The August, 2019 issue of American Police Beat reveals that time is so short now that they must try to do something to help prevent many police officers from killing themselves. It says, "The law enforcement profession as a whole absolutely must take action... Suicide is the number one killer of police officers."

Another article in the journal shows this picture, and discusses "Understanding officer reaction time in deadly force encounters." It reveals that "in a lethal force encounter," police officers are able to pull the trigger about two times per second. It talks about when to keep pulling the trigger, and when to stop. May dear Jesus help them as they try to help innocent people, and then have to face fiends and demons. The prophet of God cries out - "Thefts and murders are committed on every hand. Men possessed of demons are taking the lives of men, women, and little children. Men have become infatuated with vice, and every species of evil prevails." 9T 11.

come down to take any thing out of his house: Neither let him which is in the field return back to take his clothes. And woe unto them that are with child, and to them that give suck in those days! But pray ye that your flight be not in the winter, neither on the sabbath day: For then shall be great tribulation, such as was not since the beginning of the world to this time, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened."

This poor creature goes by the name Xochi Mochi. The thing joins other Jesuit operatives - like the ones you see below - in reading to the children corruption that will twist their brains to help them 1) to give up whatever they've learned about right and wrong; 2) to reject God; 3) to reject their dear parents; and 4) to join the new world system in preparation for the bubbling excitement of hell. This new movement is called "Drag Queen Story Hour" where the fiends read homosexual corruption to tiny children, whose poor deceived mothers bring them to the literary house of demons.

This is not too surprising since you've already learned that the Vatican has placed the Jesuits of Rome at the head of the educational system.

Hope: Does "the abomination of desolation" still exist?
 Pastor Jan: "Said the angel, 'They will be brought into close combat with the beast... Their only hope of eternal life is to remain steadfast.'" EW 254.
 "The world is fast becoming ripe for destruction. Soon the judgments of God are to be poured out, and sin and sinners are to be consumed." PP 166.
 Charity: Are we in the end of the world? What will happen next?

Dear SDA friends around the world,

Greetings in Jesus' holy name.

Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The Bible text above speaks of "the abomination of desolation, spoken of by Daniel." Matt. 24:15. Daniel 7 describes the desolating "little horn" power. Does Rome have anything to do with that horn? Is it alive now?

Pastor Jan: Verses 21 & 22 give the answer.

Hope: Has our kind Father allowed the fiends to "trickishly" get into the nation, the schools, the colleges, universities, churches, T.V., internet, media, etc. to attack the nation with corruption, dope, promises and lies? And how will it all affect us?

Pastor Jan: Are you ready? Here we go -

OPENERS | SCOTT WARDEN

"I beheld, and the same horn made war with the saints, and prevailed against them; Until the Ancient of days came, and judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom." Dan. 7:21,22.

Notice that this little "horn" 1 - makes war against God's people; 2 - prevails against them" **until** "the time came that the saints possessed the kingdom." This abomination horn power attacks God's people until Jesus comes! What a thought! Why does our kind Father allow it? {You've already learned that this little horn of Daniel 7 is papal Rome.}

Hope: So how will they do it? The prophet reveals that the papacy lays her plans many years in advance. Do you have any evidence of this?

Pastor Jan: In the book, *Making America Catholic*, [written in 1923] papal leaders say, 1) "All human power is from evil, and must therefore be standing under the Pope." 2) "The pope has the right to give nations which are non-Catholic to Catholic regents who can reduce them to slavery." 3) "The pope can make slaves of those Christian subjects whose ruling power is interdicted by the Pope." 4) "The church has the right to practice the unconditional censure of

These two magazines are like others around the nation, showing that the devil is going hog wild to debauch the ignorant people - affecting the frontal lobes of their brains, and preparing them to be stupefied to the degree that they will receive the mark of the beast when it's enforced by law.

There are several names for the same plant. They call it the Hemp plant, the Cannabis plant and the Marijuana plant. But it's the same plant. The policeman you'll see, reveals that every part of the plant, including CBD oil, contains the hallucinogen THC.

