## Black hole at Milky Way's center seen behaving strangely

By Christopher Carbone | Fox News

"The black hole at the center of our Milky Way galaxy is behaving strangely, according to astronomers. In May, scientists observing Sagittarius A, as the black hole is known, saw something unique taking place in the matter around it.

"The black hole is always variable, but this was the brightest we've seen in the infrared so far," Tuan Do, an astronomer at the University of California, Los Angeles, and lead author of the new study, said in a statement on Twitter. "It was probably even brighter before we started observing that night!"

"According to Space.com, his hypothesis is based on the fact that, when the astronomers focused on the area on May 13, they saw relatively high brightness decreasing, suggesting that the black hole had passed an unknown peak that was even brighter."

Charity: What's in that "Black Hole?" We've already learned that the SDA scientist, Dr. Robert Gentry showed the world that our Milky Way galaxy - with a "black hole" in the middle - is at the center of the universe. And God's prophet revealed that God's throne is at the center of that - with the universe revolving around it. Therefore, this article has meaning for us in view of the fact that Jesus is coming soon.

MYSTERIES & SECRETS FROM OUR LUNAR NEIGHBOR

# THE MOON

Dear SDA friends around the world,

Greetings in Jesus' holy name. Read all the boxes in this letter, then come back here and we'll talk about what's happening.

**Faith:** Is it true that in this letter, we're going to see how the masses are being tricked and brought to the brink of death by more crooks, hoodlums, frauds, and hoaxes than people have imagined?

**Pastor Jan:** Yes. The ones you see at first are more mild, but the ones you'll see as we go along are affecting hundreds of millions, and leading them - and maybe even you - toward the grave.

**Hope:** The above Bible quote says, "For by thy sorceries were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:23,24. Does that text have anything to do with these horrors? And what dangers do they pose for us?

**Pastor Jan:** Are you ready? Here we go -

“But evil men and seducers shall wax worse and worse, deceiving, and being deceived.” II Tim. 3:13.

**Dr. R. Stillborn:** After much study and investigation, we now know that the moon is flat.

**Pastor Jan:** Do you really mean it?

**Dr. R. Stillborn:** Absolutely. All the pictures of men on the moon, and pictures of the moon in the night sky were just made in places like Hollywood. And the kind of wood which witches use for the brooms they fly on is Holly wood.

**Pastor Jan:** What about the cover of the magazine on page one?

**Dr. R. Stillborn:** It's as fake as all the rest.

**Pastor Jan:** What about the earth? Does the moon go around the earth? And does the earth go around the sun?

**Dr. R. Stillborn:** The earth is just as flat as the moon. And they're both just as flat as the sun.

**Pastor Jan:** When the oceans get to the edge of the earth, do they fall off into space - along with all the fish, submarines, and ships? Then do they float around in space?

**Dr. R. Stillborn:** The oceans are held in place by great walls of ice as tall as 7 miles high. Since the Mariana Trench is 7 miles deep, the walls of ice holding the oceans from falling into space can be as much as 7 miles high.

**Pastor Jan:** Could a great hurricane blow the wall over? Could water flow underneath it? It takes a lot of strength to hold up a wall of ice which is holding up the vast ocean. What's on the other side of the walls of ice to keep them from falling over? What could be strong enough to hold them up? In the summer, why don't they melt? When you look at a globe of the earth, you see that the boundaries of the oceans are all the beaches around the world. Everyone can see those beaches. They fulfill the command of God to the oceans which says, “Hitherto shalt thou come, but no further: and here shall thy proud waves be stayed.” Job 38:11. Has anyone ever seen the walls of ice holding up the oceans?

**Dr. R. Stillborn:** No one has seen them except our spirit medium in New York City.

**Pastor Jan:** After sunset, where does the sun go? And what's underneath the flat earth, underneath the flat moon, and underneath the flat sun?

**Dr. R. Stillborn:** We haven't conjured all that up yet. I have to go back to New York City and talk with our spirit medium and the Catholic Bishop at the next monthly seance.

