLAWS AND A BABY POUCH, SAYS SCIENTIST

<https://www.iflscience.com/plants-and-animals/scientists-reveal-what-the-perfect-body-would-look-like-and-its-amazing/>

BY KASHMIRA GANDER ON 6/11/18

While the human body can withstand horrendous trauma, we are far from infallible. We'd be much better off if we had bat ears, clawed feet, and a pouch to carry a baby, according to a scientist who has designed the perfect human.

Alice Roberts, a scientist and TV presenter, was tasked with using existing anatomy in the animal kingdom to piece together the version of herself for a BBC documentary entitled *Can Science Make Me Perfect?*

The new and improved Roberts was inspired by fish, dogs, cats, cephalopods, swans and chimps.

Thanks to its bat-like ears, the resulting creature would never go deaf, Roberts explained in a piece for the British newspaper, *The Mail*, on Sunday. And its extra arteries would make it less likely to suffer a heart attack, she said.

With lungs more akin to those of a bird's, the new Roberts would breathe and absorb oxygen into its blood with greater ease, and its reptilian skin would protect it from ultraviolet rays. And although its claw feet would deprive it of the ability to climb mountains, it would be able to move faster.

Roberts is far from the first scientist to wonder what the human body would look like if we had **evolved** to be better equipped to survive our surroundings. Although it is widely believed that humans have stopped evolving, the technological advances of the genomic revolution suggest we are still changing, not just over thousands or millions of years, but centuries and even decades.

However, the extreme changes that Roberts depicts are not in the cards in the near future. Neither are those dreamed up in 2016 by government agencies in the Australian state of Victoria who collaborated to design a human that would be able to withstand car crashes.

Pastor Jan: The article you just read gives us a hint of the truthfulness of what the prophet predicted for the future - namely - that as the devil is uniting the world behind the coming Sunday law, scientists, preachers, and people will unite in looking forward to better things to come - namely, the soon-coming millennium of peace and safety. Here's the quote -

"Through the two great errors, the immortality of the soul and Sunday sacredness, Satan will bring the people under his deceptions. While the former lays the foundation of spiritualism, the latter creates a bond of sympathy with Rome. The Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of spiritualism; they will reach over the abyss to clasp hands with the Roman power; and under the influence of this threefold union, **this country will follow in the steps of Rome in**

trampling on the rights of conscience. [That law is getting closer and closer.]

"As spiritualism more closely imitates the nominal Christianity of the day, it has greater power to deceive and ensnare. Satan himself is converted, after the modern order of things. [Pastor Jan: Notice the words, "is converted after the modern order of things." The devil and his angels faithfully attend church now.] He will appear in the character of an angel of light. Through the agency of spiritualism, miracles will be wrought, the sick will be healed, and many undeniable wonders will be performed. And as **the spirits will profess faith in the Bible, and manifest respect for the institutions of the church, their work will be accepted as a manifestation of divine power.**

Hope: What's in this bush?

Pastor Jan: It's Sweet Vennita! Hi Sweetheart! We love to see you!

Pastor Jan: She will pull on it.

And pull.

And she won the battle!

“The line of distinction between professed Christians and the ungodly is now hardly distinguishable. Church members love what the world loves and are ready to join with them, and Satan determines to **unite them in one body** [Pastor Jan: There’s the sweet unity which the devil loves - the unity in worldliness - which leads the masses to hell] and thus strengthen his cause by sweeping all into the ranks of spiritualism. Papists, who boast of miracles as a certain sign of the true church, will be readily deceived by this wonder-working power; and Protestants, having cast away the shield of truth, will also be

Do you see it coming down the street?

“The seaports that have become like Sodom for wickedness, are swallowed up by the angry waters... The proudest cities of the earth are laid low [by earthquake, fire, flood, war]. The lordly palaces, upon which the world’s great men have lavished their wealth in order to glorify themselves, are crumbling to ruin before their eyes. Prison walls are rent asunder, and God’s people, who have been held in bondage for their faith, are set free.” GC 637.

If non-Christians read these words from the prophet at this moment, they might say that such calamities, or the passage of the Sunday law by the Congress, the Senate, the President, and the Supreme Court, after months of debate, can never happen in the U.S. But when seeing the “steps” {GC 574} taken during months of debate, they see these issues approved by the Vatican, by the Congress, then by the Senate, then by the President, and finally by the Supreme Court, their eyes will get real big.