Faith: Are you brave enough to reveal that parts of this hallucinogenic plant are sold in breakfast cereal in food markets in Loma Linda, CA, in Collegedale, TN, and in Wildwood, GA?

Pastor Jan: I'm bashful. But I photographed the poison for sale in all three stores. If you are shocked - like I was - remember that the dear saints who are responsible for putting the habit forming drug in there, were ignorant of what they were doing, and just need to be lovingly enlightened so they'll be able to take it out of their stores - so the blood of souls will not be upon their heads.

Banning sporting events on Sundays is something to cheer for

In a pastoral letter entitled "The Day of the Lord," released May 15, Detroit Archbishop Allen H. Vigneron wrote: "We in the Archdiocese of Detroit will cease sporting events on Sunday. This means that competitive athletic programs in the grade school

and high school levels are called to no longer play games or conduct practices on the Lord's Day."

Archbishop Vigneron goes on: "In shifting away from the hustle of required sporting activities on Sunday, we will reclaim this holy day and create more time for families to choose activities that prioritize time spent with each other and Our Lord."

While I love watching my son play football on Sunday mornings, Archbishop Vigneron deserves kudos for taking a stand

These two magazines are filled with "lying wonders," upholding the use of dangerous Marijuana for pleasure and medicine; and promoting the ingesting of CBD oil {which contains the hallucinogen THC} that they press out of the poisonous plant.

books." 5) "The Pope has the right to annul state laws, constitutions, etc." 6) "The Pope possesses the right of punishing rulers, emperors, and Kings." 7) "He who kills one who is excommunicated [by the Roman Catholic Church] is no murderer in a legal sense." 8) "The church cannot give favor to those whom she knows to be imbued with a spirit of hostility to her." 9) "We hold upon the earth the place of God Almighty." 10) "It is unlawful to grant unconditional freedom of thought, of speech, of writing, or of worship." 11) "The state should aid, protect, and defend the church." 12) "The Roman Catholic Church is free and independent of any earthly power. The Pope is sovereign head of the church which is sovereign mistress of the world. He is therefore not only Pope, but **King of Kings**, head of humanity, and head of the world." 13) "The pope alone has the right to define the limits of his own authority and the limits of the authority of the state." 14) "Roman Catholics must obey their bishops whether right or wrong." 15) "Do not fear that there is any prejudice against Catholics in high places. There is none." [A rare exception to that is a man by the name of President Donald Trump. That's why papal Rome has been using every means which they and the devil can think of to make him disappear. But the papal fiends are not allowed to do all that the devil wants to do at this time because his army is being held back by dear Jesus and His mighty angels.] 16) "When a Catholic candidate is on the ticket and his opponent is a non-Catholic, let the Catholic candidate have the votes, no matter what he represents." 17) "If the American government is to be sustained and preserved at all, it must be by the rejection of the principles of the Reformation, and the acceptance of the Catholic principles, which is a government by the Pope." 18) "There will be a Catholic altar erected in the White House, and by the will of the American people. The Catholic Church is the balance wheel of the Republic. 19) "The will of the Pope is the supreme law of all lands." 20) "The Catholic seal is set upon the United States for ever." 21) "There are more merits for obeying one's Catholic superior than for obeying God himself."

22) "It is the intention of the Pope to possess the United States. In this intention he is aided by the Jesuits and all the Catholic prelates and priests."

23) "We want to make the press of this country a positive agency in the dissemination of Catholic ideas." 24) "The Bible [especially the NIV] belongs to the Catholic Church." 25) "Protestantism, the murderous hag, is slowly dying of corruption and congenital rottenness, and she will not much longer encumber the earth." 26) "Those are not to be accounted murderers when burning with love and zeal for their Catholic mother against Protestants, they shall happen to kill a few of them." 27) "No man has a right to choose his own religion." 28) "Protestantism – we would impale it and hang it up for crows to eat. We would tear it with pincers, and fire it with hot irons. We would fill it with molten lead, and sink it in 100 fathoms of hell-fire." 29) "If Catholics ever gain sufficient majority in this country, religious freedom is at an end." 30) "A man condemned by the Pope may be killed wherever he is found." 31) "We call on the clergy everywhere to organize the laity, male and female, old and young, into secret societies."