**Pastor Jan:** Who does your spirit medium get her information from?

**Dr. R. Stillborn:** Our spirit medium has an agreement with the devil, and he has promised to tell her the truth.

**Pastor Jan:** Dear Jesus has a message of love for your spirit medium. It's in John 8:44.

**Dr. R. Stillborn:** What does it say?

**Pastor Jan:** It says, “Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.”

**Dr. R. Stillborn:** What should we tell people concerning these things?

**Pastor Jan:** You can tell them to 1) “Comfort the feebleminded.” I Thess. 5:14. 2) “Evil men and seducers shall wax worse and worse, deceiving, and being deceived.” II Tim. 3:13. 3) “Behold the Lamb of God which taketh away the sin of the world.” John 1:29. And 4) “Thou shalt call his name JESUS: for he shall save his people from their sins.” Matt. 1:21.

As amazing as all that is, it's like nothing compared to the letter which exposes something so shocking that it could affect people around the world. Here it is -

**Dear Sirs:**

**Earlier this year I had chest pain, {which turned out to be just stomach acid coming up. They call it “heart burn”} so I went to the hospital and they inserted a stent - which took about 20 - 30 minutes. There was some buildup in one coronary artery, but it was not blocked. I felt fine and went home with the medicine they gave me.**

**Soon, I received a bill in the mail for \$1,040 from what appeared as coming from the hospital. I quickly received another bill for over \$3,000 from what appeared to be coming from the hospital, but from a different location. Then, I received a third bill in the mail from what appeared to be from the hospital, but from yet a third address.**

**That third bill listed all the things they did, and showed that they were charging me a total of about a quarter of a million dollars. They charged \$18,943 for staying in a little room for a few hours called CCU; \$17,473 for lab services; \$2,859 for the EKG; \$9,085 for looking at my heart and blood vessels; \$1,912 for taking the picture of them. \$15,695 for the 5 pills they gave me to swallow; \$11,109 for room & nursing care; \$19,909 for supplies; \$112,440 for Cardiac Cath; and \$7,868 for coming into the emergency room. It totaled**

**\$217,296.81. It was thrilling to read it. They stated that the \$217,296.81 had been adjusted down to about \$18,000 {from the kindness of their hearts.} And then it stated that my insurance company paid \$16,599.72. The only problem with that little white one is that I have no insurance company! So the final adjusted bill was only \$1,364.00. It makes people's hearts sing for joy, and feel great about paying only \$1,364.00 instead of nearly a quarter of a million.**

**I recently learned about Ray - to whom the same thing happened. He had been financially well off, but after paying a quarter of a million dollars to the hospital, ER, the various doctors, etc. he is now poor. His bill was not “adjusted” like mine was. Another friend of ours was also in the same boat, owing even more than Ray. She learned that a debtor can pay \$5 per month, and the creditor must accept it. So, rather than going bankrupt, she will be sending them \$5 per month until doomsday.**

**A man from the business office told me that 25% of the patients in the hospital were homeless people who pay nothing. So the hospital has to jack the price up to about a quarter of a million dollars, and then show adjustments and discounts, so that the bill comes down to what the hospital really wants. It's a gimmick with which the hospital defends itself against going broke. After all, to the business office, the health industry is a BIG BUSINESS. Sometimes a person has no choice, but if at all possible, **STAY OUT OF THE HOSPITALS!****

**So you can see the tremendous value of God's eight laws of health. Don't take them lightly!!! To be in good health people need to - “Do whatever it takes.” If they are overweight; if they eat too much, and don't have the best diet; if they don't get enough exercise; if they don't get enough rest; or if they worry a lot; they need to “Do whatever it takes” to be in good health, and to fill their minds with the promises of God - to rest in His love! If they don't even know what God's eight laws of health are, they need to “Do whatever it takes” to learn and follow them! Our very lives depend upon it!**

I learned that when people come home from certain hospitals, hackers have already hacked into the computer system in the business office and the hackers quickly send a bill to the patients before the hospital does. That way, maybe thousands of people send checks to the hackers. Then when the patients receive the bill from the real hospital, they find out that they will have to pay both the hackers and the hospital. The hackers are no doubt tempted to also send the bill to the patient's insurance company. I met a man recently who works for the insurance companies doing nothing but checking each claim, and weeding out claims from the hackers. In my case, I learned that the first two bills were from the hackers, and the third one was from the real hospital.