Dear Pastor Marcussen,

I read the NSL book and shortly afterward, I became a Seventh-day Adventist - after 30 years of Sunday worship! The NSL book has changed my life forever! Recently, a friend gave me some of your newsletters, and the material is astounding! I’m amazed with the amount of TRUTH that I’ve learned in a short time! I will be giving out the NSL books! Keep up the good work! God bless you! H.B. Buffalo, NY

“While appearing to the children of men as a great physician who can heal all their maladies, he will bring disease and disaster, until **populous cities are reduced to ruin and desolation**. Even now he is at work. In accidents and calamities by sea and by land, in great conflagrations, in fierce tornadoes and terrific hailstorms, in tempests, floods, cyclones, tidal waves, and earthquakes, in every place and in a thousand forms, Satan is exercising his power. He sweeps away the ripening harvest, and famine and distress follow. He imparts to the air a deadly taint, and thousands perish by the pestilence. These **visitations are to become more and more frequent** and disastrous. Destruction will be upon both man and beast. ‘The earth mourneth and fadeth away,’ ‘the haughty people... do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant.’ Isa. 24:4,5. destroy Johnstown, PA, Paradise, CA, and many others? Pastor Jan: The prophet reveals that “thousands of cities’ will be hit by Satan’s armies as the poor, pot lucky people continue to beat back the Holy Spirit and the love of our kind Father year after year, and refuse to obey Him, while trusting that dear Jesus will save them in sin.] Satan has control of all whom God does not especially guard. He will favor and prosper some in order to further his own designs, and he will bring trouble upon others and **lead men to believe** that it is God who is afflicting them.

Dear Pastor Jan,
Greetings from Zomba, Malawi, Central Africa. As you can see from the enclosed picture, on January 9th, the rain started falling down for two days and two nights until the water flooded and destroyed everything. You can see that crops have been carried away, houses have fallen down, and hundreds died. Now people are homeless and are sleeping in the church and other places. The flood destroyed 29 villages. But because of these horrible things, there are more than 60 people who want the “National Sunday Law” books. [Praise the Lord!] I have been able to teach the people right out of the NSL book! These are the Islamic people and Sunday worshippers. Finally, may God bless you too. Your love in Christ, Massa Lawson Dutch

deluded. Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a **grand movement for the conversion of the world and the ushering in of the long-expected millennium**. [Pastor Jan: There it is! The “mark” of this “grand movement” will be the devil’s law enforcing his favorite day - the day of the sun.]

“Through spiritualism, Satan appears as a benefactor of the race, healing the diseases of the people, and professing to present a new and more exalted system of religious faith; but at the same time he works as a destroyer. His temptations are leading multitudes to ruin. Intemperance dethrones reason; sensual indulgence, strife, and bloodshed follow. Satan delights in war, for it excites the worst passions of the soul and then sweeps into eternity its victims steeped in vice and blood. It is his object to incite the nations to war against one another, for he can thus divert the minds of the people from the work of preparation to stand in the day of God.

“Satan works through the elements also to garner his harvest of unprepared souls. He has studied the secrets of the laboratories of nature, and he uses all his power to control the elements as far as God allows. When he was suffered to afflict Job, how quickly flocks and herds, servants, houses, children, were swept away, one trouble succeeding another as in a moment. It is God that shields His creatures and hedges them in from the power of the destroyer. But the Christian world have shown contempt for the law of Jehovah; and the Lord will do just what He has declared that He would—**He will withdraw His blessings from the earth and remove His protecting care from those who are rebelling against His law** and teaching and forcing others to do the same.

[Charity: Is that why He allowed the devil to

High Percentage of U.S. Christians Embrace New Age Beliefs

“And then the great deceiver The New American, 12/10/18. will persuade men that those who serve God are causing these evils. The class that have provoked the displeasure of Heaven will charge all their troubles upon those whose obedience to God’s commandments is a perpetual reproof to transgressors. It will be declared that men are offending God by the violation of the Sunday sabbath; that this sin has brought calamities which will not cease until Sunday observance shall be **strictly enforced**; and that those who present the claims of the fourth commandment, thus destroying reverence for Sunday, are troublers of the people, preventing their restoration to divine favor and temporal prosperity.” GC 590.