Hope: Is that so they can murder God's dear people secretly?

Pastor Jan: It's a secret.

Charity: Of papal Rome, the Bible says, "By thy sorceries ["pharmacia" = pharmacy = drugs] were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:23,24. History books have revealed that Rome uses drugs and poisons to get rid of heretic Protestants. What do the two magazines on page 2 reveal about the Cannabis = Marijuana = Hemp plant, which agents of Rome are working to make legal everywhere?

Pastor Jan: The magazine called, The Complete Guide to Medical Marijuana, says, that **1)** Marijuana has healing powers to "beat stress, relieve pain, and fight disease." It reveals that in 1969, one of the Beatles, {Paul} spent 10 days in jail for just having a little of it. The policeman I mentioned told me just yesterday that if he caught a person with just one seed from a Hemp plant, he would test it, and the police test kit would show that that Hemp seed has THC in it. Then he would arrest the person because it was against the law to have the smallest amount of the hallucinogen by the name of THC. Now, by hook or crook, evil forces are cracking open the dope gate to hell and all the fiends are rushing into it. **2)** On page 8, the magazine shows the most yummy looking Marijuana = Cannabis = Hemp **muffins**. The article says, "Just What the Doctor Ordered."

Sweet Vennita visited a church not long ago. The members noticed a paper bag on the church steps as they came in, so they picked it up and found yummy brownies inside. They took them in and put them on the table for the fellowship dinner. Sweet Vennita **did not remember** the words of the prophet which say, "It is better to let sweet things alone. Let alone those sweet dessert dishes that are placed on the table. You do not need them. You want a clear mind to think after God's order." *Councils on Diet and Foods*, p. 328. Can you guess why most people don't crave to read that book? And can you guess what the brownies were filled with?

Faith: Sugar?

Pastor Jan: The yummy brownies were filled with the seeds of the Hemp plant. What does that mean? It means that their blood contained the hallucinogen, THC from the marijuana/hemp plant!

Hope: So then what happened?

Pastor Jan: When the fellowship dinner was over, those who ate the brownies staggered around like drunken winos and got so weak they could hardly stand up. They had to be helped to the ambulance.

Charity: Why didn't Sweet Vennita stagger around like a drunken wino?

Pastor Jan: Because she had not eaten any Hemp brownies. She didn't think about that quote, but as a rule, it's her custom to "let sweet things alone." Here she is in this picture holding up this old stump, and looking like Hercules. I really like her! But she isn't Hercules because little Prince Anthony [he's 7] can also hold up the same rotten stump.

3) There are only three states which still allow no internal use of the poisonous Hemp plant = Idaho, South Dakota, and Nebraska. **4)** The article says, "Medical Marijuana's popularity is making its way around the world." **5)** The magazine shows that the Roman Catholics who are running for president, support the use of the dangerous drug.

Vennita's Corner: "Every victory gained is a gem in the crown of life." ST 6-20-1900.

Hi Sweetheart! We see you holding up that stump. Do you see her smile? In a minute you'll learn how dear Jesus saved Sweet Vennita from getting drunk from the Hemp seeds on the Marijuana plant when the other church members were staggering around.

Here's the police test kit identifying the illegal drug THC in hemp seeds. Hemp seeds and Marijuana seeds are the same thing, being the only seeds on the plant. This sample of just a few tiny seeds tests positive [by turning red] for the illegal, habit-forming, hallucinogenic substance, THC. Then the policeman would arrest the person and take him to jail. This test sample the policeman is using, is from tiny seeds he took out of a bag of breakfast cereal !!!

6) The magazine says, "Once considered the scourge of society, Cannabis is now seen as a medical miracle." While the fiends are fooling the masses, the poisonous drug is more of a scourge now than ever! Big businesses are rushing to invest billions in it. It's predicted that Marijuana/Hemp will surpass soy beans. Instead of God's people drinking soy milk, the fiends would be happy to soak their brains in Marijuana/Hemp milk. It will continue to grow and continue to open wide its doors into hell until the degraded masses, straining with various degrees of goony eyes, will look at God's dear people and sentence them to death. "And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed." Rev. 13:15.