After taking the medicine for a few days, I noticed some dizziness, so I researched many articles from official drug websites concerning what people are given to thin their blood to keep their arteries from being clogged. One of the blood thinning drugs is named Warfarin. It's the killer in rat poison. This picture on the right of Rodex rat poison contains the Warfarin as the agent of death. Doctors have been taught to give Warfarin {another name for the drug is Coumadin} to heart patients to keep their blood thin to prevent artery blockage. In rats, Warfarin {Coumadin} thins their blood until they drop dead. A friend of mine was taking Warfarin {Coumadin} and it caused blood to come out of a blood vessel in his brain! It built up so much pressure in his head that he had to rush to the hospital. Then, the surgeon took a drill and drilled a hole in his head to let the pressure and the blood out. If he hadn't drilled a hole in his head, he would no doubt have died. You can imagine that he doesn't take that drug any more! "For by thy **sorceries** were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:23,24.

Besides Warfarin {Coumadin}, there are other drugs that bring similar blessings. They are Ticagrelor = {Brilinta}; Prasugrel; and Clopidogrel Bisulfate = {Plavix}. Millions are taking these drugs every day. In the literature, there is a long list of possible side effects associated with these drugs, such as **nosebleeds, headache, dizziness, nausea, diarrhea, irregular heartbeat, fatigue, chest pain, anemia, atrial fibrillation, confusion, problems with vision, speech, balance; weakness; liver damage; kidney damage; and fatal bleeding**, [Fatal means that while taking the drug, people can bleed and die.] In their official website, I read the words - "**Discontinuation of Brilinta will increase the risk of myocardial infarction, stent thrombosis, and death.** [Once you start taking it, don't dare stop or else you may drop dead.] So the doctor gave it to me, and I was trapped in its jaws until I might drop into the grave. So after a few days I dug a hole and dropped the drug into the grave. That was 6 months ago. So what happened to me? I'll tell you in a minute.] **Many of these side effects are found in the websites below, as well as other websites.**

[https://www.brilintahcp.com/?source=BRL\\_N\\_H\\_382&umedium=CPC&uadpub=Google&ucgclsrcn=Branded\\_2018\\_Primary&ucreative=Generic\\_MedicationTreatment&uplace=ticagrelor&cmpid=1&gclid=Cj0KCCQjwy97qBRDoARIsAITONTKUU6Szk8nOOhGqm4qRclAsilSUv8UZsU-LwtvYRg1MZGENOAOBNblaAhhSEALw\\_wcB&gclsrc=aw.ds](https://www.brilintahcp.com/?source=BRL_N_H_382&umedium=CPC&uadpub=Google&ucgclsrcn=Branded_2018_Primary&ucreative=Generic_MedicationTreatment&uplace=ticagrelor&cmpid=1&gclid=Cj0KCCQjwy97qBRDoARIsAITONTKUU6Szk8nOOhGqm4qRclAsilSUv8UZsU-LwtvYRg1MZGENOAOBNblaAhhSEALw_wcB&gclsrc=aw.ds)

When I read about the **liver damage, kidney damage, and sudden death** from taking these drugs, I just quit! ☺ [I don't tell anyone what to do. And I don't "prescribe" anything to anyone.] I decided to more closely follow

God's eight laws of health. The more I studied the situation in the Bible and Spirit of prophecy, the better I felt, and a sweet peace took the place of the troubled heart I had after reading the dangerous side effects of the drugs. The drug companies [on their websites] are not the only ones who tell of the dangers. Tons of people have also published the problems and horrors they had after taking them.