Since the devil’s Sunday law is coming so soon, he puts up smoke-screens - to make God’s people think that it will be far away - so they will stop giving the 3 angels’ warning message to the masses. In order to divert them from it - **“Every wind of doctrine will be blowing.”** 5T 80.

Hope: What kind of a tricky smoke-screen could the fiend put up to make some think that the devil’s law is far away - so they won’t reach the people with God’s last message - so that souls would be lost?

Faith: Notice the words, **“Every wind of doctrine.”** On the internet you see some people saying that the world is flat - with the edges made of great walls of ice to keep the oceans from falling off into space; while others are swinging pendulums to get answers to their problems; and others are saying that the Sunday

Dear Jan Marcussen,
Greetings from Zimbabwe. I am 22 years old and am patiently waiting the soon return of our Lord Jesus. After reading your book “National Sunday Law,” I was astonished! This book has entirely changed my life! The facts in this book are undeniable. To reject these truths is perilous. May God enable you to continue to expose the masterpiece of Satan, [and to reveal the beauties of our Lord Jesus.] I lead a group of people in Bible study. I am sharing this book with them, and with many others. Your brother in Christ, F. Chikandiwa

law will be passed this spring, or even in March! Some are even saying that the close of probation for the world - which comes after the enforcement of the Sunday law with terrible “teeth” in it - will happen this spring! Are they right? Or will they lose all their credibility and shrink into a hole when it’s seen that their time-setting predictions have failed? The prophet of God warned us about time-setting predictions. Is this time-setting prediction a smokescreen to make people think that since the prediction failed, the event is far away? Isn’t that what the devil

wants people to think?

Spring is right upon us, and March is here. Will that tiny amount of time give the devil all the time he needs to be able to 1) broadcast the issue in all the media around the nation, and 2) have his angels appear by the billions to talk with most everyone - masquerading as dead loved ones from heaven, so that - as quick as a flash - hundreds of millions of people, and tens of millions of atheists and liberals [who hate religious laws] will be tricked into accepting the mark of the beast when the Sunday law - with terrible teeth in it - **“shall be strictly enforced”**? GC 590.

Can the devil take over the brains of the 300,000,000 people of the U.S., and take over the brains of the Congressmen, and take over the brains of the Senators, and take over the brain of the President, and take over the brains of the poor chaps on the Supreme Court during the months of debating the issue in Congress, then debating it in the Senate, and then in the Supreme Court, in just a little hand full of weeks? We know that the devil’s law is coming very soon, but can the devil shoot himself out of a cannon to do all he must do to the brains of the nation to get a Sunday law that has “teeth” in it - passed in the Congress, then passed in the Senate, then signed by the President - then finally approved by the Supreme Court, after months of being agitated by the whole nation - all in just a tiny hand full of weeks from now? Would the humongous attempt make the devil fall on his back with a migraine headache?

Dear Pastor Jan, I have shared your book “National Sunday Law” with so many people in both English and Spanish! I just want you to know that your book has changed many lives, and is continuing to do so by the day! Sincerely Jesse

Pastor Jan: Praise God for the Spirit of Prophecy!!! Watch closely - **“If the reader would understand** the agencies to be employed in the soon-coming **contest**, he has but to trace the record of the means which Rome employed **for the same object in ages past**. [Notice the words, **“in ages past.”** So the effort to enforce the national Sunday law will come in our day - according to the “steps” of the process revealed by the prophet, as it was **“in ages past.”**] If he would know how papists and Protestants united will deal with those who reject their dogmas, let him

While over 70 percent of Americans self-identify as Christian, a new Pew Research study published October 1 has found that a large percentage of U.S. Christians also embrace New Age beliefs. According to the Pew study, 61 percent of Americans who identify as Christian also buy into at least one of the following decidedly New Age/pagan beliefs: astrology (26 percent), reincarnation (29 percent), psychics (40 percent), and that spiritual energy can be found in physical things (42 percent).