Yummy Hemp granola. Can you guess why a Marijuana leaf is printed on the box?

Hemp milk. Can you guess why the word Tempt is in giant letters?

Soothing Hemp oil. Will anyone notice the Marijuana leaves on the label? The devil is counting on people's brains getting more and more dull until they joyfully cross over the line.

When the ambulance got the poor church members to the hospital - they found from their blood - that they were filled with THC - - from Hemp brownies! They were all told that Marijuana was in their blood! The dear elderly church ladies never dreamed that they would ever know how it feels to be a dope fiend! But dear Jesus didn't hold it against them because they had no way to know what was in the tempting tidbits. From now on, it may be that the quote - "It is better to let sweet things alone" will be ringing in our ears as "the end of all things" is getting closer and closer.

7) **Drug pushers would joyfully agree with the magazine that Marijuana/Hemp is helpful for relieving** things like Alzheimer's, anorexia, back pain, depression, diabetes, epilepsy, insomnia, kidney disease, multiple sclerosis, obesity, Parkinson's disease, psoriasis, rheumatoid arthritis, stroke, vascular disease, wasting syndrome, yeast infection, zoster, and may be "good for what ails ya."

Retired police officer.

The magazine called Guide to CBD Oil, reveals that the "Omnibus Farm Bill of 2014" changed everything, and "The Hemp Revolution was off to an explosive start." It says that Hemp is used in materials on cars, in plastics, in thermal insulation, in salad oils, in birdseed, in livestock feed, in paper, in teabags, in rope, in animal bedding and cat litter; it's in insect repellent, in granola and snack bars - which I photographed for sale at the Loma Linda market, the University market in Collegedale, TN, and the wonderful health market at Wildwood, GA.

Faith: When they learn these amazing things, will the godly store managers remove the cereals, bars, seeds, and drinks that contain the habit-forming, brain altering drug?

Pastor Jan: Oh how I long - for the sake of God's people - for the answer to be "yes!" But they must get this information from more than one source! Will you get it to them?

Faith: What else did the policeman reveal?

Pastor Jan: Here he is -

Retired Police Officer: I recently went to the grocery store and bought a bag of Hemp Granola Cereal. You can see the little Hemp seeds in there.

Pastor Jan: So if you eat those seeds, what is there that can hurt you?

Retired Police Officer: Well, there's the hallucinogenic drug in it called THC. The hemp plant, the cannabis plant, the marijuana plant, are all the same thing. I have arrested people for the possession of Hemp seeds, also called Cannabis seeds because they contain the illegal drug, THC. THC attacks the frontal lobe of the brain. And where do we hear the Holy Spirit speaking to us? In the frontal lobe! That's where our conscience is. People who take it into their system, lie, steal, and even kill. With its legalization, crimes of all kinds are going to be increasing along with more deadly accidents.

Hope: What else will happen?

Dear Pastor Jan,
May God bless you and keep you safe for all the people who will go to heaven because of you telling the truth about God's love, and exposing the STUFF the devil is trying to get away with. I love Jesus with all my heart. I may not see you in this life, but when I get to heaven I will. When I became a Seventh-day Adventist, to keep all the commandments of God, my family turned against me. But that's OK because I have God our Father, and our wonderful Jesus, and SDA friends. Thanks again.
Your sister in Jesus, Kansas City

Dear Pastor Jan,
Recently I met a brother who introduced me to the book "National Sunday Law." I am hungering for more! This book should be in every household in the nation! For so long the truth of God has been concealed from the people! I joined the Seventh-day Adventist study group and found out what I had never been taught in my Sunday church. They also showed me so much friendliness and love that I have been going there every week. I have got to help spread God's real message to the people who have been blinded for so long! Thank you for your time, energy, and effort spent in working for the people! May God continue to bless you! Love always, brother Patrick M.

Pastor Jan: The two happy Marijuana/CBD magazines keep the horrors of the dope plant out of sight. They say that there's not that much THC in the cereal.

Retired Police Officer: How much poison is too much poison? Hemp products have various levels of THC, but you don't know unless you test it with a test kit like the police use. Anyone eating Hemp products of any kind **are** getting THC in their system.