Most people whose arteries are getting clogged are **not** going to strictly obey God's 8 laws of health; and they are **not** going to eat less, lose weight, and change their diet. Therefore, sooner or later, it will kill most of them. The doctors know this, and for such a person, they know that the blood-thinning drugs are the lesser of the two evils.

Then, to my amazement, people started calling me - telling me about something people find in health food stores. They told me about Nattokinase.

I've been taking it now [and nothing else except a good vegan diet and exercise] for 6 months. Then, last week, I went to the hospital to get my arteries checked to see how they were doing. I wanted to see if the stent was getting clogged up, or if the good diet and the Nattokinase were working.

In the room where they performed the heart catheterization, they had the most devilish music playing, and the first thing the head cardiologist said to me was, "What is your sign of the zodiac?" I was shocked and

said, "I don't know, but I'm not interested in that." All the doctors and nurses knew that I had not been taking the blood thinning drug for 6 months, and they were all scolding me for not taking it, and warning me that if I didn't take it, my arteries would clog up and maybe kill me. So in that atmosphere, they ran the catheter up through an artery in my wrist, and into my coronary artery. The atheist head cardiologist watched as the lady M.D. intern performed the procedure. After a minute I heard her say the word, "Beautiful!" Then, I heard her say the word, "Perfect." I was amazed, and wondered why she was saying those things.

After a few minutes it was over, and the atheist cardiologist, the M.D. intern, and the nurses came over and stood together so I could see them all. Then, the shocking words fell on my ears. They said, "Your arteries are totally clear, and clean."

Out of my mouth came rushing the words, "Praise God!" Then the head cardiologist walked away blaspheming God's name. Why? He was in shock. He knew that if the news of what he just saw got out to the medical community and to the world, millions might escape from drug prison. He saw that if others learn about it, it might deprive "pharmacia" of trillions of dollars - for "in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:23,24. 1) They had all seen the picture of my partially blocked coronary artery from 6 months before. 2) All the doctors and nurses had been warning me of possible death for not taking the drugs. 3) Now they tell me that my arteries are totally clear and clean! - - **without their drugs! So now they all stand there looking like the three stooges.**

Rat poison. Doctors give it to humans {under the name Warfarin} and it thins their blood to prevent blockage. In rats, it thins their blood until they drop dead.

Dear Pastor Jan,

I want to thank you for your newsletters. I am an SDA who has been falling away from Christ. There are many times that I would have given up even trying if it wasn't for your newsletters. They remind me that I can't give up! - that time is too short, and that I need to hop to it with Jesus if I'm going to make it, and that I need to get to work to help others from being lost. I still have a long way to go, but your letters have helped me so that now I care enough to keep walking with Jesus and clinging to Him. Sincerely, G.S.

Dear Sir;

I'm writing to let you know that I read the book "National Sunday Law" and I must say that I believe every word of it! Now I understand more of God's word through your book than I ever have! May God pour out His blessings upon you and your family so that you can keep reaching confused people like I was. I want to get more "National Sunday Law" books to give out! Thank you. E.L.

4) They were blown away and their heads fell on the floor as they realized that my artery had become totally clean and healthy from only a good diet and "Nattokinase" {which is derived from soy beans.} I also praise God for the honest doctors, nurses, and medical people who are doing their best to bless and save others.

5) Will this shocking info get out to the medical community and the world? Have no fear because Vatican controlled "pharmacia" will make sure that it's all kept quiet. If you tell it to doctors and medical people they will mock and won't believe you. Most of them would "trample" your pearls "under their feet, and turn again and rend you." Matt. 7:6. You've already learned that *Readers' Digest* revealed that over 100,000 people die every year in the U.S. from what their doctors give them. "Pharmacia" will grow more and more until doomsday - killing millions and dealing in "slaves, and souls of men." Rev. 18:13. "The wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand." Daniel 12:10. I praise God because I know now that the discomfort was just a little stomach acid. I don't even have a heart problem at all! My arteries are all clean! God's eight laws of health are wonderful! He gets all the praise!