Among evangelical Christians, who traditionally have held a strong commitment to Scripture (which is clear in its condemnation of such beliefs), 47 percent of those surveyed confessed to embracing one of the above New Age/pagan beliefs. And among self-identifying Catholics, that number stands at an overwhelming 70 percent.

After reading that, you can see why the prophet said, “Papists, who boast of miracles as a certain sign of the true church, will be readily deceived by this wonder-working power; and Protestants, having cast away the shield of truth, will also be deluded. Papists, Protestants, and worldlings will alike accept the form of godliness without the power, [like in the demon possessed celebration churches] and they will see in this union a grand movement for the conversion of the world and the ushering in of the long-expected millennium.” GC 574.

Dear Jan Marcussen,
After reading your book “National Sunday Law,” I am shocked at how easily Sunday is accepted. I trust God and I know that Sunday is not of the Bible! Now I know that Rome changed the day. We are so easily deceived by the great deceiver! This burden has been on my heart for some time and our family no longer recognizes Sunday and the other days of traditional festivities. We left our Sunday church. Thank you for opening the eyes of the people with the truth of God! Charlene McCarthy

see the spirit which Rome manifested toward the Sabbath and its defenders.” GC 573,574.

Pastor Jan: The prophet reveals the “steps” that will be followed toward the passage of the national Sunday law - “as in ages past” - which is mild at first, but after months of national debate - with the help of demons - it will have “teeth” in it. Watch closely -

“[1] Royal edicts [like a Presidential executive order today - when Emperor Constantine made the first Sunday law in 321 A.D.] [2] general councils, and [3] church ordinances [4] sustained by **secular power** were the **steps** by which the pagan festival [Sunday] attained its position of honor in the Christian world.” GC 574.

Notice the word “steps.” There are “steps” in the process of getting the devil’s law. And the more horrors that come; and the more the issue is debated amid calamities, wars, terrorism, crime, horrors, etc. the closer and closer will it come.

Try not to be hard on the dear people who made the false time predictions. I’m sure that they are sincere, unless some of them are agents of █████ sent to cause chaos - to try to stop God’s people from giving the 3rd angel’s message. Treat them as dear Jesus treats all of us. “Blessed are the merciful, for they shall obtain mercy.” Matt. 5:7. How beautiful that is!

Faith: What hope do the people have who have set a false time prediction?

Pastor Jan: They will be saved from humiliation and lost credibility if, before their time prediction fails, they publically retract it. Then they will be noble, and happy in Jesus.

Charity: What’s the danger in making a failed time prediction? What evil does it do?

Pastor Jan: The prophet reveals that when a time setting prediction fails, what it does to the people is - it makes them throw the warnings of prophecy out the window because now that the predicted time passed by, they feel like they have much more time to relax and be careless until some future time. Then, Satan gets control of their careless brains, and holds them in that position until many of them are lost.

Faith: What’s the main thing now leading to the devil’s law?

Pastor Jan: Back in the late ‘80s and early ‘90s, the printed media had many articles showing the devil’s push for his law. But by the late ‘90s, the fiend saw that he was shooting himself in the foot because his push to exalt Sunday was causing many Laodiceans to wake up and get God’s last

message to the people. So since Y2K Satan has changed his tactics. He is getting some Sunday laws in Catholic Europe - but that’s expected. In the U.S. he is still pushing for it as hard as he can, but his main push now is under the table - so as not to arouse God’s SDA people.

Faith: What is his main push now that is under the table?

Pastor Jan: His big push now is to give his secret girlfriend **universal** power over government agencies, over every type of media, over finances, over agriculture, over all the churches in the ecumenical movement, over computer systems, over the forms of crime, cults, mafia, gangs, secret societies, Catholic groups masquerading as Protestants groups, all modern life that anyone can think of - to put a stranglehold on God’s people to try to stop them from giving God’s 3rd angel’s message. And then, like a happy church beach party, the devil will have everyone, sing, and swing, and sin, and celebrate - as everyone - even the liberals and atheists - unite with the supernatural elements of spiritualism filling their brains - and corrupt, spiritualistic Protestantism unites with Rome.

Hope: Who is Satan’s secret girlfriend whom he is giving **universal** power to control most all society - to stop God’s people? And what does the word Catholic mean?