Pastor Jan: The poor church members were staggering around the room. Now, will millions of cars be staggering around the roads?

Retired Police Officer: The highways are going to be full of people under the influence of Marijuana/Hemp.

Pastor Jan: Won't that lead to wrecks, horrors, and death? Will it speed up the approach of the "time of trouble?"

"Hope thou in God, for on Calvary's cross a complete sacrifice was offered for you... Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ." HP 262. "When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**" SD 222. Praise God friend! **Praise God!**

Dear Sir; I was a devoted Catholic. But since someone loaned me the book "National Sunday Law," everything about my life has changed. That book caused me to make the decision to be a Seventh-day Adventist. The man who loaned the book to me took it back, but the contents of the book has been established in my heart. S.P. Nigeria

Dear Pastor Jan,
Some time ago we were given the book "National Sunday Law" to read, and we immediately stopped keeping Sunday. We received instruction, and two months later we were baptized by immersion and are now Seventh-day Adventists. We are so happy!

We get the little NSL preachers to help others to be saved also, and our lives have changed! We are so much enjoying studying God's word and keeping His Sabbath! We pray that these books will reach others [like they did for us] who will accept the truth of God's word. We also plan to have you to do a bulk mailing for us in the future. May the Lord richly bless you in this ministry. In God's love. E.M.

Retired Police Officer: I was trained in the police academy, and trained as a policeman on the streets, and the people who use these products are going to have their lives ruined! They're pushing Hemp for pain medication and for all kinds of ailments!

Pastor Jan: They don't tell you about the side affects and horrors of the Hemp plant's slow but sure destruction of the delicate frontal lobe which is where your conscience is. They don't tell you about 1) the personality changes, so that without compunctions of conscience, the person can "feel better," laugh, sin, and celebrate. Scientists and doctors are ignorant of the spiritual aspect where the drug drags down - without him realizing it - a person's walk with Jesus; and puts him in an exciting fellowship with the devil.

Retired Police Officer: And then look at the 1954 edition of Webster's New World Dictionary. Among uses like the manufacture of rope, it says, 'Hemp - a drug, also called Hashish.' Now let's look up what Hashish is. It says, "Hashish, a drug which is chewed or smoked for its intoxicating and narcotic effect."

Also, the word "Assassin" is attached to the word Hashish, or Hemp. Now let's go to the word "Assassin." The Dictionary says,

Dear Pastor Marcussen,
I gave one of the NSL books to a neighbor. She read it in one night and came back the next day and said, "I'd better become a Seventh-day Adventist." It was so clear to her that she wants to read it again and again, and give it to everyone she can. She is planning to go to church with me this coming Sabbath! So quickly does God work, and such love He has for everyone! This is really exciting. Sincerely, E.M.

"Assassin = Hashish eaters. Members of the secret band of Hashish eating Muslims who killed Christian leaders during the Crusades. Assassin: a murderer who strikes suddenly without warning; the hired, or delegated killer of some politically important personage." So people under the influence of Hemp/Hashish/Marijuana are used through history for political assassinations!

Dear Sir,
A man gave me a book called "National Sunday Law" and drove away. I never saw him again. I read it 5 or 6 times. It changed my life! I grew up a Baptist, but there was something missing deep down inside. I had no rest. After reading your book I searched for a church. I found a small, little church. Now I am a Seventh-day Adventist. I left everything - a large Sunday school, social events, everything. But I learned about God's Sabbath, [and His love], and I found peace of mind. Thanks for your book! Don't get tired of reaching the people for Jesus! O.S.

If you've ever seen anyone after they've smoked Marijuana/Hashish/Hemp, they don't have a conscience! If you ask a person under the influence of this drug, what they think of sin, they'd probably just laugh.

Hope: Will the managers of the three markets keep selling the tasty poison to God's dear people?

Charity: We believe better things. Who will kindly speak to them in person and show them this letter so they'll know what to do?

Faith: If God's people mail them a copy of this letter with a kindly note explaining what's in the letter, do you think that it will help them know what our kind Father would have them to do?