**Hope:** What does Rome have to do with drugs = pharmaceuticals, or pharmacies?

**Pastor Jan:** Here it is - "For by thy sorceries were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:23,24. [Notice the word "all."] You've already learned that the word "sorceries" in new testament Greek is "pharmakeia." It's where we get our words, pharmaceutical, & pharmacy. The Latin word "pharmacia" in Rome means, "use of drugs," "potions," "spells," "poisoning," "witchcraft," etc. You've already learned that poisoning is the method of choice in the Vatican. The word "Vatican" means, "divining serpent." Dear Jesus knew this, and to His faithful people He said, "And if they drink any deadly thing, it shall not hurt them." Matt. 16:18. He didn't mean that we can take poison on purpose.

**Charity:** What other hoaxes did God's prophet reveal that we will see in the end of the world?

**Pastor Jan:** Watch closely - "The last great conflict between truth and error is but the final struggle of the long-standing controversy concerning the law of God. Upon this battle we are now entering—a battle between the laws of men and the precepts of Jehovah, between the religion of the Bible and the religion of fable and tradition.

"The agencies which will unite against truth and righteousness in this contest are now actively at work. God's holy word, which has been handed down to us at such a cost of suffering and blood, is but little valued.

"Those who teach the people to regard lightly the commandments of God sow disobedience to reap disobedience. If the law of God was not binding, why should any fear to transgress? Property would no longer be safe [as now.] Men would obtain their neighbor's possessions by violence, and the strongest would become richest. Life itself would not be

respected. The marriage vow would no longer stand as a sacred bulwark to protect the family [as now.] The fifth commandment would be set aside with the fourth. Children would not shrink from taking the life of their parents if by so doing they could obtain the desire of their corrupt hearts. The civilized world would become a horde of robbers and assassins, and peace, rest, and happiness would be banished from the earth.

"Already the doctrine that men are released from obedience to God's requirements has weakened the force of moral obligation and opened the floodgates of iniquity upon the world. Lawlessness, dissipation, and corruption are sweeping in upon us like an overwhelming tide. In the family, Satan is at work. His banner waves, even in professedly Christian households. There is envy, evil surmising, hypocrisy, estrangement, emulation, strife, indulgence of lust. The whole system of religious principles and doctrines, which should form the foundation and framework of social life, seems to be a tottering mass, ready to fall to ruin. The vilest of criminals, when thrown into prison for their offenses, are often made the recipients of gifts and attentions as if they had attained an enviable distinction. The press publishes the revolting details of vice, thus initiating others into the practice of fraud, robbery, and murder; and Satan exults in the success of his hellish schemes.

"Courts of justice are corrupt. Rulers are actuated by desire for gain and love of sensual pleasure. Intemperance has beclouded the faculties of many so that Satan has almost complete control of them. Jurists are perverted, bribed, deluded. Drunkenness and revelry, passion, envy, dishonesty of every sort, are represented among those who administer the laws. 'Justice standeth afar off: for truth is fallen in the street, and equity cannot enter.' Isa 59:14...

"Clinging to the papal error of natural immortality and man's consciousness in death, they have rejected the only defense against the delusions of spiritualism. The doctrine of eternal torment has led many to disbelieve the Bible, [and has turned millions into atheists, making God to appear as being more heartless and cruel than the devil.] And as the claims of the fourth commandment are urged upon the people, it is found that the observance of the seventh-day Sabbath is enjoined; and as the only way to free themselves from a duty which they are unwilling to perform, many popular teachers declare that the law of God is no longer binding. Thus they cast away the law and the Sabbath together...

"Yet this very class put forth the claim that the fast-spreading corruption is largely attributable to the desecration of the so-called 'Christian sabbath,' and that the enforcement of Sunday observance would greatly improve the morals of society. This claim is especially urged in America, where the doctrine of the true Sabbath has been most widely preached...