Pastor Jan: The word Catholic means “**universal!**” Satan’s great push now is to lay the foundation for his law by putting his papal girlfriend into **universal** power over all society. But we see that our mighty God is still in control, because, when Satan’s forces were about to make a papal controlled, sodomite witch the President of the United States, God’s holy angels were sent, and they knocked the fiends out of the way, and the divine power of God made the President of the United States to be - a Bulldozer.

The Bulldozer is in place by divine power to stop Satan’s **universal** girlfriend from destroying the United States faster than God’s wisdom allows. God’s prophet reveals that not until the Sunday law is passed, will Satan’s agents be able to destroy this great nation. Here are some quotes -

“The people of the United States have been a favored people, but when they restrict religious liberty, surrender Protestantism, and give countenance to **popery**, the measure of their guilt will be full, and ‘national apostasy’ will be registered in the books of heaven.” LDE 133.

“It is at the time of the national apostasy when, acting on

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered **for you**... Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear Sir,

Never have I read a book like this one! “National Sunday Law” has answered questions that I longed to ask others, but was afraid to. May God richly bless the person who sent out this book for God’s people! E.I.

Dear Jan Marcussen,

I just finished your book “National Sunday Law.” I truly believe that God sent you to save his people! I grew up in a Baptist church background. When I was a young teenager, I stopped going because the church people were acting like the devil. I asked a pastor if he believes that if you ask Jesus into your heart, and yet you still willingly live a life of sin, you will go to heaven. He said “Yes.” I strongly disagree. I also asked him about the Sabbath. He said that he worships on Sunday because Christ rose from the dead on that day. From reading your book I know now that he’s ignorant about the Bible, because the Bible does not teach that. He’s expecting me at church tomorrow [Sunday]. I’m not going! I’m going to tell everyone what I’ve found in your book! My fiancée is with me all the way on my journey closer to God. God has sent you to help us. I’m ordering more “National Sunday Law” books to pass out to all the churches in my area. Thanks to you, many people will finally open their eyes and wake from their sleep to obey God. You will always be in my prayers. I can’t wait until that glorious day when we will meet each other in heaven. May God be with you forever. John

the policy of Satan, the rulers of the land will rank themselves on the side of **the man of sin [the pope]**. It is then the measure of guilt is full. The national apostasy is the signal for national ruin.” 2SM 373.

“Roman Catholic principles will be taken under the care and protection of the state. This national apostasy will speedily be followed by national ruin.” *Last Day Events*, p. 134.

“When the state shall use its power to enforce the decrees and sustain the institutions of the church — then will Protestant **America** have formed an **image** to the **papacy**, and there will be a national apostasy which will end only in national ruin.” 7BC 976. Many can tell that we are in the end of the world.

“The heirs of God have come from garrets, from hovels, from dungeons, from scaffolds, from mountains, from deserts, from the caves of the earth, from the caverns of the sea. On earth they were ‘destitute, afflicted, tormented.’ Millions went down to the grave loaded with infamy, because they steadfastly refused to yield to the deceptive claims of Satan. By human

tribunals they were adjudged the vilest of criminals. But now **‘God is judge himself.’** Ps. 50:6. **‘They shall call them, The holy people, The redeemed of the Lord.’** They are no longer feeble, afflicted, scattered, and oppressed. Henceforth they are to be ever with the Lord. They stand before the throne clad in richer robes than the most honored of the earth have ever worn. They are crowned with diadems more glorious than were ever placed upon the brow of earthly monarchs. The days of pain and weeping are forever ended. The King of glory has wiped the tears from all faces; every cause of grief has been removed. **[Praise God!]** Amid the waving of palm-branches they pour forth a song of praise, clear, sweet, and harmonious; every voice takes up the strain, until the anthem swells

Dear Sir,
I'm the pastor of the local Church of God in Christ. Not long ago a man handed me a book entitled "National Sunday Law." He told me to read it and asked me to let him know what I thought of it when I saw him again. I read the book and I now realize what the Holy Spirit wants me to do. I must give this message of God's Sabbath to my entire congregation, and to my whole denomination! Please pray for me as I convey this most important message to the Churches of God in Christ. Thank you! Pastor U.C.