"The Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of spiritualism; they will reach over the abyss to clasp hands with the Roman power; and under the influence of this threefold union, this country will follow in the steps of Rome in

*Vermitt's Corner:* "True reverence for God is inspired by a sense of His infinite greatness and a realization of His presence." PK 48.

Dear Sirs;

This book, "National Sunday Law" is a refreshing challenge to our theology! We have accepted the majority opinion without challenging it with scripture. When I read the Scriptures quoted in the book, I saw the truth! I read this book six times! I discovered it browsing through Christian books at Amazon.com and I was interested! I never questioned our traditional beliefs until I read this book. I praise God for this book! It forced me to read the entire 4th Commandment, not the shortened Catholic version. Think about this fact for a while. I tell people to read "National Sunday Law" for themselves! G.C.

Dear Sir;

I was listening to the radio one day and the topic was the national Sunday law. It got my attention. Well, Sunday I was channel surfing the T.V. and came to one channel that was talking about a national Sunday law, but I missed most of it. The next Wednesday, I went to the post office and noticed a book on top of a newspaper stand. It was face down. When I turned it over, the title was "National Sunday Law." It just hit me right in the face! I knew it was God working in my life! This one took the cake! Three times in one week, God was putting His truth right in front of my face! My only desire before this was to find the truth. When I read "National Sunday Law," I found it!!! I have been changed by this book! It has set me free! God Bless Everyone! Roger

trampling on the rights of conscience.

“As spiritualism more closely imitates the nominal Christianity of the day, it has greater power to deceive and ensnare. Satan himself is converted, after the modern order of things. He will appear in the character of an angel of light. Through the agency of spiritualism, miracles will be wrought, the sick will be healed, and many undeniable wonders will be performed.

“The line of distinction between professed Christians and the ungodly is now hardly distinguishable. **Church members love** what the world loves and are ready to join with them, and Satan determines to unite them in one body and thus strengthen his cause by sweeping all into the ranks of spiritualism. Papists, who boast of miracles as a certain sign of the true church, will be readily deceived by this wonder-working power; and Protestants, having cast away the shield of truth, will also be deluded. Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a grand movement for the conversion of the world and the ushering in of the long-expected millennium.

“Through spiritualism, Satan appears as a benefactor of the race... but at the same time he works as a destroyer. His temptations are leading multitudes to ruin. Intemperance dethrones reason; sensual indulgence, strife, and bloodshed follow. Satan delights in war, for it excites the worst passions of the soul and then sweeps into eternity its victims steeped in vice and blood...

“Satan uses all his power to control the elements as far as God allows... It is God that shields His creatures and hedges them in from the power of the destroyer. But the Christian world have shown contempt for the law of

Jehovah; and the Lord will do just what He has declared that He would—He will withdraw His blessings from the earth and remove His protecting care [He is doing it now!] from those who are rebelling against His law and teaching and forcing others to do the same. Satan has control of all whom God does not especially guard. He will favor and prosper some [he will cause the poor fiends on the road to hell to win the lottery] in order to further his own designs, and he will bring trouble upon others and lead men to believe that it is God who is afflicting them.

“While appearing to the children of men as a great physician who can heal all their maladies, Satan will bring disease and disaster, until populous cities are reduced to ruin and desolation. [Some believe that only God brings plagues. They will soon learn that holy angels bring destruction when God commands, and Satan’s angels bring destruction when God permits. Here’s the quote - “The same destructive power exercised by holy angels when God commands, will be exercised by evil angels when He permits.” GC 614.] Even now Satan is at work. In

accidents and calamities by sea and by land, in great conflagrations, in fierce tornadoes and terrific hailstorms, in tempests, floods, cyclones, tidal waves, and earthquakes, in every place and in a thousand forms, Satan is exercising his power. He sweeps away the ripening harvest, and famine and distress follow. He imparts to the air a deadly taint, and thousands perish by the pestilence. These visitations are to become more and more frequent and disastrous. Destruction will be upon both man and beast. ‘The earth mourneth and fadeth away,’ ‘the haughty people... do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant.’ Isa. 24:4,5.

“And then the great deceiver will persuade men that those who serve God are causing these evils... It will be declared that men are offending God by the violation of the Sunday sabbath; [I’ve already shown you that they are declaring this now] that this sin has brought calamities which will not cease until Sunday observance shall be strictly enforced; and that those who present the claims of the fourth commandment, thus destroying reverence for Sunday, are troublers of the people...

“Communications from the spirits will declare that God has sent them to convince the rejecters of Sunday of their error, affirming that the laws of the land should be obeyed as the law of God. They will lament the great wickedness in the world and second the testimony of religious teachers that the degraded state of morals is caused by the desecration of Sunday. Great will be the indignation excited against all who refuse to accept their testimony...

“The dignitaries of church and state will unite to bribe, persuade, or compel all classes to honor the Sunday. The lack of divine authority will be supplied by oppressive enactments. Political corruption is destroying love of justice and regard for truth; and even in free America, rulers and legislators, in order to secure public favor, will

yield to the popular demand for a law enforcing Sunday observance. Liberty of conscience, which has cost so great a sacrifice, will no longer be respected. In the soon-coming conflict we shall see exemplified the prophet’s words: ‘The dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.’ Rev 12:17.” GC 582-592.

“The great work of the gospel is not to close with less manifestation of the power of God than marked its opening. The prophecies which were fulfilled in the outpouring of the former rain at the opening of the gospel are again to be fulfilled

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered for you... Eternal joy—a life of undimmed happiness—awaits the one who surrenders all to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are pardoned.” SD 222. Praise God friend! Praise God!

Dear A. Jan Marcussen,

I went to church, but it was dull and hypocritical. One day I found the book “National Sunday Law” and started reading it. I read it several times. It was shocking, yet, for the first time, it all made sense to me. Since reading “National Sunday Law,” I have renewed my relationship with Christ and I now live for Him. I’m also sharing this book with others in hopes that their eyes will be opened. Thank you for writing such an incredible book! It’s just what the people need! C.S.

Dear Jan Marcussen,

I’ve been reading “National Sunday Law” and it sure is amazingly true! I plan to get more! I have a lot of friends and I would like to give them a book, so they won’t keep ignorantly breaking God’s 4<sup>th</sup> commandment, but will start keeping God’s true Sabbath day holy. Thanks for writing it. Sincerely, Mrs. G. R. Texas

Dear Sir,

My neighbor loaned me a copy of your book “National Sunday Law.” It’s so interesting that I can’t put it down! It’s teaching me things that I’ve needed to understand in the Bible! I sure would like to give this book to many others! I’m so thankful that my sister in the Lord loaned me hers. It’s so fantastic! - and I praise God that He has inspired you to write it for the people. I praise God for the wonderful ministry He placed you in!  
Sincerely, Brenda Haynes Arkansas

in the latter rain at its close. Here are 'the times of refreshing' to which the apostle Peter looked forward when he said: 'Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord; and He shall send Jesus.' Acts 3:19,20.

"Servants of God, with their faces lighted up and shining with holy consecration, will hasten from place to place to proclaim the message from heaven. By thousands of voices, all over the earth, the warning will be given. [Praise God!] Miracles will be wrought, the sick will be healed, and signs and wonders will follow the believers. Satan also works with lying wonders, even bringing down fire from heaven in the sight of men. Rev. 13:13. Thus the inhabitants of the earth will be brought to take their stand.

"The message will be carried not so much by argument as by the deep conviction of the Spirit of God. The arguments have been presented. The seed has been sown, and now it will spring up and bear fruit. [Praise God!] The publications distributed by missionary workers [that's you and me] have exerted their

influence... Now the rays of light penetrate everywhere, the truth is seen in its clearness, and the honest children of God sever the bands which have held them. **Family connections, church relations, are powerless to stay them**

**now. [Praise God!] Truth is more precious than all besides. Notwithstanding the agencies combined against the truth, a large number take**

**their stand upon the Lord's side."** GC
